Objectives:

- ❖ **Insightful Exploration of NEP 2020:** To provide insights into the implementation of NEP 2020 with a focus on promoting multidisciplinary research.
- ❖ **Enhancing Research Strategies:** To equip faculty members with strategies to integrate NEP 2020 principles into their academic and research activities.

Workshop Overview:

A workshop on “NEP 2020 Implementation – Multidisciplinary Research” was organized by the Internal Quality Assurance Cell (IQAC) of Bharati Vidyapeeth's College of Engineering, Lavale, Pune, on Saturday, 18th May, 2024. The workshop, held in the Board Room of the college, commenced at 10:00 AM and featured Prof. (Dr.) Pramod Patil, Dean of Faculty of Science & Technology at Savitribai Phule Pune University, and Dean of Research & Development at D.Y. Patil Institute of Technology, Pune, as the esteemed resource person.

The session commenced with an Inaugural Speech by **Principal Dr. R. N. Patil**, who emphasized the pivotal role of the **National Education Policy (NEP) 2020** in advancing interdisciplinary research and fostering academic collaboration. Dr. Patil underscored the significance of integrating NEP 2020 principles into teaching and research practices to promote innovation and cross-disciplinary efforts. He encouraged faculty members to embrace the policy's vision and apply it to their academic and research endeavors. This set the tone for the workshop on **"NEP 2020 Implementation – Multidisciplinary Research"**, which aimed to equip participants with strategies for implementing the policy in their respective fields.

Welcome and Workshop Introduction:

Following this, **Prof. Yogesh Kadam (IQAC Coordinator)** welcomed the participants and introduced the workshop's theme, focusing on how NEP 2020 can transform educational approaches, particularly in the context of multidisciplinary research.

Introduction of the Resource Person:

Dr. Jyoti Dhanke (IQAC Member) introduced the resource person, **Prof. (Dr.) Pramod Patil**, highlighting his vast experience and contributions to research and education.

Keynote Address :

The workshop commenced with an insightful keynote address delivered by **Prof. (Dr.) Pramod Patil**, who emphasized the transformative potential of the **National Education Policy (NEP) 2020**, particularly in the realm of multidisciplinary research.

In his address, Prof. Patil outlined how NEP 2020 advocates for a paradigm shift in India's education system by promoting a **holistic and flexible approach** that encourages interdisciplinary learning. He highlighted the **necessity of moving beyond traditional academic silos**, integrating diverse disciplines to meet the demands of a rapidly changing global landscape.

Prof. Patil underscored the **significance of multidisciplinary research** as the cornerstone of innovation and creative problem-solving. He pointed out that complex, real-world challenges cannot be addressed through the lens of a single discipline alone. The convergence of fields such as **engineering, science, social sciences, humanities, and arts** is essential to developing comprehensive solutions. He also stressed the importance of encouraging students and researchers to adopt **cross-disciplinary methodologies**, which will prepare them to tackle the multifaceted problems of the future. Prof. Patil also spoke about the **practical aspects of NEP 2020 implementation**, encouraging institutions to build **research ecosystems** that foster collaboration across disciplines. He addressed key challenges such as the need for **institutional support** for interdisciplinary projects, **faculty training**, and the development of **research infrastructure** to support such endeavors. Prof. Patil called on educators and researchers to rethink and reshape academic programs to reflect the multidisciplinary approach advocated by NEP 2020.

Concluding his keynote, Prof. Patil emphasized the need for a **cultural shift in academia**—one that values and rewards interdisciplinary research. He encouraged participants to take ownership of the NEP 2020 mandate and act as catalysts for change in their respective institutions, fostering a spirit of collaboration that transcends traditional academic boundaries.

The workshop was well-attended by faculty members, who engaged actively in discussions on how to integrate NEP 2020 principles into academic and research endeavors.

Strategies for NEP 2020 Implementation :

Dr. Patil outlined key strategies for integrating NEP 2020 into curriculum development, research projects, and inter-departmental collaborations.

Interactive Q & A Session :

Participants engaged in a highly interactive Q&A session with Dr. Patil, exploring practical ways to implement NEP 2020 guidelines within their disciplines and institutions.

Vote of Thanks:

The session concluded with a **Vote of Thanks** delivered by **Dr. Atish Mane (IQAC Member)**, acknowledging the contributions of the resource person, organizers, and participants.

Outcomes:

Participants gained a clear understanding of how NEP 2020 can enhance multidisciplinary collaboration and research. The event saw active engagement from the faculty members, who participated in discussions on incorporating NEP 2020 into their academic frameworks. Actionable strategies were developed to incorporate NEP 2020 guidelines into institutional research practices and curriculum development.

Workshop Conclusion :

The workshop concluded with participants expressing their gratitude for the insights gained, and the event was deemed a significant step towards enhancing the college's academic and research framework in line with NEP 2020.

Collecting Valuable Insights:

Faculty members actively participating in the workshop, sharing their feedback through the provided online link to help improve future initiatives on NEP 2020 and multidisciplinary research.
