

Message from Internship Cell Coordinator

Bharati Vidyapeeth's College of Engineering, Lavale, Pune is committed to attain global standards where consistent improvement of students practical knowledge is the key driving force. We envision significant part of corporate and enterprises in making students employable through different Internship Programs. I feel happy to see that in the midst of developing difficulties, the group of committed faculty members persistently progressing in the direction of accomplish the center destinations.

We want students to acquire skills suitable for industries beyond the knowledge that they acquire academically. Organizations can empower students to seek after further their enthusiasm in building aptitudes in innovation just as space and the executive's zones and in this way make the extension for making students employable. The Internship program not just helps new pass-outs in increasing proficient ability yet additionally benefits, corporate on new viewpoints on business issues and in any event, finding future business pioneers.

Prof. P. G. Rahate

Coordinator
