#### *Feedback Teaching Learning Analysis Report (2022-23) SEM I*

Feedback about Teaching learning process has been collected offline and the response of the students is summarized for the following subjects. TE-Comp **Total Response: 45**

Sr. No	Name of the Subject	Avg. Response from the students	Suggestions from Students
1	Database Management System	Very Good	Increase Teaching Speed
2	System Programming and Operating System	Very Good	Should give some more practical example
3	Computer Network and Security	Excellent	Conduct class tests
4	Seminal and Technical Communication	Very Good	Conduct more presentations
5	Theory of Computation	Poor	More lectures required
6	Software Project Management	Very Good	Expect more detail explanation

### Action Taken Report on Feedback Teaching Learning

Following Analysis of the students' replies, the faculty members get specific student suggestions, which they might use to implement some of the previously mentioned ideas. Through letters, faculty members who received a mediocre or poor response were encouraged to take proper care of the teaching approach and material, and they were also requested to provide explanations in order to further develop. Letters of appreciation have been given by faculties with good response rates. The department head has accepted the improvement review for the feedback analysis mentioned above. It has been deemed to be improved, and a Basic course is suggested for the 2022-2023 academic year.

Sr.No	Name of the Subject	Improvement
1	Database Management System	Overall teaching was good
2	System Programming and Operating System	The teaching method was effective, although there should have been a subject-related webinar.
3	Computer Network and Security	Overall teaching process was good, although there should have been a subject-related workshops.
4	Seminal And Technical Communication	Overall teaching was good
5	Theory of Computation	Teaching was good but more example required
6	Software Project Management	Overall teaching was good

### Feedback on Infrastructure Analysis Report (2022-23)

Feedback about Infrastructure has been collected from various stakeholders and it is summarized and analyses below

Sr. No	Name of the Stakeholder	Avg Value	Avg. Response from the students	Suggestions from Students
1	Student	4	Very Good	Provide us more sport equipment's and any sports court
2	Alumni	3	Good	Provide latest trends technological machines like smartboards
3	Employer	4	Very Good	Provide more time for Internship and add some more PC's in the laboratory
4	Teacher	5	Excellent	Smart Boards for teaching
5	Parents	3	Good	Start SMS facility

### Feedback by Employer on Academics and Infrastructure (2022-23)

Dear Employer

Greetings from Bharati Vidyapeeth's College of Engineering Lavale Pune. Kindly fill the below feedback about Academics and Infrastructure and provide suggestions.

S. No.	Description	Very Poor	Poor	Good	Very Good	Excellent
		1	2	3	4	5
1.	Kindly rate on overall Infrastructure Facility of Department/College during your visit.				✓	
2.	Note : Kindly write as NA if not visited Overall academic preparation and readiness of graduates from our institution				✓	
3.	In terms of technical skills and knowledge, how well do you find our graduates are prepared for the demands of their role				✓	
4.	Kindly assess the soft skills (communication, teamwork, problem-solving) of graduates from our institution				✓	
5.	Kindly rate leadership potential in our graduates				✓	

Suggestions: 1) Students should be motivated for startups  
2) Seminar Hall should be modified by smartboard

#### *Feedback Teaching Learning Analysis Report (2021-22) SEM I*

Feedback about Teaching learning process has been collected offline and the response of the students is summarized for the following subjects. SE-Mech **Total Response: 32**

Sr.No	Name of the Subject	Avg.Response from the students	Suggestions from Students
1	Solid Mechanics	Good	Add more assignments numericals
2	Solid Modeling and Drafting	Very Good	Provide some value added courses like solidworks/catia for practice
3	Engineering Thermodynamics	Good	Add more Videos
4	Engineering Materials and Metallurgy	Very Good	Add more sessions on microscopic study
5	Electrical and Electronics Engineering	Poor	Content and speed of teaching
6	Geometric Dimensioning and Tolerancing Lab	Good	Want more additional Practice session

#### Graphical Analysis with Avg Values :

#### Action Taken Report on Feedback Teaching Learning

After this analysis has been done with these responses and students suggestion is given to the faculty members individually so that they can adopt few things mention above. Faculties with moderate/Poor response have been asked to take due care about teaching methodology and content part of it through letters and advised to improve further. Faculties with good Response has given the appreciation letters. Head of the Department has taken improvement review for the above feedback analysis. It is found to be improved and Basic Solidworks course is proposed in academic year 2021-22 to get more exposure for Solid Modelling and Drafting subject

Sr.No	Name of the Subject	Improvement
1	Solid Mechanics	Ok with Teaching Process
2	Solid Modeling and Drafting	Ok with Teaching Process. Basic Solidworks course is proposed
3	Engineering Thermodynamics	Ok with Teaching Process
4	Engineering Materials and Metallurgy	Ok with Teaching Process
5	Electrical and Electronics Engineering	Ok with Teaching Process & Content
6	Geometric Dimensioning and Tolerancing Lab	Ok with Teaching Process

### Feedback on Infrastructure Analysis Report (2021-22)

Feedback about Infrastructure has been collected from various stakeholders and it is summarized and analyses below

Sr.No	Name of the Stakeholder	Avg Value	Avg.Response from the students	Suggestions from Students
1	Student	4	Very Good	Provide us more sport equipments and any sports court
2	Alumni	3	Good	Provide latest trends technological machines like 3D printing
3	Employer	4	Very Good	Provide more time for Internship and add some more machines/equipment in the laboratory
4	Teacher	5	Excellent	Smart Boards for teaching
5	Parents	3	Good	Start sms facility

### Graphical Analysis :

Divide By Zero - Company Profile.pdf; Accucraft Brochure.pdf; Bharti Vidyapeeth- Accucrafti250+- Proposal 2022.pdf;

Hello Sir,

Greetings for the day!

Thank you so much for your valuable time with Divide by Zero Technologies.

As per the discussion held with us over the features and specifications of the **3D PRINTER** requirement. We, Divide By Zero Technologies at this moment submit the detailed quotation in support of your request.

- We hope that in the interim, this quotation bears all the information that you would require to make a firm decision and a subsequent order.
- We hope that you will let us know the way forward to be able to move with speed and manage the timelines.
- We always thrive to build good relationships with our customers and look forward to better times together.
- Please find the attached quotation as well as other information

Secondly, I'm also sharing the ROI Calculator Video Link as discussed. Materials which can be printed in Accucraft i250+: **ABS, ABS+, PLA, PETG, PLA CF, PETG- CF, HIPS, Flexible filament, PLA, PLA Tough.**

Link - [https://youtu.be/jK\\_iGLsaRmo](https://youtu.be/jK_iGLsaRmo)

For your reference, I am sharing with you all the data and information which will be useful for the machine you are proceeding with.

I am confident that Divide By Zero Technologies makes a solid contribution to you. However, please feel free to contact us for any information. I would be happy to help you.

Thank you again for your interest and time.

Thanks and Regards

Kaustubh Dhanu

AY 2019-20

### Feedback Teaching Learning Analysis Report (2019-20) SEM I

Feedback about Teaching learning process has been collected offline and the response of the students is summarized for the following subjects. FE-A & B Total Response: 40

Sr.No	Name of the Subject	Avg.Response from the students	Suggestions from Students
1	Engineering Physics	Good	No Suggetions
2	Engineering Mathematics -I	Very Good	Take additional problems during Tutorial.
3	Basic Electrical Engineering	Poor	Proper Concepts are not cleared, Show some animations about transformer.
4	Engineering Mechanics	Very Good	Give some additional problems through assignments
5	Systems in Mechanical Engineering	Very Good	Show some animations about turbine ,gear assembly.

Graphical Analysis with Avg Values :

AY 2019-20

#### Action Taken Report on Feedback Teaching Learning

After conducting an analysis of the responses received, individual suggestions have been provided to faculty members. Those with moderate to poor responses have been advised to pay careful attention to their teaching methodology and content. They have been sent letters requesting explanations for areas where improvement is needed. Faculties with good responses have been appreciated through letters. Furthermore, the Head of the Department has conducted a review to ensure improvement based on the feedback analysis.

Sr.No	Name of the Subject	Improvement
1	Engineering Physics	Ok with Teaching Process
2	Engineering Mathematics -I	Ok with Teaching Process. Take extra numerical to the students.
3	Basic Electrical Engineering	Ok with Teaching Process. Students have shown animations to their understanding the concepts.
4	Engineering Mechanics	Ok with Teaching Process.
5	Systems in Mechanical Engineering	Ok with Teaching Process & Content.

### Department of Engineering Science

AY 2019-20

Dear,

**Prof.T.S.Hasarmani,**

Department of Engineering Science.

After analysis of student feedback and recognition by your peers we have accessed your performance. We strongly believe that student satisfaction, value addition, faculty improvement are the key factors for overall growth of BVCOE,Lavale. Hence, you are urged to improve in following areas of teaching learning activity for the subject **Basic Electrical Engineering.**

Methodology

Exam point of view

Syllabus coverage

Subject understanding to students

Communication Skill

We believe you will take a note of this reminder and we will be glad to observe the improvements.

#### Appreciation Letter

Dear,

**Dr.J.A.Dhanake,**

Department of Engineering Science.

On behalf of BVCOE,Lavale we appreciate your efforts taken towards students' teaching learning activity. We are impressed by your **100%** result achievement and got students feedback of **very good** in subject **Engineering Mathematics-I** of class **FE**, during academic year 2019-20. We believe that the same efforts will be continued to keep the students motivated.

Wishing you the same success in all your endeavors.

## Teaching Learning Feedback Analysis Report (2018-19)

Feedback about teaching learning process has been collected offline and the response of the students is summarized for the following subjects. **Total Response: 33**

Sr.No	Name of the Subject	Avg. Response from the students	Suggestions from Students
1	Mechatronics	Good	Content and speed of teaching
2	Electromagnetic Theory	Good	Provide more assignments and Numerical
3	Digital Communication	Very Good	-
4	Broadband Communication System	Very Good	-
5	Electronics Devices and Circuits	Very Good	-
6	Data Structures and Algorithms	Good	Want more hands-on inputs & Practice session for the subject

### Graphical Analysis with Avg Values:

Department of Electronics and Telecommunication Engineering

## Action Taken Report on Feedback Teaching Learning

After this analysis has been done with these responses and students suggestion is given to the faculty members individually so that they can adopt few things mention above. Faculties with moderate/Poor response have been asked to take due care about teaching methodology and content. Faculties with good Response were appreciated. Head of the Department has taken improvement review for the above feedback analysis. It was observed that students need improvement in their language skills so Machine Learning with Python course is proposed in academic year 2018-19 to get more exposure.

Sr.No	Name of the Subject	Improvement
1	Electronic Product Design	Ok with Teaching Process.
2	Mechatronics	Ok with Teaching Process & Content
3	Electromagnetic Theory	Ok with Teaching Process.
4	Digital Communication	Ok with Teaching Process
5	Embedded System And RTOS	Ok with Teaching Process
6	Electronics Devices and Circuits	Ok with Teaching Process
7	Data Structures and Algorithms	Ok with Teaching Process & Content

### Feedback on Infrastructure Analysis Report (2018-19)

Feedback about Infrastructure has been collected from various stakeholders and it is summarized and analyses below

Sr.No	Name of the Stakeholder	Avg. Value	Avg. Response from the students	Suggestions from Students
1	Student	4	Very Good	Vending machine to be installed in washrooms
2	Alumni	3	Good	ICT based classroom are Suggested
3	Employer	4	Very Good	-
4	Teacher	5	Excellent	ICT based classroom, Computer Labs needs to be increased,
5	Parents	4	Very Good	-

### Graphical Analysis:

**BHARATI VIDYAPEETH'S  
COLLEGE OF ENGINEERING, LAVALE, PUNE 412 115.**

Recognized by AICTE, New Delhi & DTE Mumbai.

Affiliated to Savitribai Phule Pune University.

## Department of Electronics & Telecommunication Engineering

### Feedback by Teachers on Infrastructure (2018-19)

Sr. No.	Description	Very Poor	Poor	Good	Very Good	Excellent
		1	2	3	4	5
1.	Classroom and Teaching Space Quality Rating					✓
2.	Laboratories and research spaces available for academic and research activities				✓	
3	Library facilities and the availability of academic resources, including books, journals, and online databases				✓	
4.	Recreational facilities, including faculty lounges, common areas, and outdoor spaces?					✓
5.	Technology infrastructure, including internet connectivity, computer labs, and audio-visual equipment?				✓	

Suggestions:

Computer Labs needs to be increased.
