Action Taken Report on Feedback Teaching Learning(2022-23)

After conducting an analysis of the responses received, individual suggestions have been provided to faculty members. Those with moderate to poor responses have been advised to pay careful attention to their teaching methodology and content. They have been sent letters requesting explanations for areas where improvement is needed. Faculties with good responses have been appreciated through letters. Furthermore, the Head of the Department has conducted a review to ensure improvement based on the feedback analysis.

Sr.No	Name of the Subject	Improvement
1	Engineering Physics	Ok with Teaching Process and contents.
2	Engineering Mathematics -I	Teachers should tell the applications were the mathematical concepts used.
3	Basic Electrical Engineering	Use some demonstration based teaching. show various devices such as MCB,ELCB,Transformer, resistor ,choke coil etc.
4	Engineering Mechanics	Take extra problems on bending and shearing force
5	Systems in Mechanical Engineering	Show some animations on turbines, gear assembly.

Sr.No	Name of the Subject	Improvement
1	Engineering Physics	Ok with Teaching Process.
2	Engineering Mathematics -I	Ok with Teaching Process. Take Extra numerical in the theory class and also in the tutorial. Need some basic concept lectures like derivative and integration.
3	Basic Electrical Engineering	Ok with Teaching Process.
4	Engineering Mechanics	Ok with Teaching Process.
5	Systems in Mechanical Engineering	Ok with Content. Students have shown animations to their understanding the concepts.

Sr.No	Name of the Subject	Improvement
1	Engineering Physics	In the class teacher should use Audio, Visual Aids , PPT, Quiz, Matching test, Discussion etc.
2	Engineering Mathematics -I	Ok with Teaching Process. Take extra numerical to the students.
3	Basic Electrical Engineering	Students have utilized animations to demonstrate their comprehension of the concepts.
4	Engineering Mechanics	Ok with Teaching Process. Provide additional numerical problems to the students.
5	Systems in Mechanical Engineering	Ok with Teaching Process.
