BHARATI VIDYAPEETH'S COLLEGE OF ENGINEERING LAVALE PUNE

**Approved by AICTE, New Delhi & DTE Mumbai.
Affiliated to Savitribai Phule Pune University, Pune
NAAC Accredited**

Email: coelpune@bharatividyaapeeth.edu

NAAC SSR CYCLE 2 Criteria IV- Infrastructure and Learning Resources

4.1.1 Physical Facilities

Institution frequently updates its IT facilities and provides sufficient bandwidth for internet Connection

SN	Physical Facilities
1	Class Rooms
2	Laboratories
3	ICT Infrastructure Facilities
4	ICT Equipment's and Other

4.1.1 Availability of adequate infrastructure and physical facilities viz., classrooms, laboratories, ICT facilities, cultural activities, gymnasium, yoga centre etc. in the institution.

The availability of adequate infrastructure and physical facilities is a crucial factor in determining the overall quality of an educational institution. A well-equipped campus not only enhances the learning experience but also contributes to the holistic development of students. In this regard, classrooms, laboratories, ICT facilities, cultural activities spaces, gymnasiums, and yoga centers and other required facilities play pivotal roles in shaping a conducive environment for education.

Bharati Vidyapeeth's College of Engineering is situated in the beautiful hills of Lavale village and near to Rajiv Gandhi IT Park Hinjewadi Pune. The institute exceeded the facilities stipulated by AICTE, DTE and Affiliated University (SPPU Pune) and fulfills all the required infrastructural and physical facilities. The carpet area of institute is 16136 SQ. MT with modern building infrastructure, well equipped library, laboratories with state of art facilities and well equipped, classrooms and seminar with ICT facilities, Amphitheater for cultural activities, Gymnasium and Yoga Room, Mess and Cafeteria, Water Filters and Purifiers for drinking water, Central Store Room, Girls Common Rooms, Faculty Rooms, Administrative Office, Office spaces in various departments, Room for NSS Office, Guest Room, Office for Training and Placement, Separate Control Room for Exam Section, Cabins to HODs, Central Conference Room, Guest Room, Restrooms, Restrooms for physically disabled people, space for indoor and outdoor sports activity, wireless internet facility, adequate parking space for vehicle parking etc.

Classrooms are the fundamental spaces where academic interactions take place. Institute has well-designed, Spacious and well-ventilated 13 classrooms. Class rooms are equipped with Digital Smart Boards, Projector with Screen, LAN and wireless facilities, and with adequate well designed and finished furniture.

Laboratories are indispensable for scientific and practical education. The Institution has 30 well-equipped laboratories that provide students with hands-on experience, reinforcing theoretical knowledge gained in classrooms. The computer laboratories includes modern and highly configured computer systems with required open course and other proprietary software's like Matlab, SolidWorks, ANSYS etc. installed in them. Computer systems in laboratories are connected to internet and managed and secured using firewall and antivirus software's. Modern and high end equipment's in other laboratories include Universal Testing Machine, Boiler, 3-D Printing Machine, Petrol and Diesel Engine, Compression Testing Machine, Digital Theodolite, Direct Shear Test Apparatus etc. Laboratories are being designed and set so student can perform Interdisciplinary Projects.

Separate space is available for the workshop.

In the contemporary educational landscape, ICT facilities are integral to the learning process. The Institution has a robust IT infrastructure, including computer labs and high-speed internet connectivity, Firewall, Computer Servers, Online Study Material Servers (DMS), NPTEL Server, Wi-Fi Devices, Required Switches, Routers, LCD Projectors, Printers, Scanners, ERP software, Photo Copy Machines etc. is essential available for students and faculty for their research, project work, and accessing online educational resources.

Spaces dedicated to cultural activities such as Open Theater (Amphitheater) is available.

Physical well-being is equally crucial for students, and facilities for gymnasiums and yoga centers available in the institute which contribute for promoting a healthy lifestyle.

Institute provides ramps, elevators, restrooms for physically disabled people.

Bharati Vidyapeeth's College of Engineering Lavale Pune

List of Class Rooms

SN	Name of the Class Room	Department	Room No	Floor
1	CLASS ROOM - 01	Civil Engineering	115	First Floor
2	CLASS ROOM - 02		121	First Floor
