**1.0 The vision and mission of Bharati Vidyapeeth's College of Engineering, Lavale Pune**

**MISSION**

“Social Transformation through Dynamic Education” - We believe that it is through the spread of education in all the strata and sections of society that real social transformation can be brought about.

**VISION**

To nurture young minds and make them realize the true potential of delivery to fulfill the purpose of their soul existence by way of Discovery, Innovation, Leadership and Service

**BHARATI VIDYAPEETH'S COLLEGE OF ENGINEERING  
LAVALE, PUNE-412115**

**2.0 Beginning of a new venture “HSPMSolutions” from 1<sup>st</sup> January 2019:**

The Journey of a thousand miles begins with a single step. 1<sup>st</sup> January 2019, marked the beginning of a new venture for 'BHARATI VIDYAPEETH'S COLLEGE OF ENGINEERING, LAVALE', as on this day the first startup “HSPM” was officially established at BVCOEL Pune.

**HSPM Solutions** started commencing its operations from 13th October 2018 as a venture without being officially established. The inaugural ceremony to mark the beginning was held on 13th October 2018 at BVCOEL Pune. It was a remarkable event received immense support from all the stakeholders. The occasion was graced by Dr. R. N. Patil (Principal, BVCOEL Pune), Prof.U.C.Patkar (H.O.D, Computer Department) and the Professors Panel.

HSPM Solutions is registered as an LLP firm with MCA on 1st January 2019. This marked an entrepreneurship journey for BVCOEL Pune, with the vision and a motto to inculcate the culture of entrepreneurship amongst the student community.

**BHARATI VIDYAPEETH'S COLLEGE OF ENGINEERING**  
**LAVALE, PUNE-412115**

**2.1 The Key highlights of HSPM are listed below:-**

1. HSPM Solutions was selected in TOP 300 Start-up's by Start-up Grind (partnered by Google for Start-up's) in their global event "Start-up Grind Global Conference 2019" which was held in the month of February 2019 at Silicon Valley, California, USA. Unfortunately, HSPM could not make to the event due to visa related issues.

2. HSPM Solutions organized a "National level hardware Workshop and Competition" in association with the Department of Computer Engineering, BVCOE, Lavale Pune on Saturday, 16<sup>th</sup> February 2019. Around 150 entries were received from various institutions in and around Pune. The workshop was followed by a competitive event in the domain of hardware which enabled the students to have hands on experience.

The winners were rewarded with a cash voucher of Rs.500 along the with certificate of participation and award.

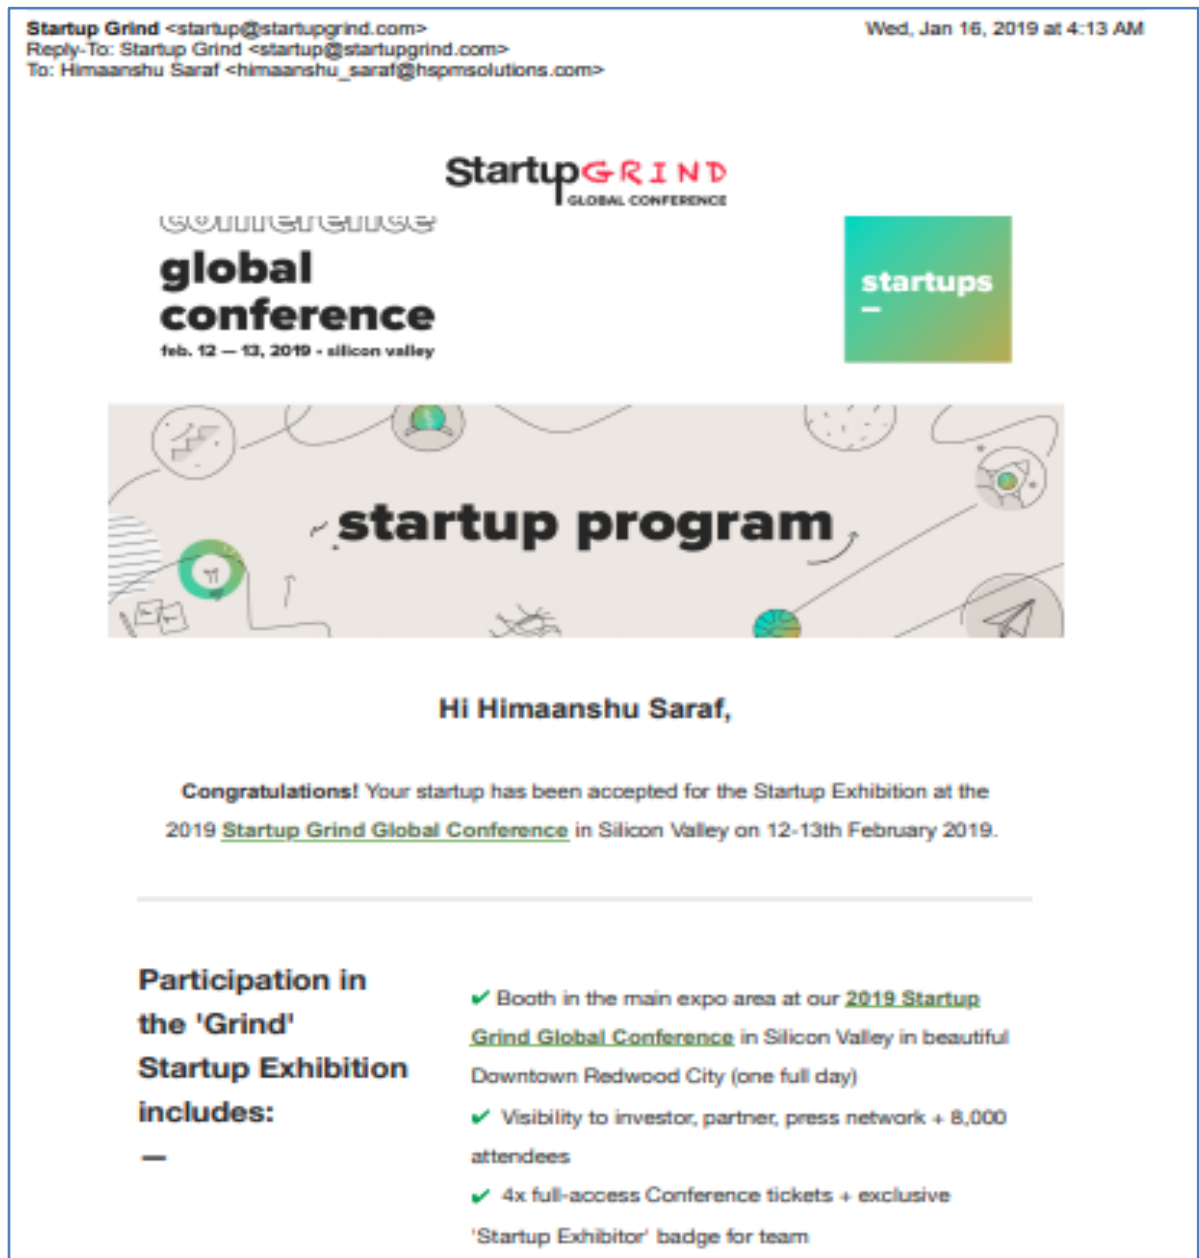

3. HSPM was able to secure the runner up position at "National level B-plan Competition" held at IIMS, Sai Balaji Group of Institutes, Pune, on Monday 25<sup>th</sup> February 2019.

4. Team HSPM for their remarkable work was felicitated by the Department of Computer Engineering, BVCOEL Pune during student's felicitation ceremony on 23/3/2019. Recently, HSPM has been selected under TOP 100 start-ups by Start-up Grind and it received an invitation to exhibit its product to the global audience at "Start-up Grind Europe Conference 2019" to be held in the month of June 2019 at London, UK.

Hi,

I hope this email finds you well.

I remember from our conversation a couple of months back that your startup was selected to exhibit at our Global Conference in February. We understand that you were not able to attend due to several reasons and since you have already been accepted by us, we are able to **fast track your startup through the application process, and offer you the opportunity to exhibit at the [2019 Startup Grind Europe Conference](#)** which will be held on **June 6th, 2019** in London.

As you may already know, we organize **2 flagship conferences** every year (**Global & Europe**) as well as the monthly local chapter events.

Both of these conferences are very similar in terms of the value and opportunities they present to startups, but the **cost to exhibit at the Europe Conference is nearly half** of what it is for Global (**you still become a member of the same Startup Program!**) since it is a one day conference (as opposed to 2 days).

Tickets are now available via [this link](#) - we've already had a substantial number of applications for just 100 places, so do secure your place ASAP if you'd like to attend!

Please let me know if you have any questions. Feel free to [schedule](#) a call too.  
Hope to finally meet you in person in London :-)

Best wishes,  
Jamilah

**5.0 Quarterly events organized by E-cell**

The Entrepreneurship Cell aims to ignite creative thinking and nurture entrepreneurial instincts in students. The Cell hopes to achieve this by conducting stimulating workshops, competitions and interactive sessions with eminent personalities who are role models when it comes to business development. The Cell's ultimate vision is to create independent business entities out of interested students so that they not only become self-employed but also become capable of providing gainful, fulfilling employment to others and thereby benefiting society at large.

**5.1 Guest lecture by Mr. Vrushasen Naphade**

The Entrepreneur Cell of Bharati Vidyapeeth's College of Engineering Lavale, Pune, organized a guest lecture on the topic "Make Meaningful Entrepreneurship Journey" and the speaker for the session was Mr. Vrushasen Naphade. Mr. Vrushasen Naphade (Angel Investor and an established entrepreneur) on 21st Feb 2019, on the topic "Make Meaningful Entrepreneurship Journey". Mr. Naphade has raised funds to the tune of rupees 8.5 crores at the tender age of 21. He completed his graduation from the University of Pune as a B. Com Marketing student and did his post-graduation from the University of London.

He is the Co-founder of Admin Media which is an advertising network firm, Business Lead at Sappers Solutions Pvt Ltd. He worked as Digital Media Strategist at Avail Advertising India Pvt Ltd and also was the Vice President (Mobile Information & Networking Technology) at Rattle Lifestyle Pvt Ltd

**BHARATI VIDYAPEETH'S COLLEGE OF ENGINEERING**  
**LAVALLE, PUNE-412115**

The guest lecture was aimed at developing entrepreneurial aptitude by bringing young minds together to present pertinent topics, and issues involved with entrepreneurial initiatives.

The lecture started with Saraswati Pooja and lamp lighting and was graced by Principal Dr. R. N. Patil, Prof. Dr. Shikha Bhardwaj, Prof. Uday Patkar, Prof. S. R. Patil, Prof. A. B. Wani, Prof. Dr. Nidhi Jain. Our Principal Dr. R. N. Patil felicitated the Guest of Honour. Faculty Co-ordinators Prof. Prajakta Pawar, Prof. Leena Choudhary, Prof. V. C. Khapper and all faculty members and non-teaching gave their valuable inputs in arranging and motivating students to attend this lecture.

Around 250 students from all streams, department HODs, and faculty members attended this lecture. The event was a successful one because of the huge appreciation and overwhelming response. Thanks to student co-ordinators Kartikee, Himaanshu, Hemraj, Shubham, Sachin and other students who played an active role in arranging and making the event a successful one. Anchoring was done by Huzaif and rangoli was drawn by Kalpeksha and Vaishnavi.

**6.0 E- Cell's ultimate vision**

The Cell's ultimate vision is to create independent business entities out of interested students so that they not only become self-employed but also become capable of providing gainful, fulfilling employment to others and thereby benefit society at large.

**6.1 Creating a conducive environment for formation of startups**

- Entrepreneurship development cell should provide a conducive environment to guide students in right direction
- To create an entrepreneurial culture in the Institution and promote research objectives of BVCOEL, including financial benefits related to students and faculty members.
- To foster better linkages between the stakeholders, Industries, and R&D institutions and other related organizations engaged in promoting Small & Medium Enterprises.
- To catalyze and promote the development of small scale enterprises and promote employment opportunities
- To respond effectively to the emerging challenges and opportunities both at national and international level relating to SMEs and Micro Enterprises.

**BHARATI VIDYAPEETH'S COLLEGE OF ENGINEERING**  
**LAVALLE, PUNE-412115**

**6.2 Continuous Improvement and Sustainability**

- By organizing Guest lectures, Workshop, Seminars, Alumni meet, etc on a recurring basis for promotion and growth of E-cell at BVCOEL.
- To arrange visits to industries for prospective entrepreneurs
- To conduct research work and survey for identifying entrepreneurial opportunities.
- To guide and assist prospective E-cell program at various aspects such as identification of mentor pool from the local ecosystem
- To act as an information center on business opportunities, processes, technologies, market, etc. by creating and maintaining relevant databases.
- To provide testing, calibration, quality assurance, design, tool room, pilot plant and other facilities for E-cell programs besides expertise in Intellectual Property rights, Patents search, etc.
- To render advice to sick enterprises and assist the entrepreneurs in rehabilitating them.
- To conduct skill development training program leading to self/wage employment.
