SESSION ON COMPETITIVE EXAMS

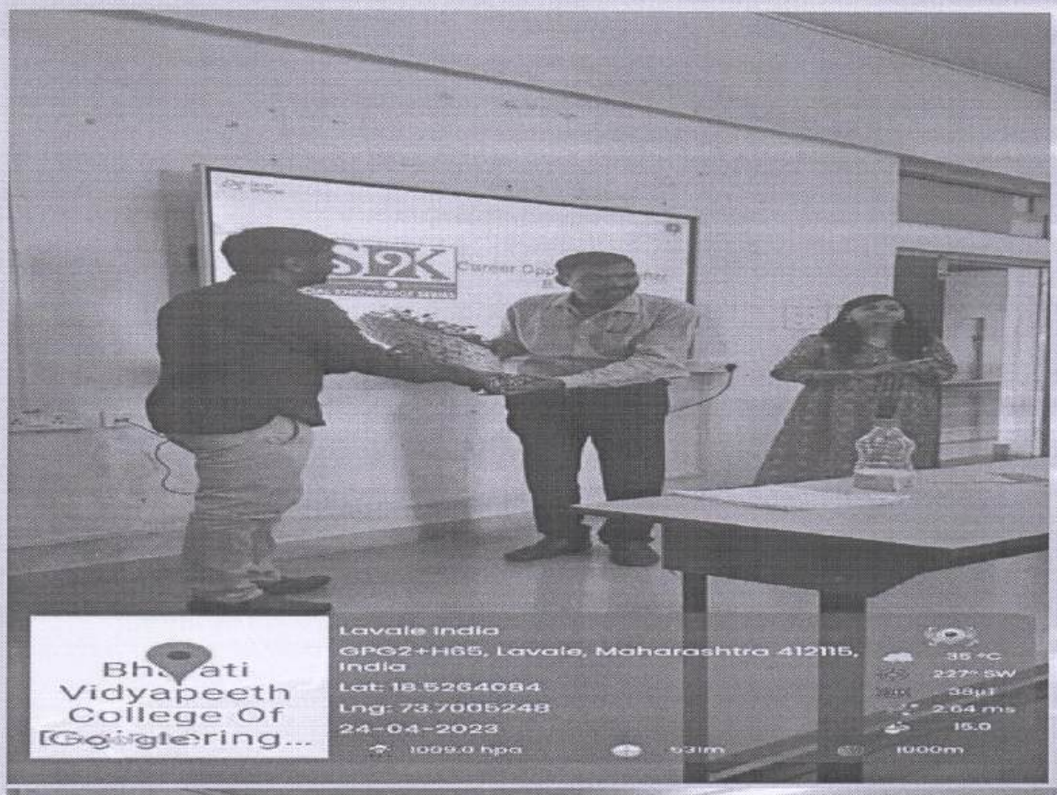

Department of Computer Engineering organized A Session On Competitive Exams by inviting Mr.Vangala Aditya Srinivas Faculty member at ACE Academy on 24.04.2023. Career Guidance helps students choose the right career path based on their educational and professional choices. It is a qualitative and quantitative assessment of the knowledge, skills, information, and experience to identify career options available. Competitive exams lays a solid foundation for various competitive recruitment exams. It covers key topics common to all competitive recruitment Exams. Participants develop insightful understanding of these exams and can make them into a potential career avenue leading to fulfilling careers immediately after their graduation. As most of the syllabus for these exams is common, students can appear for various exams. They can make brilliant, rewarding careers while serving the nation. This session helps students in various competitive entrance exams for government and corporate Jobs, etc. This preparation develops their command of the English language, reasoning ability, critical thinking and quantitative ability needed to succeed in numerous other careers.

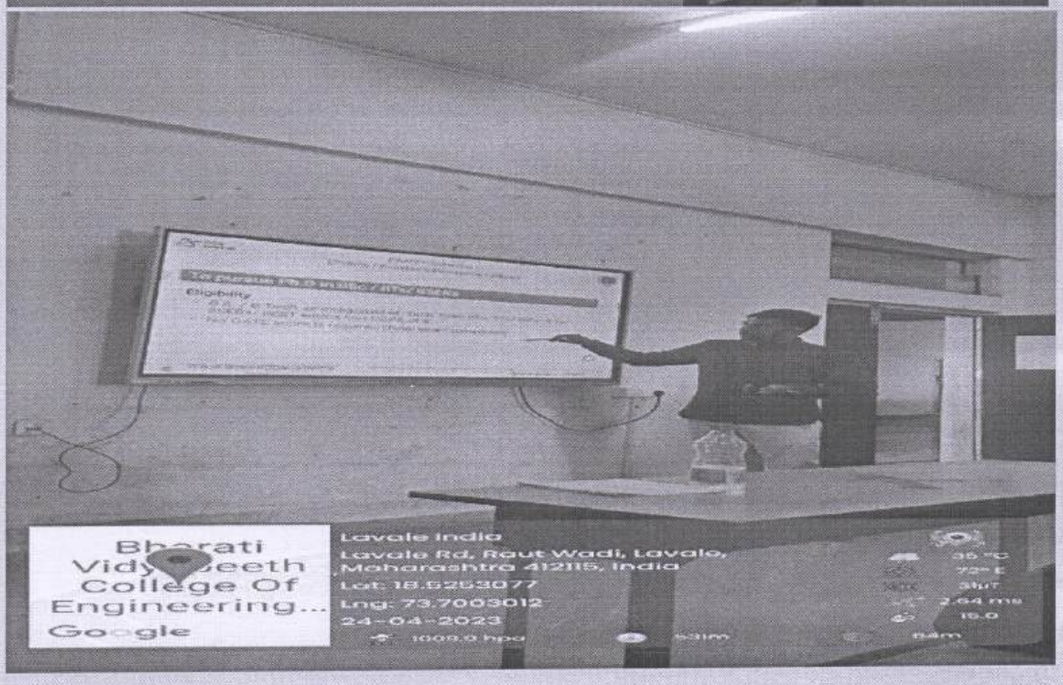

Students were made aware for various competitive examinations including those for banking, civil services and railways. The main objective of this session is to

motivate the students to participate in various competitive examinations, to create awareness about the various competitive exams available for the final year students. to prepare the students to face the challenges of the competitive exams.

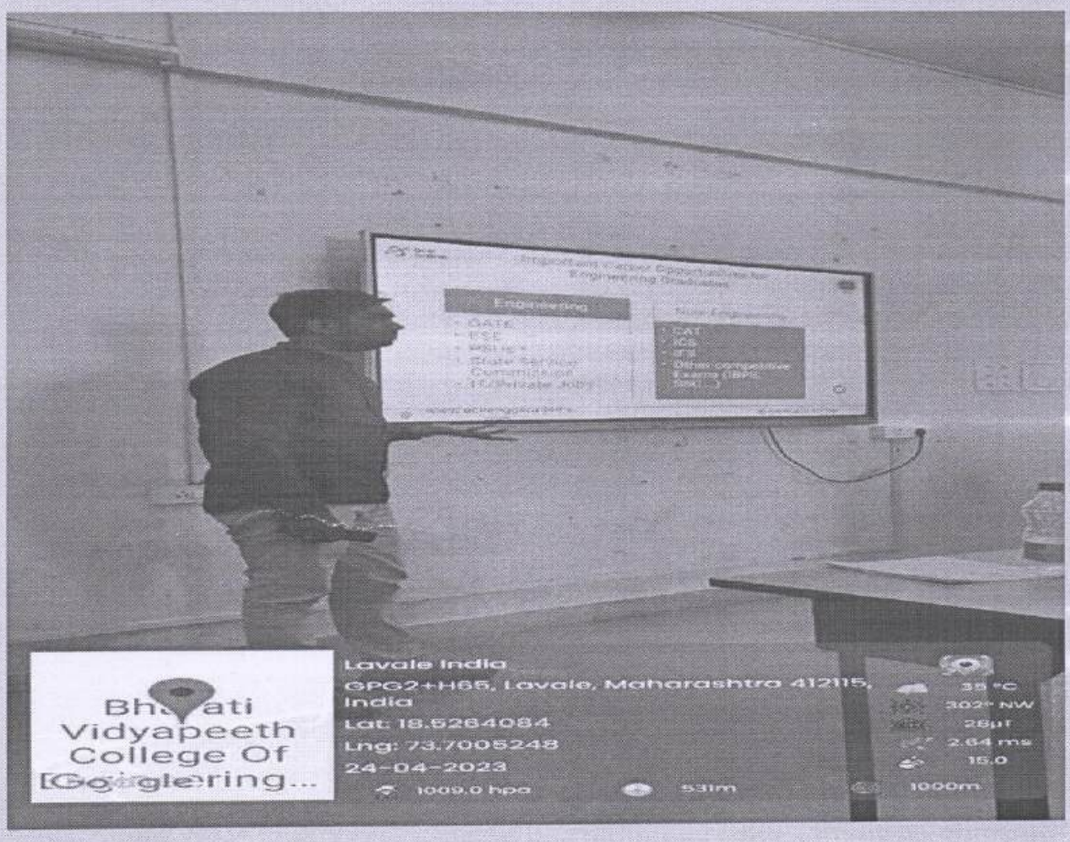

86 students participated in this session along with Department Faculties.

Entrepreneurship is often defined as the opportunistic pursuit of economic wealth by limited resources. Governments all over the world undertake many programs to boost entrepreneurial spirits amongst students – potential entrepreneurs. The benefits gained are significant such as: job creation, innovation and ultimately contribution to national economic wealth. At Bharati Vidyapeeth it is believed that the role and effect of education, including training, on entrepreneurial activities has been a major topic of discussion. Considering the future requirements and career scope, a session on **"Entrepreneurship skills, attitude and behaviour" was organized on 22.02.2022 at 2.30pm.**

Mr. Ashvani Shukla the Co-founder and CEO of Aeron Systems Pvt Ltd was the chief guest for the day. Sir explained what entrepreneurship means and what skills a person should have to become an entrepreneur. Also he elaborated how to develop an idea into a business and what things should be looked after when you become an entrepreneur or start your own business. Also he focused on how to target the customers and market, how to achieve targets, how to focus on problems and how solutions can come out of it. Risk and financial management were some points on which he briefed what is do be done when these cases occur.

Attitude and approach of looking towards a problem and providing probable solutions to it was another important topic of discussion. Why is an positive attitude necessary in growing up a business and how is it developed were some points which is stressed on. At last he explained what the budding engineers should do in order to acquire knowledge and utilise their time and ideas in developing it.

Overall the session was very interactive and students enjoyed it well. It was well organized by the team members of department of Electronics and telecommunication Prof.A.S.Pathak, Prof.L.B.Chaudhari under the guidance of Prof.A.B.Wani, HOD E&Tc, Dr.Nidhi Jain , E-cell head and Dr.R.N.Patil, Principal, BVCOEL,Pune.

Multipressure systems

- Limitations and drawbacks of simple vapour compression refrigeration cycle:-

1) The actual work of compression required would be much higher due to frictional heating.
2) The volumetric efficiency of the compressor decreases with an increase in pressure ratio.
3) The net refrigerating effect per kg of refrigerant is less.
4) Increased mass flow rate of refrigerant and hence increased size of evaporator and compressor.

COMPENSATION AND BENEFITS

BASIC SALARY

You will be eligible for a basic salary of **₹14,784/-** per month.

BOUQUET OF BENEFITS (BoB)

Bouquet of Benefits offers you the flexibility to design this part of your compensation within the defined framework, twice in a financial year. All the components will be disbursed on a monthly basis.

The components under Bouquet of Benefits are listed below. The amounts given here for each of the components below are as per pre-defined structure. However you may want to re-distribute the BoB amount between the components as per your tax plan, once you join TCSL. To design your Bouquet of Benefits, you may access the link to BoB in the "Employee Self Service" link on "Ultimatix", the internal portal of TCSL. Taxation will be governed by the Income Tax rules. TCSL will be deducting tax at source as per income tax guidelines.

1. **House Rent Allowance (HRA)**
   Your HRA will be **₹5,914/-** per month. While restructuring your BoB amount to various components, it is mandatory that at least 5% of monthly basic pay be allocated towards HRA.

2. **Leave Travel Allowance**
   You will be eligible for annual Leave Travel Allowance which is equivalent to one month's basic salary or a pro-rata amount in case you join during the financial year. This will be disbursed on a monthly basis along with the monthly salary. To avail income tax benefits, you need to apply for a minimum of three days of leave and submit supporting travel documents.

3. **Food Card**
   You will be eligible for a Food Card. It can be used to purchase food items at all domestic VISA enabled restaurants and fast food restaurants including TCS cafeterias.As per the Pre-Defined structure you will be eligible for a Food Card with an amount of **₹500/-** being credited to this card per month. However you may want to re-distribute the BoB amount between the components as per your tax plan, once you join TCSL.

2. Working Hours

Working hours are generally 9 hours a day, 5 days a week. Your position may require that you work additional hours including night hours, as may be necessary for effective performance of your duties. It is acknowledged and agreed that part of the remuneration paid to you is in consideration for your agreement to these terms, and you shall not be entitled to receive additional remuneration for work performed during such hours.

3. Employee Undertakings

(a) Performance and Duties. You shall diligently, skillfully and faithfully perform your position with Amdocs. You shall devote your full time and attention to the performance of all duties consistent with your position, and such other duties, as may be assigned to you from time to time, according to Amdocs' business needs. Amdocs may vary your position in accordance with its organizational needs, and may transfer or assign you to any affiliates, departments or subsidiaries of Amdocs, in any other location in India, or to any third parties. Such assignment will be subject to Amdocs policies, as in effect at such time.

(b) Restrictive covenants. As a condition to your employment, you shall execute and comply with the terms of the Confidentiality, IP Assignment, Non-Competition and Non-Solicitation Agreement, attached as Exhibit A. The provisions of such undertaking shall survive the termination of this agreement for any reason.

(c) Amdocs Policies. You shall abide by Amdocs global and local policies, as in effect from time to time, including Amdocs Code of Ethics and Business Conduct, Data Privacy Policy and Information Security policies. You further acknowledge that it is Amdocs' policy to provide an environment that is free of unlawful harassment and discrimination of any kind. As such, you shall not engage in any such unlawful behavior, and shall notify Amdocs of any facts that constitute such unlawful behavior.

(d) Data Protection. You confirm that you have read and understood Amdocs' Data Protection Policy, a copy of which is available on Amdocs portal. By signing this agreement you expressly consent to the fact that Amdocs (and as required, any of its affiliated entities or their duly authorized agents and employees) may hold and process, both electronically and manually, the data (including personal sensitive data and information contained in e-mail and attachments to email) they collect, store and/or process which relates to you for the purpose of the administration of their employees and business and compliance with applicable laws, procedures and regulations. You understand that it may also be necessary, and expressly agree that Amdocs and/or any of its affiliated entities will share personal data to competent authorities (including tax authorities), third party service providers, future employers and potential buyers of Amdocs or businesses, accounting, auditors, lawyers and other external advisors or vendors, whether they are located in your country of employment or in other countries, to other offices it may have or to another affiliated entity outside your country of employment where such a company has offices for storage and processing.

(e) Additional Engagement. You shall not engage in any other employment or business activities in any capacity (with or without compensation), unless you receive applicable approvals according to Amdocs Code of Ethics and Business Conduct, and subject to the terms of such approvals.

(f) Representations. You shall not make any representations or undertake commitments on behalf of Amdocs, except as expressly authorized to do so.

(g) Non-Disparagement. During and after the term of your employment, you will not make any false, defamatory or disparaging statements about Amdocs, its employees, officers or directors.

(h) No Restrictions. You acknowledge that (i) there are no undertakings preventing or restricting you from entering into this agreement and performing your duties and obligations hereunder; and (ii) you are not violating any right of former employers, or in breach of any of your obligations towards former employers.

(i) Supporting Documents. You undertake to submit the following documents to Amdocs along with the acceptance of this agreement: (i) Four passport size photographs; (ii) Copy of Passport; (iii) Copy of PAN Card (if applicable); (iv) Copy of Aadhaar Card; (v) Copies of education qualifications certificates; (vi) Copies of previous employers' relieving letter and experience letter.

(j) Confidentiality of this Agreement. You shall treat this agreement as strictly confidential and not disclose its content to any person without Amdocs' prior written approval.

4. End of Employment

(a) The first **one year** of your employment are considered a probation period. Amdocs reserves the right to extend your probation period beyond this initial term. During the probation period, Amdocs may terminate your employment upon **30 days'** prior notice.

(b) Each party may terminate this agreement at any time by giving the other party a **90 days'** prior written notice. During the notice period, you shall continue to perform your position and attend work, and perform any additional handover and other duties, as instructed.

(c) If you resign and wish to leave your employment prior to the completion of your notice period, you must ask for Amdocs' approval, considering it may negatively impact Amdocs' work continuity and/or cause damage to Amdocs and/r its customer relationships. If you leave early without seeking such approval, or despite the fact that an approval was not granted, you shall reimburse to Amdocs an amount equivalent to your salary for the unexpired portion of the notice period, and by signing herein you irrevocably authorize Amdocs to offset or deduct such amount against any amounts owed to you by Amdocs.

(d) Amdocs reserves the right to (i) terminate your employment by paying you the equivalent of all or part of the prior notice period in lieu thereof; or (ii) instruct you not to attend work during the prior notice period or any part thereof.

(e) Notwithstanding the above, Amdocs may terminate your employment with immediate effect, without notice or salary in lieu thereof, for any misconduct in your part, including but not limited to the following:

i. Disloyalty, dishonesty, misrepresentation or breach of integrity;

ii. Embezzlement, misappropriation, misuse or causing damage to Amdocs property;

iii. Indiscipline, disobedience, irregular attendance, absconding;

iv. Negligence of duty;

v. Breach of confidentiality;

vi. Conviction of criminal offence;

vii. Any act constituting misconduct per Amdocs policies, including the Code of Ethics and Business Conduct, and any other act upon which dismissal due to misconduct may be justified.

(f) Amdocs may suspend your employment at any point, including while investigating an alleged misconduct.

(g) Upon termination of your employment for any reason whatsoever, or at Amdocs' request, you shall immediately return to Amdocs any documents, materials, credit cards, equipment, laptop, computer hardware and software, keys, access codes, access badges, and any other Amdocs' property or its clients' which may be in your possession, including any Confidential Information (as defined in Exhibit A).

(h) Acknowledging that Amdocs covers the relocation costs of you and your immediate family, in the event you resign, or your employment is terminated due to your misconduct, prior to the end of one year of employment as of your Start Date, you shall reimburse Amdocs for the proportional amount of the

relocation costs. Further, Amdocs may offset such amount against any amounts due to you upon termination of your employment.

(i) You will automatically retire from Amdocs upon reaching the age of **60 (sixty)** years. An extension may be given at Amdocs' discretion.

5. Miscellaneous and Additional Conditions

(a) Work Permit. Your employment with Amdocs is conditioned upon (i) you being granted or are already holding applicable work permit/visa, and (ii) such work permit / visa remaining valid throughout the Term. In the event such work permit/visa is expired, your employment shall automatically terminate effective such expiration. You are required to immediately inform Amdocs upon any change/anticipated change in your work permit/visa. You agree to coordinate with Amdocs before approaching or providing information to any governmental immigration authority in connection with your employment with Amdocs. You shall be solely responsible for all work permits/visa and any immigration related compliance, for you and your family members (if relevant) and hereby guarantee that you and your family shall immediately leave India prior to the expiry of your permits/visas.

(b) Monitoring. To ensure regulatory compliance and for the protection of its employees, customers and business, Amdocs reserves the right to monitor, intercept, review and access your telephone log, internet usage, voicemail, e-mail, and other communication facilities provided by Amdocs, which you may use during your employment. Amdocs shall use this right of access reasonably, and in accordance with applicable laws; as such, all communications and activities on Amdocs equipment or premises cannot be presumed private.

(c) Background Checks. Your employment is conditioned upon receipt by Amdocs of satisfactory references, applicable background checks and information and documents provided by you to Amdocs. Amdocs reserves the right to retract or terminate your employment even after its commencement, in the event that your references or background checks do not prove to be satisfactory, or if it is discovered that the information you provided to Amdocs was false or inaccurate.

(d) Entire Agreement. The terms and conditions of your employment as provided herein supersede all prior written or verbal agreements or understandings between you and Amdocs. No provision of this agreement may be modified, unless agreed in writing by both parties. This agreement is an individual employment agreement, and no collective bargaining agreement shall apply with respect to the relationship between the parties.

(e) Offset. Amdocs reserves the right to offset any amount you owe Amdocs against any amounts owed to you by Amdocs. Upon termination of your employment, all such amounts shall be due immediately. Your signature herein is an irrevocably authorization for such offset.

(f) Severability. If any of the restrictions or obligations herein are deemed by a court of competent jurisdiction to be invalid or unenforceable, then the scope of such restriction or obligation shall be limited to the maximum limit permitted by law, and such restrictions or obligations shall be severable, and shall not affect the validity or enforceability of other terms and conditions entered into.

(g) Governing Law and Jurisdiction. This agreement shall be governed, construed, interpreted, and enforced in accordance with the laws of **Pune**. You and Amdocs hereby irrevocably submit to the exclusive jurisdiction of the competent courts in **Pune** and waive any objection to such proceedings on grounds of venue or inconvenient forum.

Please indicate your acceptance of this offer by signing below and returning the original letter to the HR Department within 15 days of the date of this offer. If you will not do so within the prescribed time, this offer shall be withdrawn.

If you have any questions or would like to discuss the terms and conditions of this offer, please feel free to get in touch with **Ambika Hugar**.

We take this opportunity to wish you success during your employment with Amdocs.

Sincerely,

Amdocs Development Centre India LLP. **Date: 7/7/2023**

I, the undersigned, **Rajdeep Sandeep Korpe**, acknowledge that I have been provided with a copy of this agreement before signing it, and have been allowed sufficient time to review it and seek clarifications.
I have read this agreement carefully and confirm my understating of, and my full compliance with, its terms.
I confirm that I was not subject to duress or undue influence of any kind, while executing this agreement.
I confirm that I voluntarily, and on my own free will, accept the terms of this agreement and commit to comply with them.

Report

"Success Story – The Drive to Never Give Up!"

Webinar No.33 – Mr. Nitinkumar Deore

On the 26th of June2021 a Webinar was held by the Department of Computer Engineering for the students. The topic was "Success Story – The Drive to Never Give Up!" the session was organised by the support of Hon. Principal Dr.R.N.Patil along with the HOD of Computer Dept. Prof.U.C.Patkar. The Guest of Honour was Mr. Nitinkumar Deore, who was hosted by Huzaif Mujawar (BE).

The webinar was very informative, and the students and faculty members attended with full enthusiasm. It started with a brief introduction of the guest, followed by his presentation. Some of the key points put forward by the guest was the importance and how to prepare for various competitive exams. Finally, towards the end of the webinar, a QnA session was taken which turned out to be a very interactive and almost all the quires or doubts put forward by the attendees were solved by our guest. The session was then eventually concluded by a Vote of Thanks, given by Prof P.J. Chate.

Overall, the webinar was a huge success in terms of sharing of knowledge and experience. The recording of the webinar was also posted on YouTube on the official channel BVCOEL Pune for everyone to benefit from it.

Dear Rutuja Hiwase,

With reference to your interview conducted by us, we are pleased to inform that you have been shortlisted for the position of **Analyst** and **A4** with **Capgemini Technology Services India Limited** (hereinafter referred to as"Capgemini").

In this regard, we are proposing compensation package and benefits, the details of which are set forth in **Annexure 1** to this letter.

The final Employment Offer Letter shall be subject to your successful completion of all curricular requirements as laid down by the University/ Institute for award of the degree/ diploma and the minimum passing percentage/ grade/ rank/ class as determined by Capgemini.

The location of your initial reporting and training and the date of your joining would be communicated to you in due course of time post successful completion of your pre-joining trainings and final semester degree/ diploma examination.

The date of joining and the location of posting will be purely based on business requirements of Capgemini. Capgemini solely reserves the right to make any changes to the date of joining and the location of posting during the course of your training and employment with Capgemini.

Upon accepting this LOI, you will be provided access to the ADAPT (Accelerated Digital Aid for Pre-onboarding Talent) eLearning platform which allows you to learn and master the concepts and skills required to be industry ready. The learning will be a self-paced journey inclusive of assignments, assessments and webinars as deemed appropriate by Capgemini and the successful completion of the same is a prerequisite for joining Capgemini.

It is very essential that you effectively leverage this platform to complete the courses and clear the assignments and assessments. The progress made by you in this learning journey would not only help you in getting on-boarded on priority but also help you to be trained for advanced skills relevant to your career at Capgemini. We also encourage you to learn beyond the prescribed course curriculum and acquire industry recognized certifications to accelerate your career in this competitive industry.

Upon joining Capgemini,

1. You are expected to enter into an employment agreement with Capgemini which shall contain details including the scope, terms and conditions of your employment and the contractual obligation with Capgemini.
2. You will be on probation for a period of six months from your date of joining and subject to satisfactory performance your employment will be confirmed (vide written confirmation) at the end of six months.
3. During your probation you may be required to undergo classroom trainings for such duration as deemed necessary by Capgemini and your performance will be evaluated periodically during such training period

Capgemini reserves the right to decide the continuance of your further training and your employment depending on your performance in its opinion.

The terms of this Letter of Intent shall remain confidential and are not to be disclosed to any third party.

You may note that this letter should neither be construed as an offer of employment from Capgemini nor should it in any manner confirm our intent to make you an offer of employment. We may, at any time, at our discretion, revoke this Letter of Intent.

We would request you to go through the above terms, and let us know if they are acceptable to you, within seven days of the issuance of this letter.

We look forward to hearing from you. Should you have any query, please do not hesitate to contact fresherhiring.in@capgemini.com, please ensure below format of email subject -

JOURNEY OF Ms. PURVA POHEKAR FROM ENGINEERING TO IAF

Bharati Vidyapeeth's College of Engineering, Lavale, Pune's, in association with competitive exam sales, organized the interactive session with Ms. Purva Pohekar under coordination of Prof. Ajay Katakar Sir (TNP Department), Prof. Neeraj Gangurde Sir (Department of Civil Engineering), Dr. R. N. Patil (Principal).The session was organized for all students of the college. The session was held on the Teams App. The session was held for the celebration as well as for glorifying the legacy of our alumini students of their placements. The success story of **Ms. Purva Pohekar** alumini of mechanical department batch 2021, who cracked **CDS** and **AFCAT** and has been posted as flying officer (after 52 weeks training). This session was held on 13 Nov 2021 at 11 pm. She was interviewed by Ms. Gargi Bijwe. Videos were shown during the session of successful women in IAF. The students were asked to ask their questions. The vote of thanks was given by Ms. Yashashree Patil.

I. INTRODUCTION

Ms. Purva Pohekar 2021 Alumini of Mechanical Engineering Department. Ms. Purva Pohekar along with her parents made all of our college feel proud with her allotment for the position of "Flying Officer" in the Indian Air Force. She has completed her schooling from Kendriya Vidyalaya, OFV and her 12th from YMC, Erandwane. Ms. Purva Pohekar has given the Combined Defence Service i.e. CDS examination which is being conducted by UPSC. She also appeared for AFCAT i.e. Air Force Common Examination Test. She achieved very well in both the examinations. Now she has been recommended for Sashastra Seema Bal. With a 52 weeks training she will serve as Flying Officer in Indian Air Force where she will be the technical head.

The Motto of the Air Force of India is "Touch the Sky with Glory".

It is taken from the eleventh part of the Gita, the discourse given by Lord Krishna to Arjuna on the war zone Kurushetra during the Great War of Mahabharata and Ms. Purva you touched the skies.

II. DETAILS ABOUT CDS AND AFCAT

1. How many times the CDS exam is conducted in a year?

➔ The CDS exam is conducted twice a year.

2. What does CDS exam include in it's syllabus?

➔ Some of the important topics in three sections include:

a) English- Antonyms, Synonyms, Spotting Errors, Compression, etc

b) General knowledge- Economics, Politics, History, Geography, Physics, Chemistry, Biology, Current Awareness, etc.

3. What is the selection process for CDS?

➔ Written test and the SSB interview.

4. How the SSB interview is conducted?

➔In SSB interview they test your intelligence, personality, and psychological aptitude.

- **CDS Interview** is a 5- day process that involves intense scrutinization of candidates covering all major aspects of the overall personality.
- Candidates are judged physically, mentally and psychologically as well.
- The officer intelligence rating and PPDT is a 1 day program. Candidates are scrutinized for their verbal and non-verbal abilities.

5. What is PPDT?

➔Picture Perception and Description Test-
This section of stage 1 CDS Interview is quite challenging since it examines candidates memory retention along with the abilities to comprehend situations. The candidates are given 30 seconds to observe a hazy picture and expound on it within 3 minutes.

6. How did you prepare for AFCAT exam?

➔I went through the syllabus of the AFCAT and segregated the topics on the basis of my aptitude and prepared for them as per the priority.

7. What are the differences between the SSB pattern of the AFCAT and other entries?

➔The selection criteria is same. But few entries like CDS and NDA provide one- day accommodation to the candidates. Whereas one extra free day after GTO is provided in the AFCAT SSB.

"AN INNOVATIVE B.E. PROJECT IDEAS AND THEIR IMPACTS"

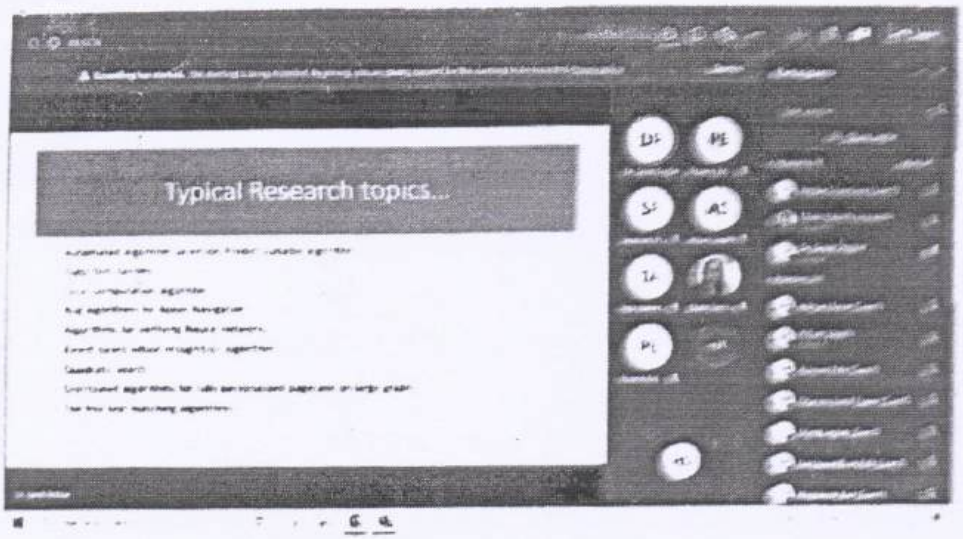

Webinar by Dr. Girish Potdar

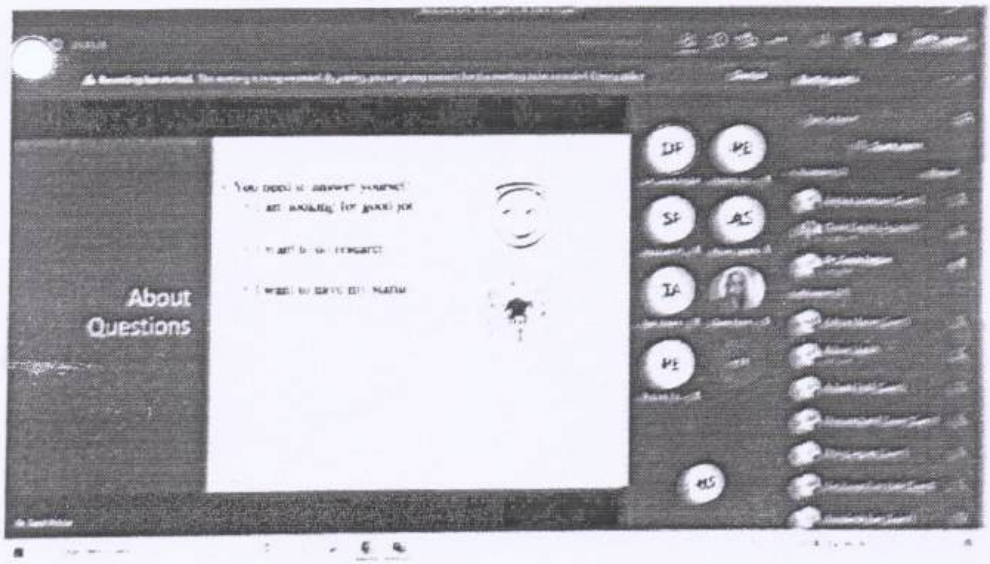

""Operations keeps the lights on, strategy provides a light at the end of the tunnel, but project management is the train engine that moves the organization forward."

The Computer Engineering Department conducted a webinar on "B.E. PROJECTS AND THEIR IMPACT" on 14th January 2022. The guest of honour was Dr. Girish Potdar and the program was hosted by Hritika Srivastava. The webinar was very informative where Dr. Potdar explained the importance of B.E Projects and its impact throughout professional life to BE Students as well as the upcoming future final year students that is second- & third-year students. The best part of this session was his experience which in turned everybody with a thoughtful process to get up with an idea and start implementing it with a planned-out way. The best lines spoken by him were "If you have an idea and for some reason, you're not able to implement it, try to replace those reasons with innovative plans, and then act on them. The more innovative plans you have the more success and fortune life will lead your way and results are bound to be positive sooner or later."

Dr. Potdar an extremely friendly guest made the session an interactive one where the students came up with lots of questions and almost all the quires or doubts put forward were solved by him. The webinar ended with a wonderful vote of thanks by Prof. Parinita Chate.

Overall, the webinar was a huge success in terms of sharing of knowledge and experience. The recording of the webinar was also posted on YouTube on the official channel BVCOE Pune for everyone to benefit from it

ON

"Entrepreneurship as a Career Path"

Department of Computer Engineering, Bharati Vidyapeeth's College of Engineering Lavale, Pune, aims to explodeinnovative thinking in the students and faculties. The department hopes to achieve this by conducting stimulating guest lectures, workshops and interactive sessions with eminent personalities and experts from various domains.

Department of Computer Engineering, BVCOEL Pune has organized webinar on **"Entrepreneurship as a Career Path"** to motivate faculties and students to inherit some valuable knowledge from the guest of the event. The event was scheduled on 28thOctober 2021 at 11:00a.m. and conductedon Microsoft Teams platform. The event was started withwarm welcome of guest of honorProf. Yogesh Brahmankar and Prof. Ismail Akbani. Both the speakers of the webinarare affiliated to Symbiosis Centre for Entrepreneurship & Innovation (SCEI) Pune.

Prof. Yogesh Brahmankaris CEO of SCEI (Symbiosis Centre for Entrepreneurship and innovation), and aProgramme Evangelist for MBA (I&E) programme at SIBM Pune which is a unique and firstof its kind programme in India.Mr.YogeshBrahmankar is an Entrepreneurship Educator and Trainer, Mentor in the Field ofInnovation, Entrepreneurship and Operational Excellence. He is also TRIZ- Level-I certifiedprofessional and master trainer for Start-ups.

Prof. Ismail Akbani is associated with Symbiosis Centre for Entrepreneurship & Innovation (SCEI) as Head - Innovation & Linkages. He is also a faculty member in Mechanical Engineering and Head of the Entrepreneurship Cell at Symbiosis Institute of Technology (SIT).Prof. Ismail has received multiple grants amounting to a total of over ₹ 5,00,000/- from DST, Govt. of India, to conduct entrepreneurship training programmes for students, faculty (FDPs) and aspiring women entrepreneurs (WEDP). For his contribution towards promoting the spirit of entrepreneurship among youth, he was honored with the Most Influential Person of India Award in Entrepreneurial Leadership category by HT M Foundation.

Around 160participants including students and faculty members participated enthusiastically in this program. The guest speaker Yogesh sir put insights on how to work on new or innovative ideas and Ismile sir discussed about entrepreneurial thinking process and keys to develop entrepreneurial mindsetin detail. The session was interactive one and it was concluded on a very high note with a Q&A session.

BHARATI VIDYAPEETH'S COLLEGE OF ENGINEERINGLAVALE, PUNE-412115

The event was well organized by the Department of Computer Engineering, BVCOEL Pune. The webinar was coordinated by Prof.Prajakta Pawar along with the immense support of Head of the Department Prof.U.C.Patkar. All faculty members gave their valuable time in arranging and motivating students to attend this event. Overall, the event was a great success. The knowledge of the guest speakers in all the aspects was beyond expectations.

on

"Internship Awareness and Opportunities"

The Department of Computer Engineering, Bharati Vidyapeeth's College of Engineering Lavale, Pune, conducted a Webinar on "**Internship Awareness and Opportunities" on 29th June 2021** from 3.pm to 4 pm. The topic was "Internship Awareness and Opportunities", the session was organised by the support of H.O.D. of Computer Dept. Prof. U. C. Patkar. The Webinar was conducted by Prof. Megha A. Patil who works as Internship Coordinator for Department of Computer Engineering. The motive of this Session was to create Awareness about various opportunities available for Internships.

The webinar was very informative, and the students and faculty members attended with full enthusiasm. It started with a brief introduction of the guest, followed by his presentation. Finally, towards the end of the webinar, a Q&A session was taken which turned out to be a very interactive and almost all the quires or doubts put forward by the attendees were solved by our guest.

Overall, the webinar was a huge success in terms of sharing of knowledge and experience.

Notice

Machine Learning and Deep learning is the game changer for many industries since year 2020.Many of today's leading companies, such as Facebook, Google and Uber, make machine learning a central part of their operations.

Department of Computer Engineering has scheduled a Webinar on "**Introduction to Deep Learning and its applications**" to learn the detailed applications of Deep Learning and the different project ideas which can be done by using Deep Learning techniques for all S.E., T.E. & B.E. Students.

All the Students are here by informed to join the Webinar session as per the following details:

Webinar Day & Date Friday 18/6/2021
Webinar Time 11.00 am to 12.00 pm
Participants All S.E., T.E. & B.E. Students
Webinar Link http://bit.ly/dl-intro2021

All are requested to join five minutes prior to start the session i.e. 10.55 am

INTRODUCTION

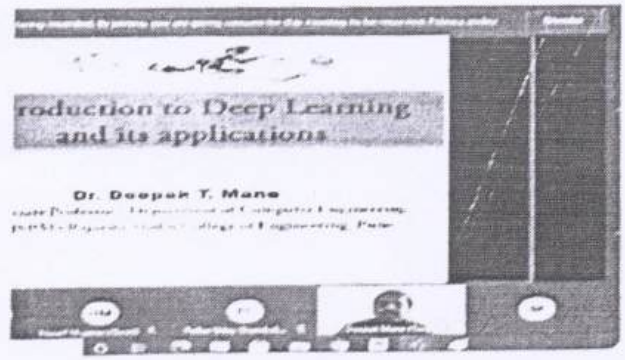

Machine Learning and Deep learning is the game-changer for many industries since year 2020. Many of today's leading companies, such as Facebook, Google and Uber, make machine learning a central part of their operations.

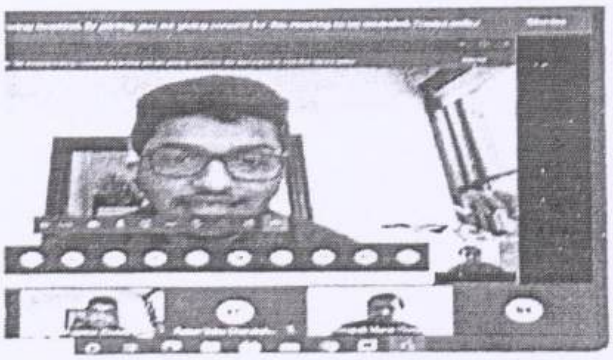

Department of Computer Engineering were scheduled a Webinar on "**Introduction to Deep Learning and its applications**" to learn the techniques and creativity on "how to use the respective software with artistic sense by Frameboxx2.0" for all S.E., T.E. & B.E. Students.

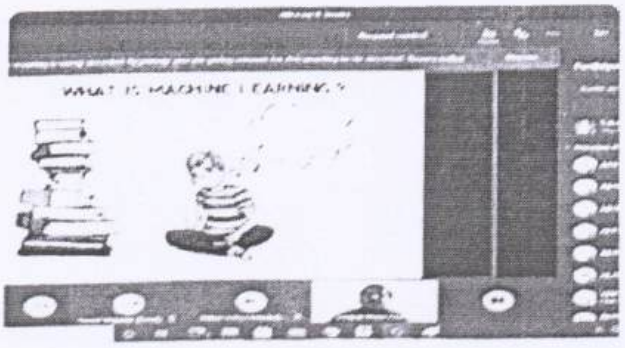

Session were conducted by **Dr. Deepak T. Mane**who is working as a professor at JSPM'S RSCOE Pune and guest introduction were done by **B.E. Student Mr. HuzaifMujawa**.Dr. Deepak T. Manewere elaborated about the Machine Learning Deep Learning their relations and how some one can solve a problem using Deep Learning concept and how algorithms are effective to solve a real time problem using Deep Neural network.

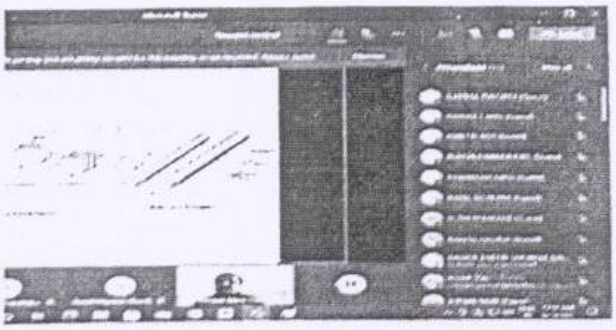

The program wasconducted in the Supervision of Prof. Kumkum Bala, Prof. P.P.Salunkheand Prof.U.C.PatkarH.O.D. It was greatly supported by all the Computer Department faculty memebers and our Principal Dr.R.N.Patil sir.Session were hosted by third year student Mr. HuzaifMujawar and at the end vote of thanks were presented by him.Session were organized properly by the Coordinator Faculty members as well as students.There were total 96 students present for this session.

Conclusion

Department of Computer Engineering, BVCOEL is thankful to Dr. Deepak T. Mane for proving such a knowledgefulsession on the Deep learning and why it is popular now a days by showing the different case studies.Students were very happy with the session and department of computer engineering will try to give more and more such kind of insights to the students which is helpful for them to shape their future.

BHARATI VIDYAPEETH'S COLLEGE OF ENGINEERING LAVALE, PUNE-412115

WEBINAR REPORT

ON

"Building a Product fit for Market"

The E-Cell of Bharati Vidyapeeth's College of Engineering Lavale, Pune, aims to explode innovative thinking in the students and faculties. The department hopes to achieve this by conducting stimulating guest lectures, workshops and interactive sessions with eminent personalities and experts from various domains.

Department of Computer Engineering, Bharati Vidyapeeth's College of Engineering, Lavale Pune has organized webinar on "Building a Product fit for Market" to motivate students to inherit some valuable knowledge from the guest of the event. The event was scheduled on Wednesday, 30th June 2021 at 1:00 p.m. and conducted on Microsoft Teams platform.

The speaker of the webinar Mr. Harshal Adarkar is founder at ShellCode Solutions Mumbai offering scalable IT services across the globe. They are having expertise in creating robust websites and applications and help small brands carve their path to success and help big brands maintain popularity via digital marketing. Mr. Harshal Adarkar is alumnus of BVCOEL Pune.

Around 70 participants including students and faculty members participated enthusiastically in this program. The guest speaker has delivered detailed information about software product development. The guest speaker put insights on the steps involved in product development and deployment of a set of features in a software product adapted to meet certain needs of a market. The session concluded on a very high note with a Q&A.

The event was well organized by the Department of Computer Engineering, BVCOEL, Pune. The event was coordinated by Prof.Prajakta Pawar along with the immense support of Head of the Department Prof.U.C.Patkar. All faculty members gave their valuable time in arranging and motivating students to attend this event. Overall, the event was a great success.

REPORT

How to prepare for UPSC/ MPSC and other Government Examinations

Bharati Vidyapeeth's College of Engineering, Lavale, Pune's Competitive Exam Cell, BVCOEL in association with The Unique Academy, Pune, has organized a Webinar On "HOW TO PREPARE FOR MPSC/UPSC AND OTHER COMPETITIVE EXAMINATIONS" under the co – ordination of Prof. Neeraj Gangurde (Dept. of Civil Engg.), and Convenor Dr. R. N. Patil (Principal). The session was organised for all the students and those who are aspiring for government and civil services examinations. This Webinar was announced on 22 April 2022 at 12:30 pm.

The Speaker of the program Mr. Nilesh Kondhalkar (Expert Faculty and Course Director at The Unique Academy). The speaker is Perceptive Educator with solid record of accomplishment in attaining and surpassing targets during 12- year career. He has been always stayed on top of trends in education to maintain modern, efficient systems meeting needs of diverse students. He has done their Bachelor of Science in Microbiology from Savitribai Phule Pune University, M.A in Economics from SPPU. He has also appeared for NET Exam in Economics conducted by UGC, Delhi. Currently sir is working at The Unique Academy, Pune as Expert Faculty and Course Director.

Now- a- days, students are mainly aspiring for Civil Services Examinations and other Government Examinations. But to appear for those aspirants should have a proper knowledge of everything including, how to prepare for the CSE's, course to be enrolled, stream to be choose, subjects to be selected, enrolment and process, etc. in this webinar the speaker cleared all such queries of the students regarding Preparation of Such Exams and their criteria.

UPSC i.e., Union Public Service Commission held at the central level and MPSC i.e., Maharashtra Public Service Commission conducted by the State of Maharashtra. By clearing these examinations with proper guidance and dedicated studies one can acquire a designated position in the government sector.

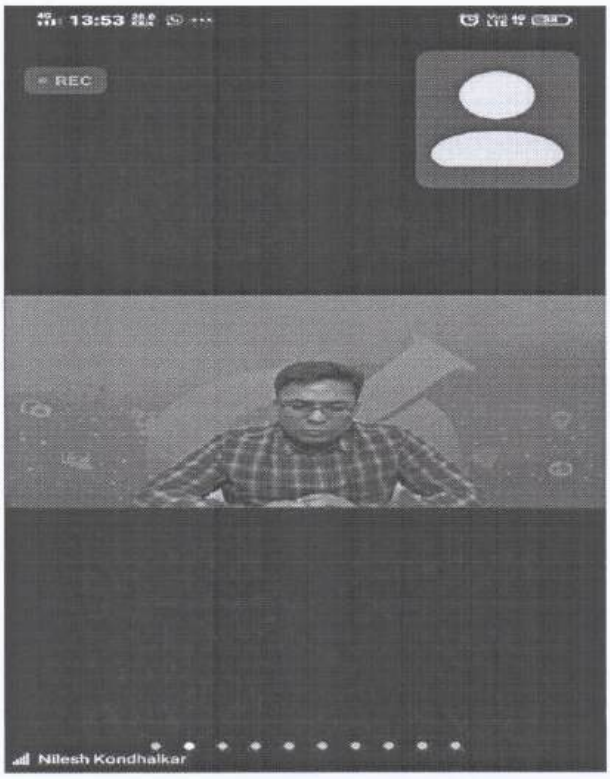

Sir told about the age criterion for the UPSC and MPSC Exams. There's slight difference between both the exams. But it is conducted as Prelims and Mains as Objective and Subjective respectively, followed by Interview. He told the list of subjects included for the preparation. What should be our study plan for the

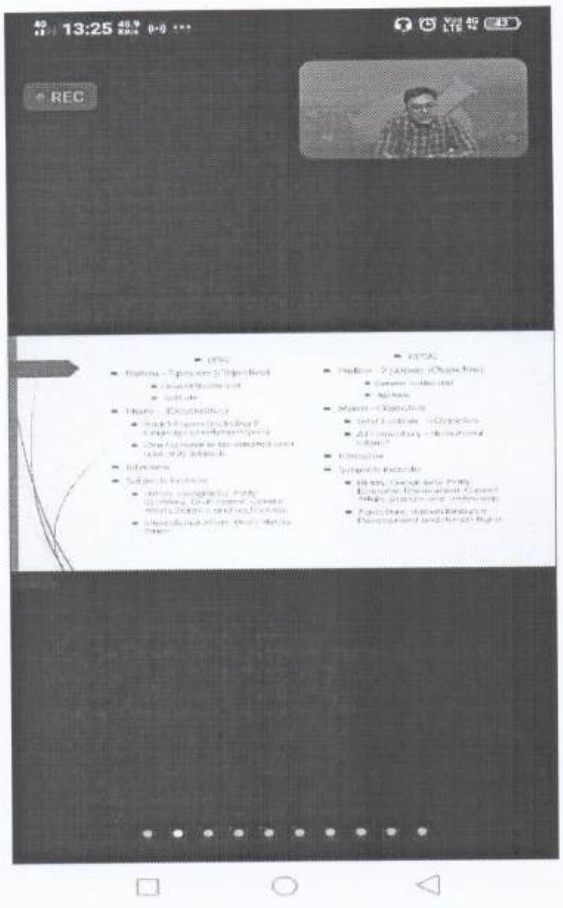

preparation, he explained that. Additionally, he talked about MBA and other Competitive Examinations. Which stream should the student choose? Sir differentiated between the Technical and Non- Technical exams students could appear. IES comes under Technical Exams, which can be prepared by Engineering Students (DRTO for Mechanical/ Automobile Engineering), Medical Officers can be selected from the Medical Field. So, the medical students can also prepare civil services examination. Architect and engineering students can appear for ATP which comes under MPSC.

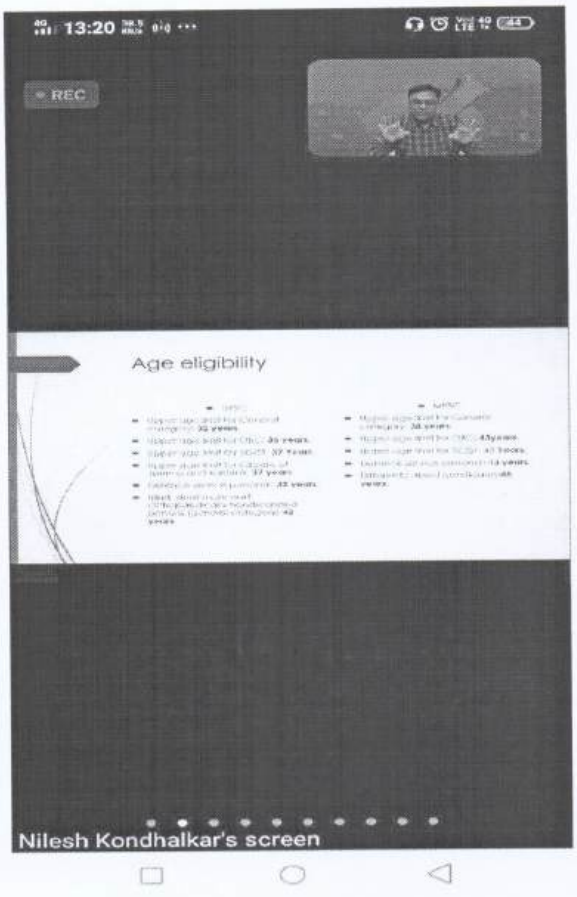

After sir's guidance the session was open for all to discuss their doubts or queries regarding Civil Services and other government examination. Many students along with teachers asked questions about the topics covered. Sir made everyone understand the importance of the preparation and appearing the examination.

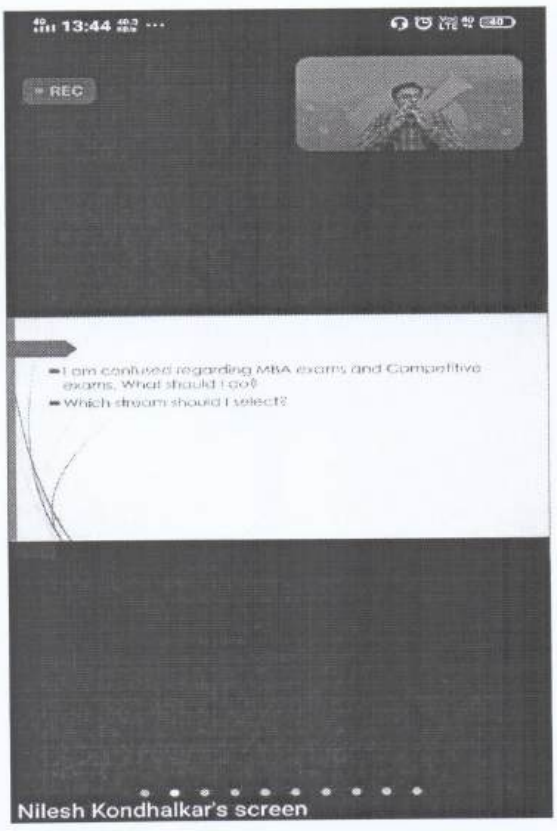

The Unique Academy, Pune has been always guiding the Students of Bharati Vidyapeeth. They always organize such webinars for the development of aspirants.

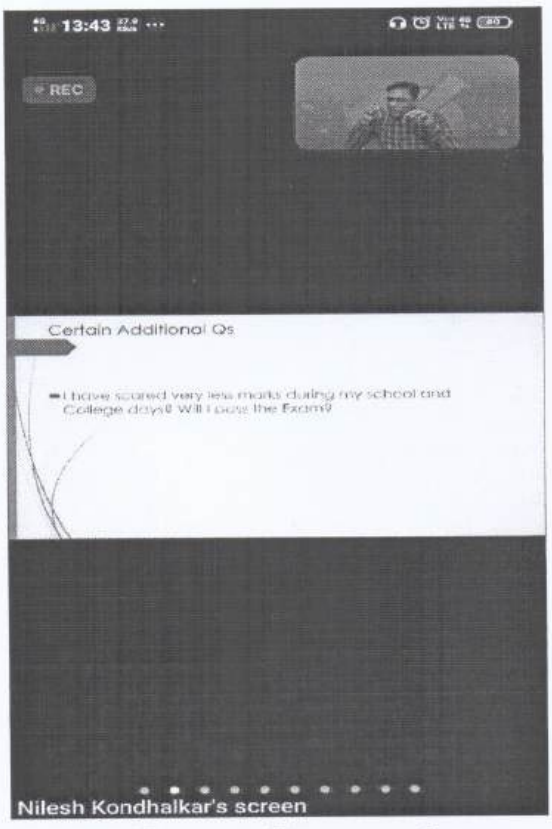

The Introductory Speech was given by Prof. Pratima Kadam Ma'am, the Occult Speech was delivered by Dr. R. N. Patil (Principal), Vote of Thanks was delivered by Prof. Neeraj Gangurde Sir. The Program was anchored by Miss. Gargi Bijwe.

Dear Sir,

Greeting from ***Bharati Vidyapeeth's College of Engineering, Lavale Pune!!!***

Bharati Vidyapeeth is a more than 50 Year-old acclaimed organization in the field of academics and research. Bharati Vidyapeeth a conglomerate of 180 institutes is parent organization of Bharati Vidyapeeth's College of Engineering, Lavale, Pune (BVCOELP) established in 2012 affiliated to Savitribai Phule Pune University.

Final Year students of Department of Mechanical Engineering, BVCOEL Pune will soon experience their placement drives which includes software and Mechanical Core Industries. We want our students to show their potential and passion which will provide best resources for Mechanical core and software Industry. In this context we feel that, being Mechanical Engineers ,students should aware about their role in Software Industries . I would like to specifically mention here that TCS will be the first company for our students for placements. Students are quite excited about TCS and its recruitment process as it is dream come true for them.

With your vast experience in this field and dedicated association with TCS, we take pleasure to invite you for a guest lecture on "Role & Career Aspect for a Mechanical Engineer in Software Industry". Our students need to hear from a mechanical engineer who build his successful career in a software giant like TCS. We are sure that this session will inspire our students and will not only help them towards their career goals but also will create passion in this field.

The tentative schedule of session given below

Topic : Role & Career aspect for a Mechanical Engineer in Software Industry
Date : 11/10/2020
Time : 6 P.M.(IST)
Venue : Bharati Vidyapeeths College of Engineering Lavale Pune
Mode : Online through Microsoft Team app
Audience : Final Year Mechanical Engineering Students

We would thereby request you to kindly support our endeavor.

Thanks and Regards,
Mr.N. N. Raut

Webinar Report

"Exploring Ways to Face Real Life Engineering Challenges"

Department of Mechanical Engineering of Bharati Vidyapeeth's College of Engineering, Lavale, Pune, has organized the webinar on **"Exploring Ways to Face Real Life Engineering Challenges",**on 13-March-2021 Saturday from 10:30am to 12:00noon. The webinar was conducted online by **Mr. Jayant V Khade, Deputy Superintending Engineer, WRD, Government Of Maharashtra,** in the presence of HOD of all branches or BVCOE, Lavale, faculty members and studentsof BVCOE, Lavale.

The speaker **Mr. Jayant V Khade** has explained that while problem-solving skills are regarded as critical for college students and much effort is put into developing college students' problem-solving skills, but such skills are still absent from college graduates.

Sir mentioned that one reason may be the misconception of problem-solving skills. Current problem-solving instruction assumes that learning to solve new problems is of utmost important and to achieve this goal instruction should mimic the problem-solving process. Also students will not perform equally in learning and produce different learning outcomes. The problem-solving instruction should be adapted to satisfy individual needs by taking account for these differences. At last he mentioned that young mind is being considered, as the most productive members of the society, due to their physical and

intellectual capability. But in real scenario, most of them are unable to utilize their potential in an appropriate way due to lack of guidance and motivation, and teachers and faculties can play important role in providing that guidance and motivation.

Total 114 participants were present for this webinar from BVCOE, LAvale

Report on ZensarPython Training

By

ManavBharatiya

From

7th January 2021 to 18th January 2021

CLASS: T.E Computer(SEM-II)

INTRODUCTION

As per MOU terms Zensar training phase III schedule were provided by both the parties and training started for Python in the allocated time period from 4 pm to 8 pm.It was total 10 days training Conducted online due to Covid-19 Pandamic.Details of trainer as well as start and end date mentioned below in the table.

College	Batch	Training on	Start End	End date	Days	Trainer Name
BVP Lavale	1	Python	7 January	18January	10	ManavBharatiya

The program wasconducted in the Supervision of Prof.A.A.Katkar T.P.O. prof. Kumkum Bala T.P.C. & Prof U.C.PatkarH.O.D. It was greatly supported by our Principal Dr.R.N.Patil sir.Each of the training session were organized properly by the Coordinator Faculty members as well as students.Every day the sessionwise attendance has been taken by us and overall attendance for the training was more than 80%.Zensar conducts Pre test as well as Post test on their server which helps them for final shortlisting of students for the placement. All the shortlisted students from the computer department given their consistent effort for each training and took advantage for learning the skills taught by the trainer of their respective topic.

Python training feedback has been collected by the students on Whatsapp.Sample Screen Shot of the training has been attached here with the report.

Conclusion

B.V.C.O.E. Lavale is thankful to Zensar Technologies for proving such a knowledful training on the recent technologies available in the market as well as the Aptitude and softskill which helps students to clear the online test for different placement drive .Zensar has opted the great initiative to bridge the gap between Industry and Academia.Students were very happy with the session and department of computer engineering will try to give more and more such kind of training to the students which is helpful for them to get their job and shape their future.

Report on Vodafone Foundation CSR Five Engagement Activities from

17th Sept. 2020 to 28th Sept. 2020

CLASS: S.E. , T.E. & B.E.(SEM-I)

INTRODUCTION

VODAFONE Foundation CSR Started five days training for Students from all branches of Bharati Vidyapeeth's College of Engineering Lavale, Pune virtually on the Microsoft Teams Platform.

Objective:

1. **Create and deploy chatbot with Watson Assistant:** Chatbot is an AI based software application that is used to simulate a conversation or chatting with a user in natural language, carried over messaging apps, Websites or a mobile app.

This bootcamp given an opportunity to learn this rapidly emerging technology by building a text based chatbot, by deploying a chatbot on social media platforms like Facebook or to put a chatbot on the own website or make money by building chatbots for clients through experiential learning with Watson assistant, Student's had learnt how to plan, build, test, analyze, and deploy a chatbot.

2. **Create and execute Python Code using Jupyter Notebook:** Python can be used to develop prototypes quickly because it is so easy to work with and read. Most automation, data mining, and big data platforms rely on Python. This is because it is the ideal language to work with for general purpose tasks. Python allows for a more productive coding environment than massive languages like C# and Java. After the training students can easily work with the python coding and they tend to stay more organized and productive.

Agenda of this training was to make familiar with the latest technologies with the real time case studies for all the students who is motivated to choose IT field as a career. It was total 5 days training on the following mentioned topic, date and time along with hands on session.

Session	Topic	Day & Date	Time	No. of Students Attended
Expert Talk1	Data Analytics (AI, ML, DL)	Thursday 17/9/20	4.00 pm to 5.00 pm	48
Bootcamp1	AI Based Chatbot creation and Hosting	Tuesday 22/9/20	4.00 pm to 7.00 pm	47
Expert Talk2	Deep Learning Applications and Opportunities	Thursday 24/9/20	3.30 pm to 6.30	34
Bootcamp2	NLP with Python	Friday 25/9/20	3.30 pm to 6.30	34
Python Code Contest	Python Code Contest	Monday 28/9/20	4.00 pm to 5.00 pm	25 Winner - **Shubham Bhavsar**

Training Outcomes:

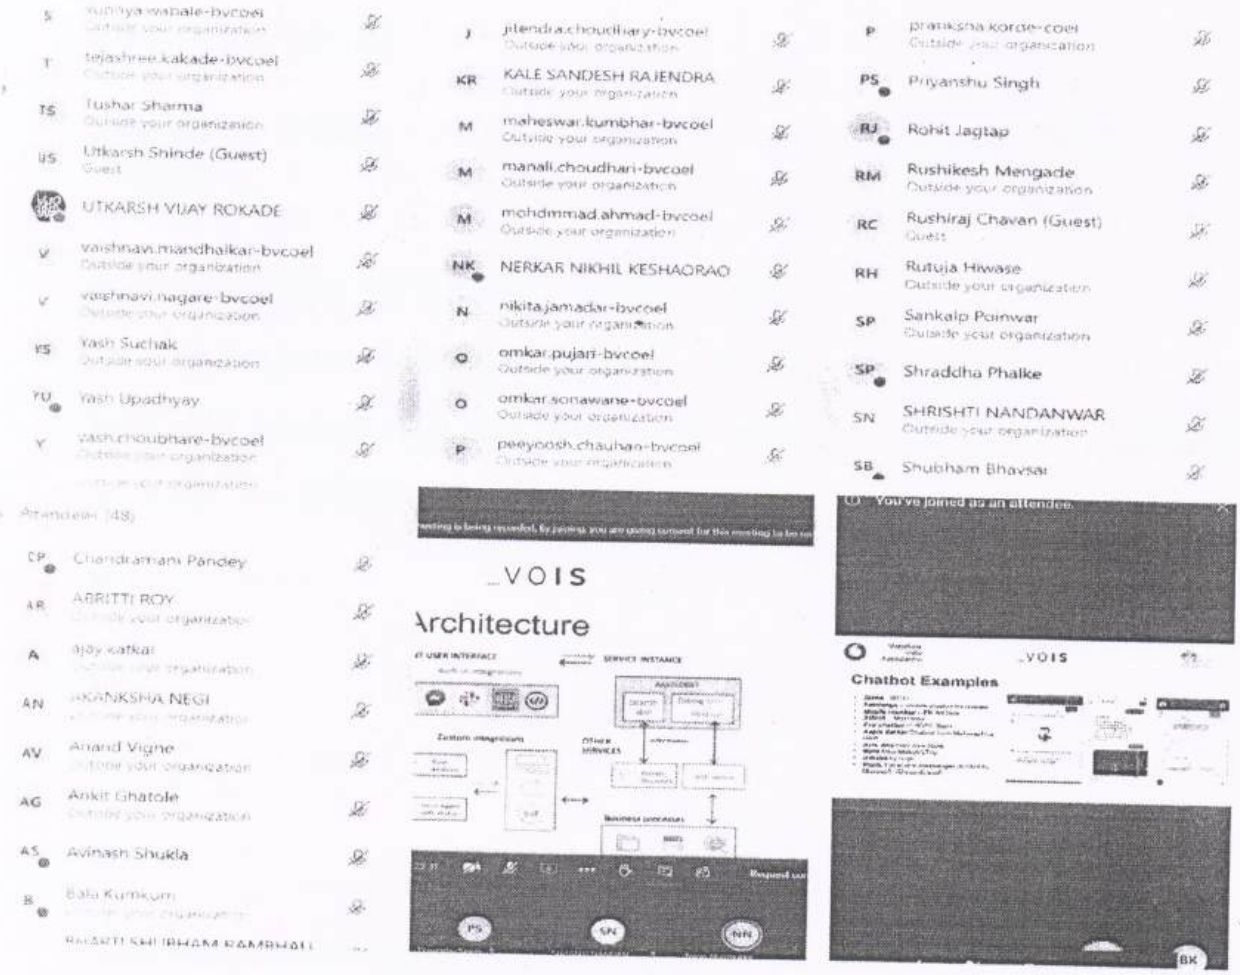

After successfully participating in this bootcamp learners have fair understanding of:

1. What is chatbot and chatbot applications
2. How to design a chatbot without the need to write any code

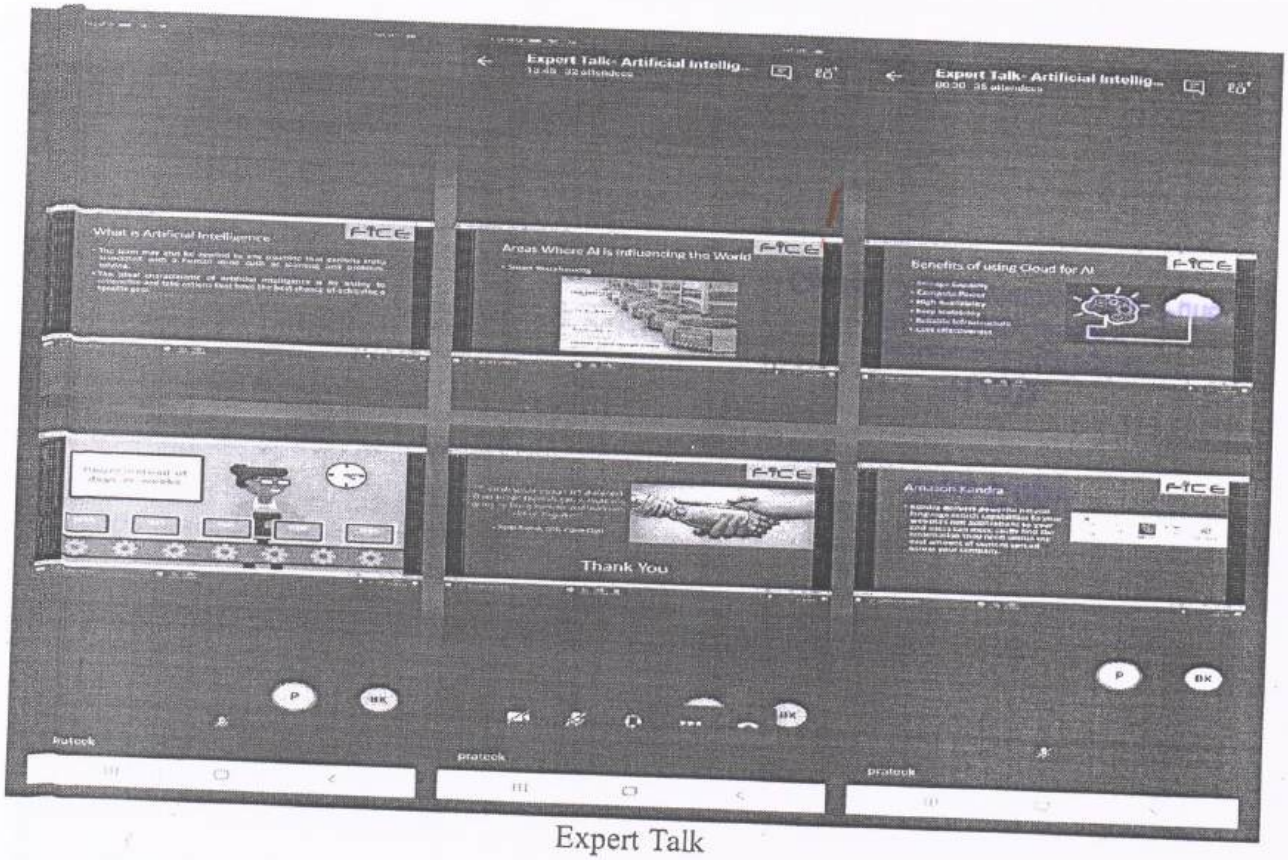

3. How to quickly deploy a chatbot
4. Deep Learning Applications and Opportunities
5. How to work with Jupyter Notebook for Python coding

The program was conducted in the Supervision of Prof. A. A. Katkar T.P.O. and TPC of all the four Department. It was greatly supported by our Principal Dr. R. N. Patil sir and all the department HOD.

Conclusion

B.V.C.O.E. Lavale is thankful to VODAFONE Foundation for proving such a knowledge training on the recent technologies along with the real time case studies. VODAFONE has opted the great initiative to bridge the gap between Industry and Academia. Students were very happy with the session and B.V.C.O.E.L. will try to give more and more such kind of training to the students which is helpful for them to get their job and shape their future.

Bharati Vidyapeeth's College of Engineering, Lavale, observed Engineers' Day on September 15, 2019, organized by the Mechanical Engineering Department. This day serves as a tribute to Bharat Ratna Sir Mokshagundam Visvesvarayya, celebrating his significant contributions to society as one of India's greatest engineers. The event attracted a large audience comprising students, faculty, and staff members.

Distinguished guests, Mr. Pradeep Mawale, CEO & Technical Director of Shriram Machining Co. Pvt. Ltd., and Mr. Karthik Kotturu (IRPS 2017), honored the occasion as the Chief Guest & Guest of Honor.

The program began with an enlightening session led by Mr. Pradeep Mawale, shedding light on the pivotal role of engineers in fostering industrial growth. Subsequently, Mr. Karthik Kotturu, an alumnus of IIT Roorkee and a successful officer in the Indian Railways, shared his personal journey from academia to professional success.

Concluding the event, a Fresher's Party was organized to warmly welcome newly enrolled students into the Mechanical Engineering Department. Additionally, the formation of the new Mechanical Engineering Students' Association (MESA) committee marked the end of the celebrations.

Career Guidance and How to Face An Interview

Webinar No.14 – Mr. Rahul Teni

On the 9th of May 2020 a Webinar was held by the Department of Computer Engineering for the students. The topic was "Career Guidance and How to Face An Interview", the session was organised by the support of Hon. Principal Dr.R.N.Patil along with the HOD of Computer Dept. Prof.U.C.Patkar. The Guest of Honour was Mr. Rahul Teni (CTO - ASPL) who was hosted by Huzaif Mujawar (SE).

The webinar was a very informative one and the students and faculty members attended with full enthusiasm. It started with a brief introduction of the guest, followed by his presentation. Finally towards the end of the webinar, a QnA session was taken which turned out to be a very interactive and almost all the quires or doubts put forward by the attendees were solved by our guest.

Overall the webinar was a huge success in terms of sharing of knowledge and experience. A total of 68 students and faculties attended the webinar. The recording of the webinar was also posted on YouTube on the official channel BVCOEL Pune for everyone to benefit from it.

Cognizant

22-May-2021

Dear Pushkaraj Thakur,
B.Tech/B.E., Computer Engineering
Bharti Vidyapeeth's College of Engineering, Pune

Candidate ID – 15408014

Thank you for exploring career opportunities with **Cognizant Technology Solutions India Private Limited ("Cognizant")**.You have successfully cleared our initial selection process and we are pleased to make you an offer of employment. This offer is based on your profile and performance in the selection process.

You have been selected for the position of **Engineer Trainee**

During your probation period of 12 months, which includes your training program, you will be entitled to an Annual Total Remuneration (ATR) of INR **401,988/-**. This includes an annual target incentive of INR **22,500 /-** as well as Cognizant's contribution of INR **19,500/-** towards benefits such as Medical, Accident and Life Insurance. The incentive amount may vary, depending on Cognizant's performance and your performance. The other details about your compensation are detailed in **Compensation and Benefits**. Your compensation is highly confidential and if the need arises, you may discuss it only with your Manager.

On successful completion of the probation period, clearing the required training assessments and subject to you being part of a delivery project, your Annual Total Remuneration (ATR) would stand revised to INR Rs.**450,740/-**. This includes an annual target incentive of INR **22,500/-** as well as Cognizant's contribution towards benefits such as Medical, Accident and Life Insurance, as applicable.

Your appointment will be governed by the terms and conditions of employment as presented in **Employment Agreement**. You will also be governed by the other rules, regulations and practices in vogue and those that may change from time to time.

This offer of employment is subject to your fulfillment of other pre-requirements as detailed in this letter and other communications shared with you.

Please note:

1. This appointment is subject to satisfactory professional reference checks and you securing a minimum of 60% aggregate (all subjects taken into consideration) with no standing arrears in your Graduation/Post-Graduation.

This offer from Cognizant is valid for 3 months and hence you are expected to accept or decline the offer through the company's online portal within this time-period. In case we do not receive any response from you within this time-period, this Offer shall stand withdrawn and will be considered as void. Any extension to the offer validity will be at the sole discretion of Cognizant

2. Prior to commencing employment with Cognizant you must provide Cognizant with evidence of your right to work in India and other such documents as Cognizant may request.

3. Prior to joining Cognizant, you must successfully complete the prescribed Internship or Continuous Skill Development (CSD) program as detailed below:

At Cognizant, we invest in skill and capability development of our campus selects even before they join us. This is through Cognizant Internship and Continuous Skill Development (CSD) program. These programs focuses primarily on technical skills development. You could enroll in either of these as per your college processes while in the final semester and continue with skill building until you join Cognizant. This forms a critical part of your employment with Cognizant. Your onboarding with Cognizant would be prioritized based on the successful completion of same. In event of non-completion of the Internship or Continuous Skill Development program, Cognizant may at its sole discretion revoke this offer of employment.

3.1 Cognizant Internship:

a) Cognizant Internship is for approximately 3 to 6 months based on business skilling requirements. The performance during Internship would be monitored through formal evaluations and rewarded with monthly stipend. The stipend details would be notified upon your registration for Internship.

b) Interns are covered under Cognizant's calendar holidays and need to adhere with attendance requirements and pre-approvals are to be sought towards unavoidable leave or break requests from the program.

3.2 Continuous Skill Development (CSD) Program:

a) CSD program is offered through a platform based engagement model combined with integrated skill assessment and certifications as the CSD program completion criteria. Upon meeting the completion criteria of the CSD program, enrolled candidates would be eligible for a one-time Cognizant CSD rewards post joining Cognizant. The Cognizant CSD reward details would be provided after your enrollment into the program.

b) There would be zero tolerance to malpractices and misconduct during Internship and CSD engagement. Any such misconduct would lead to appropriate disciplinary action including the revocation of this employment offer. Cognizant reserves clauses regarding IT infrastructure, if applicable and access to information and material of Cognizant during the period and could modify or amend the Cognizant Internship and CSD program terms and conditions from time to time.

3.3 GenC Training Post joining:

a) Cognizant continues to invest in skill building of the entry-level talent and GenC training is a formal on-the-job training offered to trainees based on the business specific skilling needs. The terms and conditions of this training will be governed by Cognizant GenC program guidelines.

b) The Cognizant Internship or the Continuous Skill Development (CSD) completion may qualify as the entry criteria to the GenC training and is used as basis towards your allocation to projects/roles.

We look forward to you joining us. Should you have any further questions or clarifications, please log into https://campus2Cognizant.cognizant.com

Yours sincerely,
For Cognizant Technology Solutions India Pvt. Ltd.

Maya Sreekumar
Vice President – Human Resources

I have read the offer, understood and accept the above mentioned terms and conditions.

3. No Alternate Employment, No Conflict, Etc.

During your employment with the Company, you shall not, without the Company's prior written consent, directly or indirectly employ or engage with any other person, business or entity, whether or not for any gain or profit, irrespective of whether it is during or outside your hours of work in the Company. Additionally, you are not allowed to undertake any other gainful employment, engagement, business, assume any public office or private office, honorary or remunerative position, without prior written

permission of the Company. During your employment with the Company, you shall not directly or indirectly engage in any conduct in conflict with or averse to the best interests of the Company, as determined by the Company at its sole discretion. In addition, you shall not disclose, divulge or bring on to Cognizant's systems or offices, your prior employer's and/or their clients' proprietary or confidential information, or violate any agreement or obligations that you have with them.

4. Confidentiality

a) During the course of your employment with the Company, you shall have access to information and/or documents of the Company, its affiliates, its clients or certain third parties' (with which the Company has any dealings), which information and/or documents are private, business sensitive, confidential and/or proprietary (together, the "Confidential Information"). You are obliged to keep the Confidential Information as secret and must not, without prior and specific written permission from the Company, disclose any such information, received from whatever source and however you may learn it, to any person or third party.
b) Any breach of your confidentiality obligations as specified above may be a cause for termination of your employment with the Company, besides the Company's entitlement to initiate legal action against you for such breach. The obligations imposed upon you under this clause 5 will survive even after cessation of your employment with the Company.
c) You shall not take copies of any Confidential Information for your own purposes without prior permission of the Company and forthwith upon termination of your employment with the Company, you shall return to the Company all such copies of Confidential Information including but not limited to documents, records and accounts in any form (including electronic, mechanical, photographic & optical recording) relating to matters concerning the business or dealings or affairs of the Company.
d) You shall not, during your employment with the Company and at all times thereafter, do or say anything that may cause direct or indirect damage to the business of the Company, its affiliates or their clients.
e) You shall be governed by Cognizant's Social Media Policy and shall, at all times, refrain from posting potentially malicious, libelous, obscene, political, anti-social, abusive, and threatening messages or disparaging clients, associates, competitors, or suppliers or any third parties.
f) You will not make any false, defamatory or disparaging statements about Cognizant, its clients, or any other employees or directors, irrespective of whether any such statements are likely to cause damage to any such entity or person.
g) The Company reserves the right to require you to sign confidentiality and non-disclosure agreements with any clients on whose project you are being assigned on behalf of the Company.

5. Data Protection

By signing below,
a) you hereby provide your consent to Cognizant, its affiliates and their clients for the holding and processing of your personal data for all purposes of the administration and management of your employment and/or the Company's business,
b) you hereby provide your consent to your personal data including any sensitive personal data or information being collected and the same being transferred, stored and/or processed by Cognizant in India and any other countries where Cognizant, its affiliates and their clients have offices,
c) you agree that Cognizant and its affiliates may make such data available to its advisors, service providers, other agencies such as pension providers, medical, insurance providers, payroll administrators, background verification agencies and regulatory authorities,
d) you have the right to amend, modify or alter your personal information. The Company will exercise all reasonable diligence for safeguarding your personal information, as has been disclosed by you. It is clarified that the obligation will not be applicable in case of legally required disclosures, and
e) you acknowledge and agree that Company may, in the course of its business, be required to disclose personal data relating to you, after the end of your employment to any group/statutory bodies/authorities as required under applicable law/requirements.

To Cultivate the Idea of Entrepreneurship

Webinar No.5 – Mr.Bhinoy Jhaper

On the 30th of April 2020 a Webinar was held by the Department of Computer Engineering for the students. The topic was "To Cultivate the Idea of Entrepreneurship", the session was organised by the support of Hon. Principal Dr.R.N.Patil along with the HOD of Computer Dept. Prof.U.C.Patkar. The Guest of Honour was Mr.Bhino Jhaper (Principal Trainer – TLC Teresa's Learning Centre) who was hosted by Huzaif Mujawar (SE).

The webinar was a very informative one and the students and faculty members attended with full enthusiasm. It started with a brief introduction of the guest, followed by his presentation. Finally towards the end of the webinar, a QnA session was taken which turned out to be a very interactive and almost all the quires or doubts put forward by the attendees were solved by our guest.

Overall the webinar was a huge success in terms of sharing of knowledge and experience. A total of 65 students and faculties attended the webinar. The recording of the webinar was also posted on YouTube on the official channel BVCOEL Pune for everyone to benefit from it.

Report on Webinar on:- Introduction to CFD & Career opportunities in CFD for UG students, on 26th May 2020.

Speakers/Resource Persons for the Webinar:- Dr. Shashi Kant Verma (Post doctoral fellow Institute for Plasma Research, Gandhinagar- Gujarat)

The Mechanical Engineering Department Bharati Vidyapeeth's College of Engineering, Lavale, Pune, conducted webinar on "Introduction to CFD & Career opportunities in CFD for UG students" on 26th May 2020, organized for students of mechanical department.

Computational Fluid Dynamics (CFD) is a branch of fluid mechanics that uses numerical methods and algorithms to solve and analyze problem that involves fluid flow. CFD modeling is based on fundamental governing equations of fluid dynamics: the conservation of mass, momentum, and energy.CFD helps to predict the fluid flow behavior based on the mathematical modeling using software tools.It is now widely used and is acceptable as a valid engineering tool in the industry. CFD being an important subject and skill in industry as well as academia was discussed. The webinar was organized to develop interest among students for the subject of CFD. Moreover, to motivate them to learn various CFD tools.

Dr. Shashi Kant Verma started the session with an introduction to CFD and explained the fundamentals of CFDincluding basic terminology, grid generation, fluid flow analysis. He also elaborated on importantconcepts of equations governing fluid flow and heat transfer – Navier-Stokes equations and Energy Equation. He also discussed about some commercial CFD software ANSYS ICEM CFD and ANSYS Fluent to students. He also explained three primary steps to solve any fluid flow problem using CFD, which are Pr-Processing, Solver and Post-Processing. Later he also discussed few solved examples.

At the speaker discussed about the career opportunitiesavailable for students in field of CFD, and addressed few question from students.

Appreciation letter is given to speaker Dr. Shashi Kant Verma, and all students who attended the webinar were given E-Certificate for participation.

Employment to Entrepreneurship

Webinar No.15 – Mr. Amol Nitave

On the 10th of May 2020 a Webinar was held by the Department of Computer Engineering for the students. The topic was "Employment to Entrepreneurship", the session was organised by the support of Hon. Principal Dr.R.N.Patil along with the HOD of Computer Dept. Prof.U.C.Patkar. The Guest of Honour was Mr. Amol Nitave (CEO & Founder – EvolvingX) who was hosted by Huzaif Mujawar (SE).

The webinar was a very informative one and the students and faculty members attended with full enthusiasm. It started with a brief introduction of the guest, followed by his presentation. Finally towards the end of the webinar, a QnA session was taken which turned out to be a very interactive and almost all the quires or doubts put forward by the attendees were solved by our guest.

Overall the webinar was a huge success in terms of sharing of knowledge and experience. A total of 64 students and faculties attended the webinar. The recording of the webinar was also posted on YouTube on the official channel BVCOEL Pune for everyone to benefit from it.

An Interactive session was organized by Bharati Vidyapeeth's College of Engineering Lavale, Pune, Maharashtra, conducted by AeSI association Pune, on topic of 'Further Studies & Research in the Field of Aerospace and Aeronautical Engineering', on 15th of January, 2020. A special emphasis on the direction to students about the opportunities in the field of Aerospace and Aeronautical Engineering after graduation with a two-fold objectives: One, the ongoing projects and the other, opportunities to work in the field of Aerospace and Aeronautical Engineering.

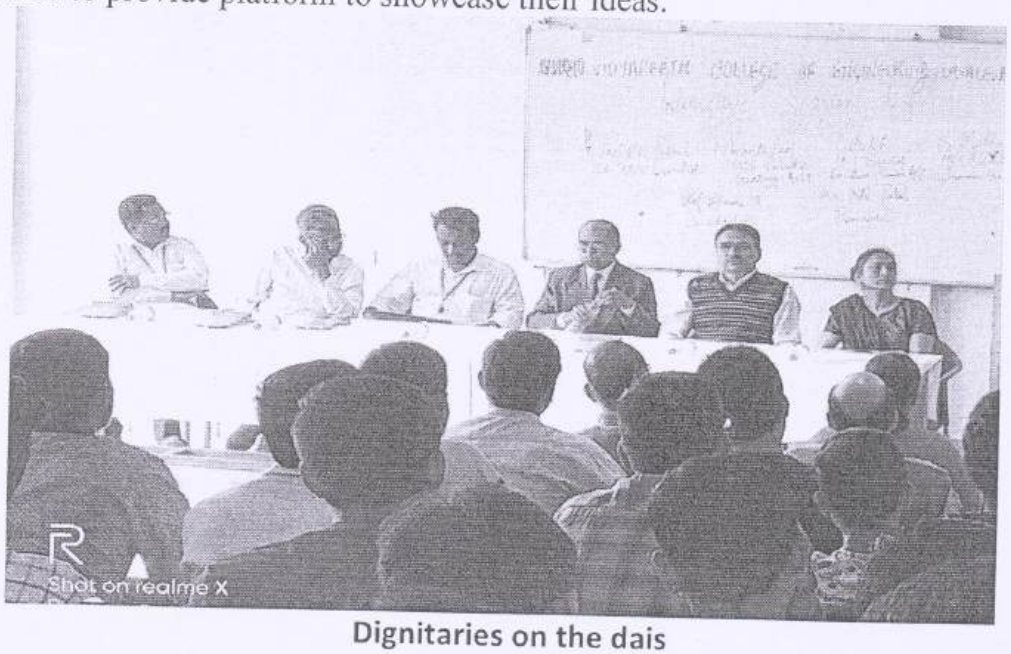

Chief Guest Prof. M.R.Patkar delivering the Speech

The guests of honor for this session were Prof. M.R.Patkar (Ex ARDE Scientist) accompanied by three ARDE Scientists, Mr. Ananda Raj (Secretary, AeSI), Mr. L.K.Gite (Executive Member, AeSI) & Mr. S.Muthu (Treasure, AeSI). They were felicitated with a memento and a small plant as a sign of growth also they were well introduced to the crowd by Prof. Kumkum Bala addressing the crowd about the achievements and the intellect benchmark of the honorable guests.

The goal of the session was to make students aware about the vast opportunities present in the field of Aerospace & Aeronautical Engineering. The Speakers emphasised on significance of interdisciplinary approach in Aerospace. Prof. Patkar answered student' queries about defence technology beautifully. Moreover he was surprised with the quality of questions students had raised. They also guided students that how their ideas in defence technology

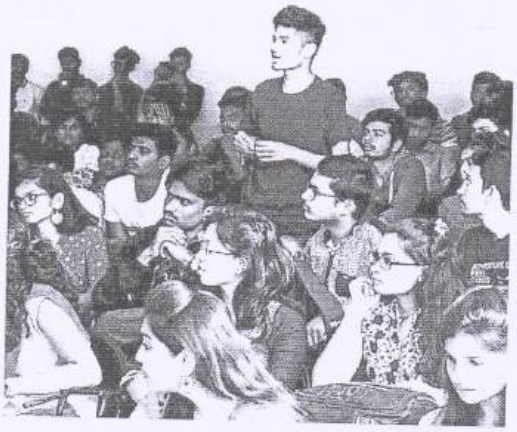

can be manifested and assisted by government through various Programs organised to provide platform to showcase their ideas.

Resource Persons for the Webinar:- **Dr. Shashi Kant Verma** (Ph D- NIT Raipur)

The Mechanical Engineering Department Bharati Vidyapeeth's College of Engineering, Lavale, Pune, conducted webinar on "Introduction to CFD & Career opportunities in CFD for Under graduate students" on **26th May 2020**. Dr. Shashi Kant Verma started the session with an introduction to CFD and explained the fundamentals of CFD including basic terminology, grid generation, fluid flow analysis. He also elaborated on important concepts of equations governing fluid flow and heat transfer – Navier-Stokes equations and Energy Equation. He also discussed about some commercial CFD software ANSYS ICEM CFD and ANSYS Fluent to students. He also explained three primary steps to solve any fluid flow problem using CFD, which are Pre-Processing, Solver and Post-Processing. Later he also discussed few solved examples.

At the speaker discussed about the career opportunities available for students in field of CFD, and addressed few question from students.

Dear Sir

Greeting from ***Bharati Vidyapeeth's College of Engineering, Lavale Pune!!!***

Bharati Vidyapeeth is a more than 50 Year old acclaimed organization in the field of academics and research. Bharati Vidyapeeth a conglomerate of 180 institutes is parent organization of Bharati Vidyapeeth's College of Engineering, Lavale, Pune (BVCOELP) established in 2012 affiliated to Savitribai Phule Pune University.

Department of Mechanical Engineering BVCOEL Pune, is glad to invite you as a speaker for **Webinar on:- Introduction to CFD & Career opportunities in CFD for UG students, on 26th May 2020.**

We would thereby request you to kindly consider this invitation and and provide your valuable inputs.

Thank You.

Report on Webinar on:- Introduction to CFD & Career opportunities in CFD for UG students, on 26th May 2020.

Speakers/Resource Persons for the Webinar:- Dr. Shashi Kant Verma (Post doctoral fellow Institute for Plasma Research, Gandhinagar- Gujarat)

The Mechanical Engineering Department Bharati Vidyapeeth's College of Engineering, Lavale, Pune, conducted webinar on "Introduction to CFD & Career opportunities in CFD for UG students" on 26th May 2020, organized for students of mechanical department.

Computational Fluid Dynamics (CFD) is a branch of fluid mechanics that uses numerical methods and algorithms to solve and analyze problem that involves fluid flow. CFD modeling is based on fundamental governing equations of fluid dynamics: the conservation of mass, momentum, and energy.CFD helps to predict the fluid flow behavior based on the mathematical modeling using software tools.It is now widely used and is acceptable as a valid engineering tool in the industry. CFD being an important subject and skill in industry as well as academia was discussed. The webinar was organized to develop interest among students for the subject of CFD. Moreover, to motivate them to learn various CFD tools.

Dr. Shashi Kant Verma started the session with an introduction to CFD and explained the fundamentals of CFDincluding basic terminology, grid generation, fluid flow analysis. He also elaborated on importantconcepts of equations governing fluid flow and heat transfer – Navier-Stokes equations and Energy Equation. He also discussed about some commercial CFD software ANSYS ICEM CFD and ANSYS Fluent to students. He also explained three primary steps to solve any fluid flow problem using CFD, which are Pr-Processing, Solver and Post-Processing. Later he also discussed few solved examples.

At the speaker discussed about the career opportunitiesavailable for students in field of CFD, and addressed few question from students.

Appreciation letter is given to speaker Dr. Shashi Kant Verma, and all students who attended the webinar were given E-Certificate for participation.

Qualifying Marks**	GEN/EWS	OBC (NCL)	SC/ST/PwD
	34.0	30.6	22.6

Number of Candidates appeared in this paper: **137826**

Valid from March 18, 2020 to March 17, 2023

* Normalized marks for Civil Engineering and Mechanical Engineering Papers

** A candidate is considered qualified if the marks secured are greater than or equal to the qualifying marks mentioned for the category for which valid category certificate, if applicable, is produced along with this scorecard

Prof. B. R. Chahar
Organizing Chairman, GATE 2020
(on behalf of NCB – GATE, for MHRD)

7fb33067f0564961af7d1a29bb097e5b

Qualifying in GATE 2020 does not guarantee either an admission to a post-graduate programme or a scholarship/assistantship. Admitting institutes may conduct further tests or interviews for final selection.

In the GATE 2020, the qualifying marks for a general category candidate in each paper is $\mu + \sigma$ or 25 marks (out of 100), whichever is greater, where μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper. The qualifying marks for OBC(NCL) and SC/ST/PwD candidates are 90% and two-third of a general category candidate in the paper respectively.

The GATE 2020 score was calculated using the formula

$$GATE\ Score = S_q + (S_t - S_q)\frac{(M - M_q)}{(\bar{M}_t - M_q)}$$

where

M is marks (out of 100) obtained by the candidate in the paper

M_q is the qualifying marks for general category candidate in the paper

$\bar{M}_t$ is the mean of marks of top 0.1% or top 10 (whichever is greater) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_q = 350$, is the score assigned to M_q

$S_t = 900$, is the score assigned to $\bar{M}_t$

In multi-session (Civil Engineering and Mechanical Engineering) papers, the normalized mark of j^{th} candidate in the i^{th} session $\hat{M}_{ij}$ was computed using the formula

$$\hat{M}_{ij} = \frac{\bar{M}_t^g - M_q^g}{\bar{M}_{ti} - M_{iq}}(M_{ij} - M_{iq}) + M_q^g$$

where

M_{ij} is the actual marks obtained by the j^{th} candidate in i^{th} session

$\bar{M}_t^g$ is the average marks of the top 0.1% of the candidates considering all sessions

M_q^g is the sum of mean and standard deviation marks of the candidates in the paper considering all sessions

$\bar{M}_{ti}$ is the average marks of the top 0.1% of the candidates in the i^{th} session

M_{iq} is the sum of the mean marks and standard deviation of the i^{th} session

Dear Mr. Katkar,

With great pleasure Denasa Buildcon likes to extend the offer letter/joining letter to the selected candidates.

We have evaluated all the applicants and because we received so many good resumes it became very difficult to shortlist the candidates.

Based on their performance during the selection process (Technical +HR round) we have finally selected 4 students for the position of Trainee Engineer

1. Saurabh Rokade
2. Akash Deore
3. Gaurav Mohorkar
4. Saurabh Bhoyar

Attaching the offer letter of the selected candidates, please share it with them and send us the acknowledgement copy of the same.

Their date of joining would be **2nd July 2019** and upon their joining, we would be confirming their joining location.

Office address for reporting: Denasa Buildcon, C – 3, Sant Tukaram Vyapar Sankul, First Floor, Sector – 24, Pradhikaran, Nigdi, Above Hotel Savali, Pune - 411 044. Maharashtra. India .

Contact Number.: 7767007339 (Sakshi)

CTC would be same as communicated earlier – 2.32L/annum

All the selected candidates have to clear their active backlogs, if not, then the offer released will stand void.

We look forward to welcome them.

Regards,

Sakshi

INTERNSHIP OFFER LETTER

CONFIDENTIAL

May 13, 2019

Dear Saurya Saurav,

We would like to congratulate you on being selected for the **Game Programmer** Internship position with **underDOGS Gaming Pvt Ltd.**, effective **1st June 2019**.

As we discussed during the interview process, this is a non-paid academic internship during which you will be expected to provide 35 work hours per week. Each month, you will be awarded a stipend of Rs 1000/- to defray your travelling expenses.

Your internship is expected to end on **31st August 2019**. However, your internship with the Company is "at-will," which means that either you or the Company may terminate your internship at any time, with or without cause and with or without notice.

During your employment, you may have access to trade secrets and confidential business information belonging to the Company. By accepting this offer, you acknowledge that you must keep all of this information strictly confidential, and refrain from using it for your own purposes or from disclosing it to anyone outside the Company. In addition, you agree that, upon conclusion of your employment, you will immediately return to the Company all of its property, equipment, and documents, including electronically stored information.

Thanking You.

Yours faithfully,
