Date- 20/02/2017

**Report On One Week Workshop
On
"Lean Manufacturing"**

The One week workshop on "**Lean Manufacturing**" was successfully organized from 07/02/2017 to 18/02/2017 in **Mechanical Engineering Department** at BVCOEL, Pune. The seminar was arranged by Prof. S.Y. Nagwase and well attended with 30 B.E. Mechanical students.

The Speaker for seminar was Mr. Dr. Tansen Chaudhari .

The Focus points of his presentation were,

- Introduction to Lean Thinking
- Key Concepts of Lean Thinking
- Common Lean Methods & Tools
- Ways to develop "Kaizen Eyes"
- Comparison Between Traditional and Lean Manufacturing
- Keys to Lean Success
- Lean Roles
- Challenges in Lean manufacturing
- Understanding responses to change
- Sustaining a Lean culture

The program was successfully concluded with question answer session followed by open discussion & formal vote of thanks.
