Vision and Mission

The Vision and Mission of Bharati Vidyapeeth's College of Engineering, Lavale Pune

Mission

“Social Transformation through Dynamic Education” - We believe that it is through the spread of education in all the strata and sections of society that real social transformation can be brought about.

Vision

To nurture young minds and make them realize the true potential of delivery to fulfill the purpose of their soul existence by way of Discovery, Innovation, Leadership and Service

**BHARATI VIDYAPEETH'S COLLEGE OF ENGINEERING
LAVALE, PUNE-412115**

Introduction

"A journey of a hundred miles begins with a single step"

Lao Tzu

With the ever changing world, self reliance is the key for success. World is thirsty for self reliance. Economic slowdown, uncertainties in the job market lead us to think in this arena. To address the need of inculcation of research innovation and entrepreneurial culture in our Institute, Bharati Vidyapeeth's College of Engineering Lavale (BVCOEL), Pune had taken several steps in this regard. BVCOEL had set-up SPPU E-cell, MHRD Institutions' Innovation Council (IIC) which is an initiative of Ministry of Human Resource Development (MHRD), Govt. of India to systematically foster the culture of Innovation among all Higher Education Institutions (HEIs), under **the research, innovation and entrepreneurship cell**.

BVCOEL **research, innovation and entrepreneurship cell** deliberated on various areas for nurturing the innovation and start-up culture in the Institute which covered mentoring, guidance, product development, research and innovation, intellectual property, ownership, technology transfer, commercialization, etc. The institute had organized and conducted around hundred of activities to nurture young minds. The institute had setup certain guidelines for various aspects related to innovation, start-up and entrepreneurship management.

BVCOEL **research, innovation and entrepreneurship cell** is always devoted to motivate students by carrying out various, research, innovations entrepreneurial activities and events. The primary focus of this cell is to provide the platform to students of BVCOEL to develop start-up skills and structuring their thoughts in the all arenas of entrepreneurship which can help them to translate their innovative and creative ideas into a reality. It enables them to embark on the journey of **research, innovation, entrepreneurship**.

**BHARATI VIDYAPEETH'S COLLEGE OF ENGINEERING
LAVALE, PUNE-412115**

Objective:

Objective:

1. To develop an ecosystem that foster research, innovation entrepreneurial spirit among the students.
2. To create opportunities for interaction with aspiring entrepreneurs and researchers.
3. To provide a podium for inculcating entrepreneur and research skills in students.
4. To create independent business entities out of interested students so that they not only become self-employed but also become capable of providing gainful, fulfilling employment to others and thereby benefiting society at large.
5. Cell aims to ignite creative thinking and nurture research, innovation entrepreneurial instincts in students
6. Cell encourages more students from the colleges to become self-employed and start their own firm by transforming their ideas into an enterprise.
7. Resource mobilization plan has been worked out at the institute for supporting pre-incubation, incubation infrastructure and facilities.
8. Creating an environment for technology enabled learning and supporting research.
9. It describes how the culture of research is to be adopted.

**BHARATI VIDYAPEETH'S COLLEGE OF ENGINEERING
LAVALE, PUNE-412115**

Context:

Context:

A New Research, Innovation and entrepreneurship cell have R & Dcell, IPR cell, E-cell and MHRD IIC.

1. R&Dcell, IPR cell : Bharati Vidyapeeth's college of Engineering, Lavale, Pune is planning to improve and then excel in the domain of Research, in order to achieve the set milestones we need to focus our attention on multiple dimensions viz, interdisciplinary research, Intellectual Property Rights. Bharati Vidyapeeth's College of Engineering Lavale, Pune is providing advanced research and innovation based knowledge by pitching the power of coming generation. To leverage the capability in the field of research and innovation, our faculty members is motivating and guiding students.
2. E-cell was established within the framework and guidelines as stipulated by SPPU Pune. A New Startup and innovation cell was established dated 01/January/2019 at BVCOEL and composition of the cell are as per the guidelines of innovation and incubation center of SPPU.
3. The MHRD IIC Cell aims to ignite creative thinking and nurture entrepreneurial instincts in students. The Cell hopes to achieve this by conducting stimulating workshops, competitions and interactive sessions with eminent personalities who are role models when it comes to business development.

**Formation and Working of the Research,
innovation and entrepreneurship cell**

- Principal appoints the Head of the Research, Innovation and entrepreneurship cell from the Faculty members.
- Head of the Research, Innovation and entrepreneurship: is the in charge of E-cell, Working as MHRD IIC convener, R&D secretary, etc.
- Head of the Research, Innovation and entrepreneurship cell in consultation with the Principal select one faculty member from each department to work under Research, Innovation and entrepreneurship cell as coordinator of the department.
- The faculty members with high enthusiasm and experience work to enhance the startup and innovation activities suggested by the SPPU and MHRD.

**BHARATI VIDYAPEETH'S COLLEGE OF ENGINEERING
LAVALE, PUNE-412115**

Working

- Quarterly plan-based on action plan has been prepared in the beginning of the semester.
- Every fort night meeting of the Research, Innovation and entrepreneurship cell has been conducted to review the activities.
- Minutes of meeting have been prepared and discussion take in the meeting has been meticulously implemented.
- According to the Quarterly plan Research, Innovation and entrepreneurship cell conduct various activities in a semester.
- Research, Innovation and entrepreneurship cell provides support and guidance to the engineering students and faculty members in protecting their inventions and creations by filing Patents.
- The cell organizes guest lectures, connect and motivate by eminent researchers from the industry, academics at regular intervals
- Report Generation on Quarterly Basis has been sent to SPPU, uploaded on MHRD portal

**BHARATI VIDYAPEETH'S COLLEGE OF ENGINEERING
LAVALE, PUNE-412115**

Startup Policy

The 'National Student and Faculty Startup policy 2019' for HEI's is a guiding framework to foresee an educational Institute towards startups and entrepreneurship opportunities for students and faculties. The guidelines provided by MHRD helps in developing entrepreneurial attitude, managing Intellectual Property Rights (IPR) ownership, technology transfer and equity sharing in Startups or enterprises established by faculty and students.

The Bharati Vidyapeeth's College of Engineering, Lavale, Pune has adopted this policy from 1st January 2020 in line with the NISP policy

**BHARATI VIDYAPEETH'S COLLEGE OF ENGINEERING
LAVALE, PUNE-412115**

Financial strategy

- A sustainable financial strategy has been developed in our institute to promote and encourage research, innovation, entrepreneurial agenda.
- Institute has decided to provide proper funds in the research, innovation, entrepreneurial activities.
- Minimum amount of the total annual budget of the institution is likely to allocated for funding and supporting innovation and startups related activities
- Institute has decided to raise the funds all involving angel investor, donations external funding through government such as MHRD, AICTE, NRDC, Startup India etc. and non-government sources etc.
- Institute also encouraged rising funding through sponsorships and donations.
- Institute would actively engage alumni network for promoting Innovation & Entrepreneurship.

**BHARATI VIDYAPEETH'S COLLEGE OF ENGINEERING
LAVALE, PUNE-412115**

Startups supporting Institute Infrastructure

- BVCOEL continuously supporting pre-incubation and incubation facilities in the campus for nurturing innovations and startups
- Innovation and research is the need of the hour and we are promoting innovation, patents filing and research for establishment of new enterprises.
- We are motivating students for INNOVATION which leads to ENTREPRISES and finally leads to FINANCIAL SUCCESS.
- We have established pre-incubation facilities by establishing MHRD's Innovation Cell, SPPU E-Cell, Student Clubs, etc.
- This Pre-Incubation/Incubation facility is accessible 24x7 to students and faculty member of all disciplines and departments across the institution.
- We establish cell which help in mentoring and other relevant services through Pre-incubation/Incubation units.

**BHARATI VIDYAPEETH'S COLLEGE OF ENGINEERING
LAVALE, PUNE-412115**

Nurturing Innovations and Start ups

- Research, Innovation and entrepreneurship cell caters the need of today's fast-growing institute by giving an idea about the, knowledge and idea of competitive world. It is an endeavor, not only for entrepreneurs but also for the students who desire to have a better professional persona. This helps students to grow positive attitude towards entrepreneurship and help them foster a start-up individually.
- Our aim is to help in creation and nurturing of Startups/enterprises establish by UG students and faculty member
- The Startup Centre at BVCOEL is a shining beacon for students who harbour dreams of their choice. The cell is devoted to promoting entrepreneurship within the student fraternity.
- The Startup Centre offers a selection of aspiring entrepreneur's seed capital, infrastructure, mentorship, legal support and technical expertise. The cell has seen the genesis of more than 06 student-led start ups since its birth, with one having been incubated in-house.
- Research, Innovation and entrepreneurship cell works in collaboration with alumni, faculty and the students committee. It aims to promote entrepreneurship drive among the students of BVOEL.
- It is also responsible for broadening up the link between student and alumni. Work is to help in development of startup, in and outside the campus.
- Allowing the students for setting up and working part-time for the start ups while studying also faculty members are working on their innovative projects.
- BVCOEL setup a guidance for Students who are under incubation, Pursuing some entrepreneurial ventures while studying have allowed to use their address in the institute to register their company with due permission from the institution.

**BHARATI VIDYAPEETH'S COLLEGE OF ENGINEERING
LAVALE, PUNE-412115**

- Students entrepreneurs have allowed to sit for the examination, even if their attendance is less than the minimum permissible percentage, with due permission from the institute is allowed the student.
- BVCOEL explore provision of accommodation to the entrepreneurs within the campus for some period of time.
- BVOEL consider allowing use of its resource to faculty/students/staff wishing to establish start up as a fulltime effort. The seniority and other academic benefits during such period may be preserved for such staff or faculty.
- BVCOEL will facilitate the startup activities/ technology development by allowing students/ faculty/ staff to use institute infrastructure and facilities,

As per the choice of the potential entrepreneur we are helping the entrepreneur in the following manners

1. Short-term/ six-month/ one-year part-time entrepreneurship training.
2. Mentorship support on regular basis.
3. Facilitation in a variety of areas including technology development, ideation, creativity, design thinking, fund raising, financial management, management, new venture planning, product development, social entrepreneurship, product-costing, marketing, brand-development, human resource management as well as law and regulations impacting a business.
4. Institute may also link the startups to other seed-fund providers/ angel funds/ venture funds or itself may set up seed-fund once the incubation activities mature

While defining their processes, institutions ensure the following:

- i. Incubation support:
- ii. Offer access to pre-incubation & Incubation facility to start ups by students and faculty members for mutually acceptable timeframe..
- iii. Institute allow licensing of IPR from institute to start up:

**BHARATI VIDYAPEETH'S COLLEGE OF ENGINEERING
LAVALE, PUNE-412115**

- iv. Institute allow setting up a startup (including social startups) and working part-time for the start ups while studying / working:
- Student inventors may also be allowed to opt for startup with their mini project/ major project, seminars, summer trainings.
 - The area in which student wants to initiate a startup may be interdisciplinary or multidisciplinary. However, the student must describe how they will separate and clearly distinguish their ongoing research activities as a student from the work being conducted at the start up.
 - Students who are under incubation but are pursuing some entrepreneurial ventures while studying should be allowed to use their address in the institute to register their company with due permission from the institution.
 - Students entrepreneurs are allowed to sit for the examination, even if their attendance is less than the minimum permissible percentage, with due permission from the institute.
 - Students to take a semester/year break (by taking prior approval) to work on their startups and re-join academics to complete the course.
 - Student entrepreneurs may earn academic credits for their efforts while creating an enterprise.
- In return of the services and facilities, institute may take 2% to 9.5% equity/ stake in the startup/company, based on brand used, faculty contribution, support provided and use of institute's IPR(a limit of 9.5% is suggested so that institute has no legal liability arising out of startup).
 - The institute takes much lower equity share unless its full-time faculty/ staff have substantial shares.
 - Other factors for consider space, infrastructure, mentorship support, seed-funds, support for accounts, legal, patents etc.

**BHARATI VIDYAPEETH'S COLLEGE OF ENGINEERING
LAVALE, PUNE-412115**

- Institute have decided to take no-more than 20% of shares of faculty entrepreneur and faculty while drawing full salary from the institution
- If the faculty do not compromise with their existing academic and administrative work / duties than no restriction on shares that faculty can take.
- In case the faculty member holds the executive or managerial position for more than three months in a startup, outside the campus then they will go on sabbatical/ leave without pay/ earned leave.
- In case of compulsory equity model, Startup may be given a cooling period of 3 months to use incubation services on rental basis to take a final decision based on satisfaction of services offered by the institute/incubator. In that case, during the cooling period, institute cannot force startup to issue equity on the first day of granting incubation support.
- Product development and commercialization as well as participating and nurturing of startups is encouraged in our institute.
- BVCOEL extend this startup facility to alumni of the institute as well as outsiders.
- Participation in startup related activities need to be considered as a legitimate activity of faculty in addition to teaching, R&D projects, industrial consultancy and management duties and must be considered while evaluating the annual performance of the faculty. Product development and commercialization as well as participating and nurturing of startups would now be added to a bucket of faculty-duties Where a student/ faculty startup policy is pre-existing in an institute, then the institute may consider modifying their policy in spirit of these guidelines

**BHARATI VIDYAPEETH'S COLLEGE OF ENGINEERING
LAVALE, PUNE-412115**

Creating Innovation as pillars for Entrepreneurs at Institute Level

- We are spreading awareness among students, faculty members about the value of entrepreneurship and its role in career development.
- Generating employability is a part of BVCOEL's entrepreneurial agenda.
- Right from the first year to final year students are encouraged to develop entrepreneurial mindset through experiential learning by divulging them to training in cognitive skills (e.g. design thinking, critical thinking, etc.), by arranging guest lecturers of local entrepreneurs or experienced entrepreneurs to motivate young minds.
- BVCOEL has been taking initiatives by arranging idea and innovation competitions, hackathons, workshops, seminars, conferences, exhibitions, guest lectures by academic and industry personnel, exposing real life challenges and giving them recognition on routinely basis.
- We aim is to prepare the students for creating the start up through the education, integration of educational activities with enterprise-related activities are done.
- Our institute is linking the start ups and companies with wider entrepreneurial ecosystem and providing support to the students who show capability, in pre-startup phase.
- The institute is trying to connect student budding entrepreneurs with real life entrepreneurs, as it will help the students in understanding real challenges which may be faced by them while going through the innovation channel and which will increase the probability of success.
- The institute has established Institution's Innovation Councils (IICs) as per the guidelines of MHRD's Innovation Cell.
- IICs are guiding the institute in conducting various activities related to innovation, startup and entrepreneurship development. Collective and concentrated efforts are

**BHARATI VIDYAPEETH'S COLLEGE OF ENGINEERING
LAVALE, PUNE-412115**

undertaken to identify, explore, acknowledge, support and reward student ideas and innovations and to further facilitate their entrepreneurial journey.

- Networking events are organized like i2e competition and exposing students at various competitions to create a platform for the budding entrepreneurs to meet investors and pitch their ideas.
- The institute is providing business incubation facilities like laboratories, research facilities, IT services, training, mentoring, etc.
- The institute is also trying to teach the value of money and its importance in establishing startup. The entrepreneur must utilize these funds and return. Institute also published guidelines on the homepage on institute's website to answer the doubts and queries of the innovators and mentioning the list of facilities available at the institute.

**BHARATI VIDYAPEETH'S COLLEGE OF ENGINEERING
LAVALE, PUNE-412115**

Norms for Faculty Startups

- Role of faculty may vary from being an owner/ direct promoter, mentor, consultant or as on-board member of the startup.
- Institute is also working on developing a policy on 'conflict of interests' to ensure that the regular duties of the faculty don't suffer owing to his/her involvement in the startup activities.
- Faculty startup may consist of faculty members alone or with students or with faculty of other institutes or with alumni or with other entrepreneurs.
- In case the faculty/ staff hold the executive or managerial position for more than three months in a startup, they will go on sabbatical/ leave without pay/ utilize existing leave.
- Faculty must clearly separate and distinguish on-going research at the institute from the work conducted at the startup/ company.
- In case of selection of a faculty start up by an outside national or international accelerator, a maximum leave (as sabbatical/ existing leave/ unpaid leave/ casual leave/ earned leave) of one semester/ year (or even more depending upon the decision of review committee constituted by the institute) may be permitted to the faculty.
- Human subject related research in startup should get clearance from ethics committee of the institution.

**BHARATI VIDYAPEETH'S COLLEGE OF ENGINEERING
LAVALE, PUNE-412115**

Collaboration, Co-creation, Business Relationships and Knowledge Exchange

- BVCOEL is given prime importance in the entrepreneurial agenda of the institute for Stakeholder., BVCOEL have find potential partners, resource organizations, micro, small and medium-sized enterprises (MSMEs), social enterprises, alumni, professional bodies and entrepreneurs to support entrepreneurship and co-design the program.
- BVCOEL is organize events, competitions, guest lecture for better engagement of students which will give opportunities for staff, faculty and students to allow constant flow of ideas and knowledge through meetings, workshops, space for collaboration, lectures, etc
- BVOEL develop policy and guidelines for forming and managing the relationships with external stakeholders including private industries.
- Our institute formal and informal mechanisms such as internships, teaching and research exchange programmers, clubs, social gatherings, etc., faculty, staff and students of the institutes are given the opportunities to connect with their external environment.
- We are trying to connect of the institute with the external environment is leveraged in form of absorbing information and experience from the external ecosystem into the institute's environment.
- E-cell, MHRD IIC cell is created in the institute for the students, faculty, collaborators, partners and other stakeholders to ensure access to information.
- A mechanism is devised by the institutions to ensure maximum exploitation of entrepreneurial opportunities with industrial and commercial collaborators.

**BHARATI VIDYAPEETH'S COLLEGE OF ENGINEERING
LAVALE, PUNE-412115**

Product Ownership Rights for Technologies Developed at Institute

Our institute had made the policy in which if facilities/funds are used substantially or when IPR is developed as a part of curriculum/ academic activity, IPR is to be jointly owned by inventors and the institute.

i. Inventors and institute could together license the product / IPR to any commercial organization, with inventors having the primary say. License fees could be either / or a mix of

1. Upfront fees or one-time technology transfer fees
2. Royalty as a percentage of sale-price
3. Shares in the company licensing the product

ii. An institute may not be allowed to hold the equity as per the current statute, so SPV may be requested to hold equity on their behalf.

iii. If one or more of the inventors wish to incubate a company and license the product to this company, the royalties would be no more than 4% of sale price, preferably 1 to 2%, unless it is pure software product. If it is shares in the company, shares will again be 1% to 4%. For a pure software product licensing, there may be a revenue sharing to be mutually decided between the institute and the incubated company.

b. On the other hand, if product/ IPR is developed by innovators not using any institute facilities, outside office hours (for staff and faculty) or not as a part of curriculum by student, then product/ IPR will be entirely owned by inventors in proportion to the contributions made by them. In this case, inventor's can decide to license the technology to third parties or use the technology the way they deem fit.

c. If there is a dispute in ownership, a minimum five member committee consisting of two faculty members (having developed sufficient IPR and translated to commercialization), two

**BHARATI VIDYAPEETH'S COLLEGE OF ENGINEERING
LAVALE, PUNE-412115**

of the institute's alumni/ industry experts (having experience in technology commercialization) and one legal advisor with experience in IPR, will examine the issue after meeting the inventors and help them settle this, hopefully to everybody's satisfaction. Institute can use alumni/ faculty of other institutes as members, if they cannot find sufficiently experienced alumni / faculty of their own.

d. Institute IPR cell or incubation center will only be a coordinator and facilitator for providing services to faculty member and students. They will have no say on how the invention is carried out, how it is patent form, how it is to be licensed. If institute is to pay for patent filing, they can have a committee which can examine whether the IPR is worth patenting. The committee should consist of faculty who have experience and excelled in technology translation. If inventors are using their own funds or non institute funds, then they alone should have a say in patenting.

f. Interdisciplinary research and publication on startup and entrepreneurship should be promoted by the institutions.

**BHARATI VIDYAPEETH'S COLLEGE OF ENGINEERING
LAVALE, PUNE-412115**

Organizational Capacity, Human Resources, and Incentives

The Institute as per guidelines of MHRD and SPPU has appointed some of the faculty members to run the cell. The faculty members are from all the departments of the college. To promote Innovation and Entrepreneurship in our college experience and senior are running the cell. Up-skilling of the faculty and students has been a continuous process and it is achieved by organizing as well as participating in various events. Up-gradation of the knowledge of the stakeholder has been done by exposing faculty members as well as students with the MHRD IIC govern events

Our institute faculty members and students are working in coherence with each other to strengthen and cross-departmental linkages in various arena of teaching and research of gain maximum knowledge and exploitation of internal resources.

In line with the guidelines stipulated by the MHRD and as well SPPU we are scheduling guest lecturers, alumni lecture for strategic advice and skills developing which are not available internally.

Faculty and staff are encouraged regularly to do courses and participate in various activities related to innovation, entrepreneurship.

To lucubrate our institutes are planning to give academic and non-academic incentives and reward to all staff and stakeholders that actively contribute and support entrepreneurship activities.

The reward includes reduced teaching loads, awards, trainings, use of facilities and services.

**BHARATI VIDYAPEETH'S COLLEGE OF ENGINEERING
LAVALE, PUNE-412115**

Internship Cell Policy

OBJECTIVES :

Internships are educational and career development opportunities, providing practical experience in a field or discipline. They are structured, short-term, supervised placements often focused around particular tasks or projects with defined timescales. An internship may be compensated, non-compensated or some time may be paid. The internship has to be meaningful and mutually beneficial to the intern and the organization. It is important that the objectives and the activities of the internship program are clearly defined and understood. Following are the intended

Objectives of internship training:

- Expose Technical students to the industrial environment, which cannot be simulated in the classroom and hence creating competent professionals for the industry.
- Provide possible opportunities to learn, understand and sharpen the real time technical and managerial skills required at the job.
- Exposure to the current technological developments relevant to the subject area of training.
- Experience gained from the 'Industrial Internship' will be used in classroom discussions.
- Learn to apply the Technical Knowledge in real industrial situations.
- Expose the students to employers.

BENEFITS OF INTERNSHIP:

Benefits to the Industry

- Availability of ready to contribute candidates for employment.
- Year round source of highly motivated pre-professionals.
- Students bring new perspectives to problem solving.

**BHARATI VIDYAPEETH'S COLLEGE OF ENGINEERING
LAVALE, PUNE-412115**

- Visibility of the organization is increased on campus.
- Quality candidate's availability for temporary or seasonal positions and projects.
- Freedom for industrial staff to pursue more creative projects.
- Availability of flexible, cost-effective work force not requiring a long-term employer commitment.
- Proven, cost-effective way to recruit and evaluate potential employees.
- Enhancement of employer's image in the community by contributing to the educational enterprise.

**BHARATI VIDYAPEETH'S COLLEGE OF ENGINEERING
LAVALE, PUNE-412115**

Social media Policy

Objective:

This age demands social presence because social media has become an important ingredient of Digital presence for educational Institutes. To provide students with the ability to get more useful information, to connect with learning groups and other educational systems that make education convenient, social media platforms are very essential. As an educational institution, it is crucial to be active in many social platforms possible; this helps create better student training strategies and shapes student culture.

Standard Operating Processes:

- Communicate with students via Face book, Instagram, YouTube more effectively. These channels can be utilized to impart & to communicate college news, educational info, make declarations, and provide students with more valuable data.
- Connecting students with experts on topics via social media.
- Promoting extraordinary achievements of students, faculties over social media platforms of college.
- Organizing competitions like Blog writing, logo designing, Poster making, Vlog making etc.

Benefits to stakeholders:

- Easy sharing of Information
- Increase Social Credibility
- Cost-effective Communication
- Any time Connectivity
- Sharing Information & Knowledge

**BHARATI VIDYAPEETH'S COLLEGE OF ENGINEERING
LAVALE, PUNE-412115**

Intellectual Property Rights (IPR) Cell

Intellectual Property Rights (IPR) Cell

Intellectual property plays a significant role in providing a competitive edge to any Institution. Bharati Vidyapeeth's college of Engineering, Lavale, Pune recognizes the importance of generation of intellectual property by its teachers and students. This cell provides support and guidance to the engineering students and faculty members in protecting their inventions and creations. The College is committed to do all that is within its powers and obligations to encourage the creativity and innovation of its people, which can lead to generation of intellectual property (IP). This cell provides support and guidance to the engineering students and teachers in protecting their inventions and creations.

The major objectives of the IPR Cell include:

- To work in co-ordination with faculty members and students.
- To create awareness about IPR.
- Conduction of IP based workshops and seminars.
- To counsel and guide students and faculty members on the importance of IPR with the help of authorized patent agents.
- To forward eligible cases of IPR to IPR zonal offices.

**BHARATI VIDYAPEETH'S COLLEGE OF ENGINEERING
LAVALE, PUNE-412115**

**STANDARD OPERATING PROCEDURE (SOP) FOR PATENT
FILING**

Title

Standard Operating Procedure for Patent Applications

Purpose

The University encourages and actively supports activities undertaken by its staff and students that lead to the promotion of innovation, development of new technology and invention of new knowledge. The present operating procedures aim to achieve the following goals:

- 2.1 - Provide a standard operating procedure to expedite filing of patent applications.
- 2.2 - Establish a transparent evaluation process in determining viability and the extent of intellectual property protection of an invention with the involvement of both academics and members from industries.

Detail Procedures

Before we begin with the patent filing process it is important for the Inverter (Staff, Student, etc) to decide whether he/she will be filing the patent on their own or will be taking the help of a patent professional to do the process of your idea filing into a patent.

If the inventor decides to take the help of a patent professional then make sure that a Non-Disclosure Agreement (NDA) is signed with the patent professional / firm before disclosing the invention to them in order to maintain the confidentiality of the idea of the inventor.

Now the inventor/professional body needs to make sure that their idea to be filled for a patent grant in patentable or is Novel (not filled before or the technology being used by the inventor is new and not used before). This process is called the Prior Art.

The advantage of a search is it provides a good idea of the merit of the invention and helps in deciding if there are good chances of ultimately getting a patent granted. Furthermore, based

BHARATI VIDYAPEETH'S COLLEGE OF ENGINEERING
LAVAL, PUNE-412115

on the references (prior art) discovered during the search, you have the option of fine-tuning your patent application to ensure that you don't end up filing a patent for something which already existed.

The next step is to prepare an Indian patent application (Form 1).

Each patent application has to be mandatorily accompanied by a patent specification (Form 2). Based on the state of the invention, you can either file a provisional patent application (also known as Non-provisional in some countries).

If the invention is still in the development mode and tests are underway, it is a good idea to quickly file a provisional application to block the all-important filing date. Filing of the provisional application gives you 12 months of time to test and finalize your invention and file the complete application.

Whether filing a provisional or a complete application, extra special attention should be paid to the patent draft included along with the application. The patent draft is your representation in front of the patent office and the decision of the patent office on the grant of the patent will be made based on the draft itself.

to complete the drafting process of the patent the inventor needs to provide the following form to the Indian patent office –

Form 1 – Application for grant of a patent

Form 2 – Provisional/Complete specification)

Form 3 – Statement and undertaking regarding foreign application under section 8 (only required if a corresponding patent application is filed in another country)

Form 5 – Declaration as to inventorship (only to be filed along with the complete application)

Form 9 – Early publication form (optional – if the inventor wants his/her patent to be published faster)

Form 18 - Request for examination of the patent filled/drafted.

**BHARATI VIDYAPEETH'S COLLEGE OF ENGINEERING
LAVALE, PUNE-412115**

Form 26 – Form for authorization of a patent agent (only required if you are using a patent agent to help you file the application)

Form 28 – To be submitted by start-up or small entity (only required if you are claiming start-up or small entity status)

Priority documents – In case you are claiming priority from a foreign patent application and entering India, you may be required to provide the priority document as well.

Once the forms are submitted in the Indian patent office with the required processing fees of Rs. 8000/- approx. depend on the type of patent being filled. The examination period of the patent can take anywhere between 3-4 years until a grant for the patent is given.

The grant/ownership of a patent is give to the inventor for the span of 20 years since the date of the grant.

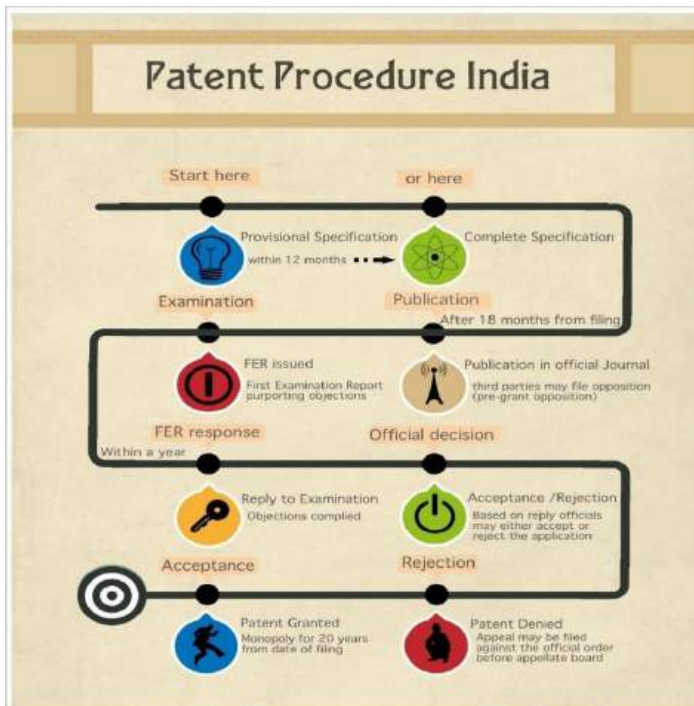

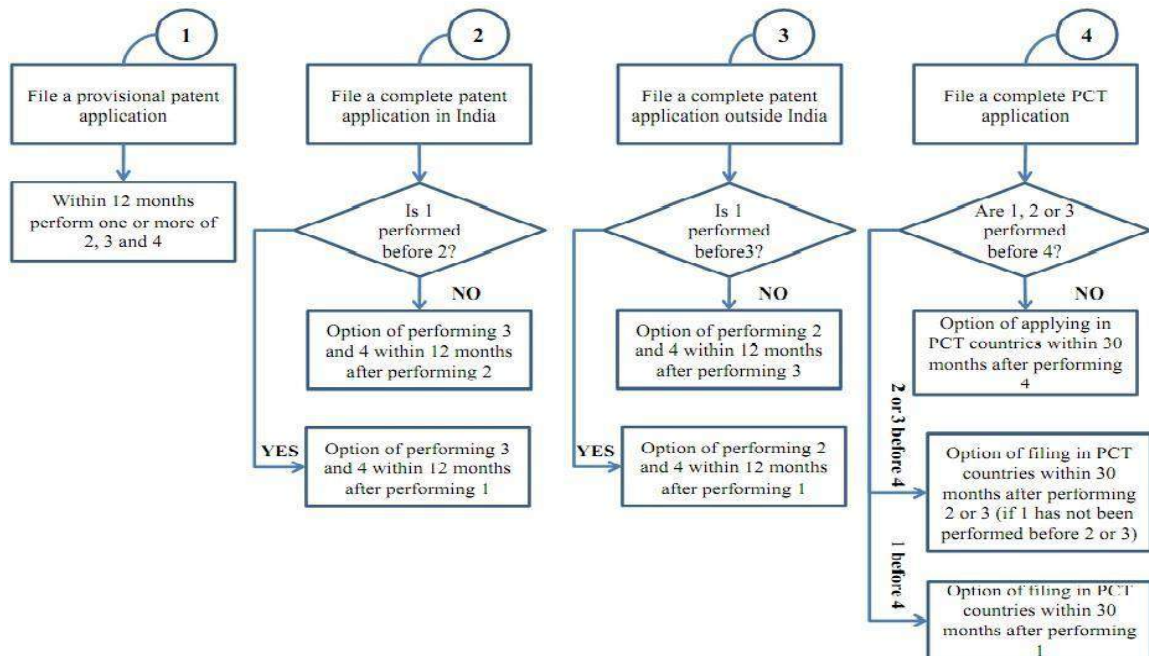

Note* - Every year after getting the grant of the invention/patent the inventor needs to pay a nominal fees to the government as a renewal fees.

For further details the inventor can visit - www.ipindia.nic.in

National Institutional Ranking Framework

BVCOEL is always taking part in National Institutional Ranking Framework. National Institutional Ranking Framework with emphasis on methodology for ranking universities and colleges across India. The methodology draws from the broad understanding arrived at by the Core Committee (CC) set up by Ministry of Human Resource Development (MHRD) that defines broad parameters to be used for ranking various universities and institutions. The ranking parameters agreed by the Core Committee (CC) are generic in nature that has been suitably adapted for evolving a detailed methodology for ranking universities and colleges.

Salient Features

- Methodology involves defining a set of metrics for ranking of universities and colleges based on the parameters agreed upon by the Core Committee (CC).
- These parameters are organized into five broad categories that have been further grouped into several sub-categories. Each broad category has an overall weight assigned to it. Within each category, the sub-categories also have an appropriate weight distribution. Executive Summary
- An attempt is made here to first identify the relevant data needed to suitably measure the performance score under each sub-category. Emphasis has been laid on identifying data that is easy to generate and easy to verify, if needed, in the overall interest of transparency.
- A suitable metric is then worked out, based on this data, which computes a score under each sub-category. The sub-category scores are then added to obtain scores for each individual category. The overall score is computed based on the weights allotted to each category. The overall score can take a maximum value of 100.
- The institutions can then be rank-ordered based on their scores.

**BHARATI VIDYAPEETH'S COLLEGE OF ENGINEERING
LAVALE, PUNE-412115**

**Atal Ranking of Institutions on Innovation Achievements
(ARIIA)**

BVCOEL register themselves and trying to play a crucial role to create a sustainable innovation ecosystem. This ecosystem will encourage, inspire and nurture young students by exposing them to new ideas and processes resulting in innovative activities in their formative years.

Atal Ranking of Institutions on Innovation Achievements (ARIIA) is an initiative of Ministry of Education (MoE), Govt. of India to systematically rank all major higher educational institutions and universities in India on indicators related to “Innovation and Entrepreneurship Development” amongst students and faculties.

Major Indicators for consideration

Assessment of innovation and startup ecosystem in HEIs will be based on Seven parameters with certain weightages allocated as below.

- Budget, Expenses to Support & Revenue Generated **(20 Marks)**.
- Infrastructures & Facilities to Support Innovations and Start-ups **(10 Marks)**.
- Awareness Activities for Promoting Idea Generation and Innovation **(20 Marks)**.
- Promotion and Supporting Entrepreneurship Development **(20 Marks)**.
- Intellectual Property (IP) Generation, Technology Transfer and Commercialization **(14 Marks)**.
- Innovative Learning Methods & Courses **(10 Marks)**.
- Innovations in Governance of the Institution **(6 Marks)**.

ARIIA ranking will certainly inspire Indian institutions to reorient their mind-set and build ecosystems to encourage high quality research, innovation and entrepreneurship. More than quantity, ARIIA will focus on quality of innovations and will try to measure the real impact created by these innovations nationally and internationally. Moreover, ARIIA will set tone and direction for institutions for future development for making them globally competitive and in forefront of innovation .

Research Innovation and Entrepreneurship cell ultimate vision

The Cell's ultimate vision is to create independent business entities out of interested students so that they not only become self-employed but also become capable of providing gainful, fulfilling employment to others and thereby benefit society at large.

Creating a conducive environment for formation of startups

- Entrepreneurship development cell should provide a conducive environment to guide students in right direction
- To create an entrepreneurial culture in the Institution and promote research objectives of BVCOEL, including financial benefits related to students and faculty members.
- To foster better linkages between the stakeholders, Industries, and R&D institutions and other related organizations engaged in promoting Small & Medium Enterprises.
- To catalyze and promote the development of small-scale enterprises and promote employment opportunities
- To respond effectively to the emerging challenges and opportunities both at national and international level relating to SMEs and Micro Enterprises.

Continuous Improvement and Sustainability

- By organizing Guest lectures, Workshop, Seminars, Alumni meet, etc on a recurring basis for promotion and growth of E-cell at BVCOEL.
- To arrange visits to industries for prospective entrepreneurs
- To conduct research work and survey for identifying entrepreneurial opportunities.
- To guide and assist prospective E-cell program at various aspects such as identification of mentor pool from the local ecosystem

**BHARATI VIDYAPEETH'S COLLEGE OF ENGINEERING
LAVALE, PUNE-412115**

- To act as an information center on business opportunities, processes, technologies, market, etc. by creating and maintaining relevant databases.
- To provide testing, calibration, quality assurance, design, tool room, pilot plant and other facilities for E-cell programs besides expertise in Intellectual Property rights, Patents search, etc.
- To render advice to sick enterprises and assist the entrepreneurs in rehabilitating them.
- To conduct skill development training program leading to self/wage employment.

**BHARATI VIDYAPEETH'S COLLEGE OF ENGINEERING
LAVALE, PUNE-412115**

Problem Encounter:

1. **Corporate Relations:** Corporate relationship is a major problem encounter by E cell.
2. **Events Organization:** for organizing an event, getting an appointment with the Industrialist and giant startup is a big problem.
3. **Mentoring and Resources:** Developing ecosystem for mentoring and resources for budding entrepreneur is a big problem.
4. **Student Relations:** E-cell must develop a relationship with the students so they can be motivated and ignite their entrepreneur spirit.
5. **Getting Fund:** Getting enough pre-seed funding to support prototype development and the earliest stages of venture development.
2) bridging the gap between fledgling venture and angel or VC investors.

**BHARATI VIDYAPEETH'S COLLEGE OF ENGINEERING
LAVALE, PUNE-412115**

Resources Required:

- Entrepreneurship development cell requires a conducive environment to guide students in right direction.
- Requires entrepreneurial culture in the Institution which promote research objectives of BVCOEL, including financial benefits related to students and faculty members.
- Requires better linkages between the stakeholders, Industries, and R&D institutions and other related organizations engaged in promoting Small & Medium Enterprises.
- Requires development of small-scale enterprises to promote employment opportunities
- Requires strength to solve emerging challenges and opportunities both at national and international level relating to SMEs and Micro Enterprises.

HSPM Solution Achievements

**Beginning of a new venture “HSPMSolutions” from 1st
January 2019:**

The Journey of a thousand miles begins with a single step. 1st January 2019, marked the beginning of a new venture for ‘BHARATI VIDYAPEETH’S COLLEGE OF ENGINEERING, LAVALE’, as on this day the first startup “HSPM” was officially established at BVCOEL Pune.

HSPM Solutions started commencing its operations from 13th October 2018 as a venture without being officially established. The inaugural ceremony to mark the beginning was held on 13th October 2018 at BVCOEL Pune. It was a remarkable event received immense support from all the stakeholders. The occasion was graced by Dr. R. N. Patil (Principal, BVCOEL Pune), Prof.U.C.Patkar (H.O.D, Computer Department) and the Professors Panel.

HSPM Solutions is registered as an LLP firm with MCA on 1st January 2019. This marked an entrepreneurship journey for BVCOEL Pune, with the vision and a motto to inculcate the culture of entrepreneurship amongst the student community.

**BHARATI VIDYAPEETH'S COLLEGE OF ENGINEERING
LAVALE, PUNE-412115**

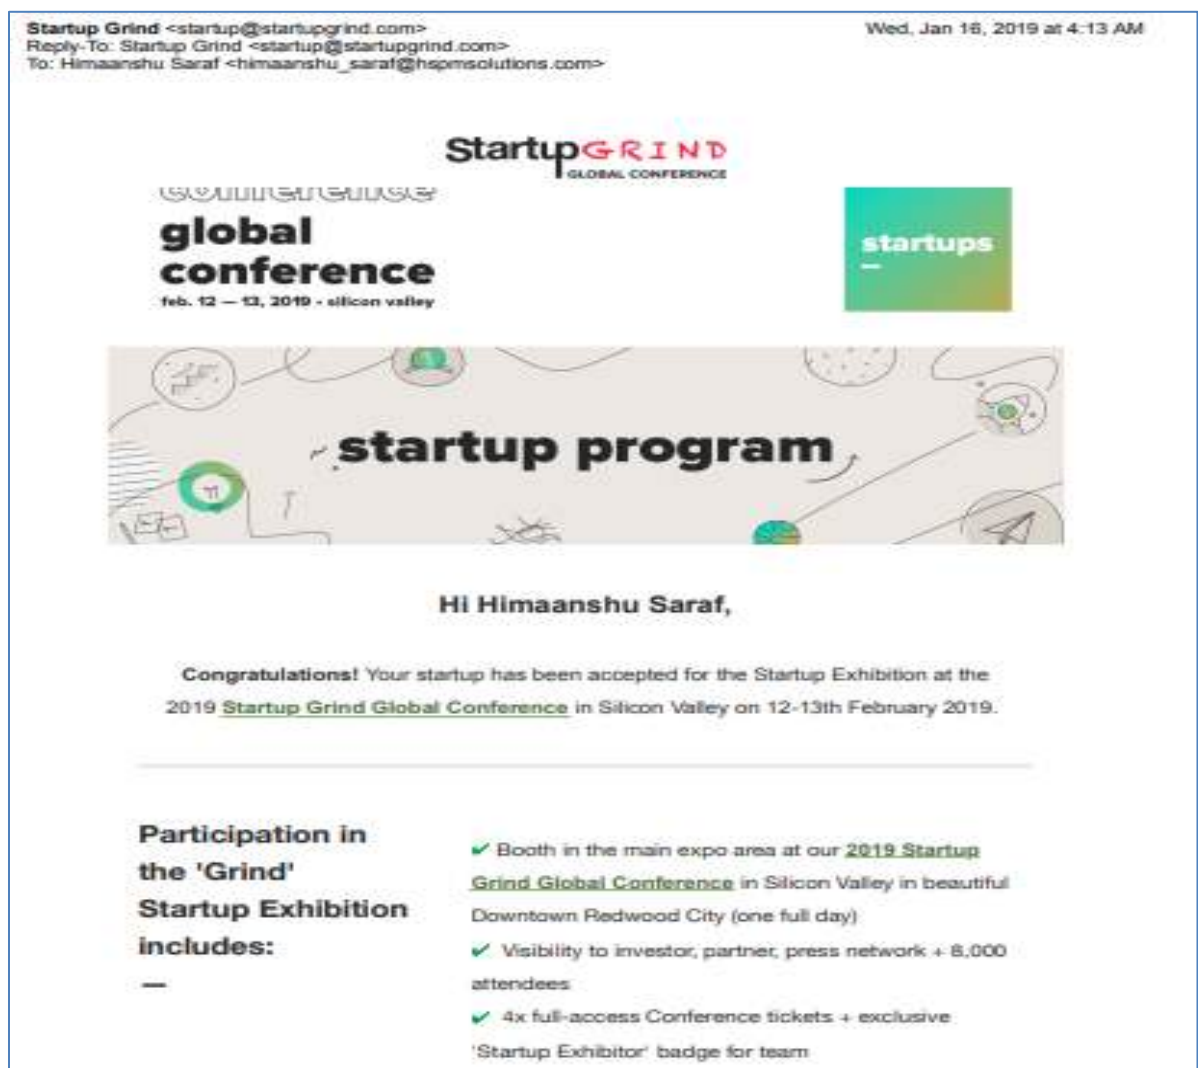

The Key highlights of HSPM are listed below:-

1. HSPM Solutions was selected in TOP 300 Start-up's by Start-up Grind (partnered by Google for Start-up's) in their global event "Start-up Grind Global Conference 2019" which was held in the month of February 2019 at Silicon Valley, California, USA. Unfortunately, HSPM could not make to the event due to visa related issues.
2. HSPM was able to secure the runner up position at "National level B-plan Competition" held at IIMS, Sai Balaji Group of Institutes, Pune, on Monday 25th February 2019.
3. Team HSPM for their remarkable work was felicitated by the Department of Computer Engineering, BVCOEL Pune during student's felicitation ceremony on 23/3/2019. Recently, HSPM has been selected under TOP 100 start-ups by Start-up Grind and it received an invitation to exhibit its product to the global audience at "Start-up Grind Europe Conference 2019" to be held in the month of June 2019 at London, UK.
- 4..Shortlisted for SPPU virtual Pre incubation under ready to go.
5. HSPM Solutions organized a "National level hardware Workshop and Competition" in association with the Department of Computer Engineering, BVCOE, Lavale Pune on Saturday, 16th February 2019. Around 150 entries were received from various institutions in and around Pune. The workshop was followed by a competitive event in the domain of hardware which enabled the students to have hands on experience.

On Fri, Mar 8, 2019, 8:48 AM Jamilah Morrar <jamilah@startupgrind.com> wrote:

Hi,

I hope this email finds you well.

I remember from our conversation a couple of months back that your startup was selected to exhibit at our Global Conference in February. We understand that you were not able to attend due to several reasons and since you have already been accepted by us, we are able to **fast track your startup through the application process, and offer you the opportunity to exhibit at the [2019 Startup Grind Europe Conference](#)** which will be held on **June 6th, 2019** in London.

As you may already know, we organize **2 flagship conferences** every year (**Global & Europe**) as well as the monthly local chapter events.

Both of these conferences are very similar in terms of the value and opportunities they present to startups, but the **cost to exhibit at the Europe Conference is nearly half** of what it is for Global (**you still become a member of the same Startup Program!**) since it is a one day conference (as opposed to 2 days).

Tickets are now available via [this link](#) - we've already had a substantial number of applications for just 100 places, so do secure your place ASAP if you'd like to attend!

Please let me know if you have any questions. Feel free to [schedule](#) a call too.

Hope to finally meet you in person in London :-)

Best wishes,
Jamilah

**Annual Performance Rating of Institutions'
Innovation Council in HEIs**

At Annual Performance Rating of Institutions' Innovation Council in HEIs for the IIC2.0 calendar year (2019-20), our college had secured **4.5 stars out of 5**. About 1701 IIC councils, 28 states and 5 union territories had participated in 2019-20. Within a short span of only one year, the college is able to achieve such a great height. It is an astonishing achievement for the college to set such a milestone in its debut year in IICs. This was only possible due to the excellent guidance and support from Principal Dr. R. N. Patil. Dr. Nidhi Jain, Convenor MHRD IIC, and other committee played a critical role in achieving this success.

**लवळे येथिल अभियांत्रिकी महाविद्यालय यांना
प्रतिष्ठेचे ४.५ स्टार दर्जाचे मानांकन प्राप्त**

पुणे - भारतातील तंत्रज्ञान क्षेत्रात कार्यरत असणाऱ्या विविध उच्च शिक्षण संस्थांमधून शिकणाऱ्या विद्यार्थ्यांना पालना देऊन नव-उद्योजक व संशोधनात प्रोत्साहन देऊन एम्प्लॉयमेंट लेव्हल इन्शेक्शन इन्वेस्टिगेशन तयार करणे हे मूळ उद्दिष्ट समोर ठेऊन एम.एच.आर.डी. मंत्रालय भारत सरकार अंकित इंस्टीट्यूट इनोव्हेशन कॅम्पस (आय. आय. सी.) ची स्थापना करण्यात आलेली आहे.

या अर्जात पत्रावलीत विविध अभियांत्रिकी महाविद्यालयांमध्ये लोकात ई.सेल व्हा स्थापना करण्यात आलेल्या आहेत. व त्या कायद्यानुसार विद्यार्थ्यांसाठी उच्च संज्ञात्मक क्षमता विकसित करणे, त्यांच्यातील नव वळणांना प्रोत्साहित

करण्यासाठी विविध व नवविद्यार्थ्यां आणि उद्योजकता वाढीस लागली यासाठी महत्त्वपूर्ण उद्योजक, गुंतवणूकदार, व्यावसायिक बांध्या समेता कार्यशाळा आयोजन करण्याच्या सुचना देण्यात आलेल्या होत्या.

,परिस्फोट, वर्षांनुवर्षे यांचे आयोजन करणे तसेच नवीन उद्योगिक संकल्पना प्रस्थापित करू शकणाऱ्या विद्यार्थ्यांसाठी मार्गदर्शक संघ तयार करणे, हस्तक्षेप स्पर्धांचे आयोजन करणे अशा उपायाने

आयोजन करण्याच्या सुचना देण्यात आलेल्या होत्या. त्यानुसार लवळे येथील भारती विद्यापीठाचे अभियांत्रिकी महाविद्यालय वेधे खडबडीत अय.आय.सी. लेव्हल ई.सेल ची स्थापना व नोंदणी करण्यात आली. तुलनेने नवीन असलेल्या या अभियांत्रिकी महाविद्यालयामध्ये अवघड्या खर्चकरात अय.आय.सी. च्या निर्देशांनुसार उद्योजकता व संशोधन क्षेत्रामध्ये विद्यार्थ्यांकडे घालून ठेवत व त्यासाठी अनेक दर्जावर कार्यक्रमांचे सुबद्ध व यशस्वी आयोजन करण्यात आलेले होते. याबाबत बरिबत म्हणून अल्पकालीन वेधीत विद्यार्थी व प्राध्यापकांनी मिळून सुमारे ३५ पेटंट्स फायल केलेले आहेत व चार स्टार्ट-अपची नोंदणी करण्यात

आलेली आहे. भारत सरकारच्या उच्च शिक्षण मंत्रालयाच्या आय. आय. सी. ने विद्यार्थ्यांसाठी केलेल्या याच प्रमाणिक प्रवृत्तीची दखल घेत महाविद्यालयात प्रतिष्ठेचे ४.५ स्टार दर्जाचे मानांकन देऊन सन्मानित केलेले आहे तसेच प्रा. डॉ. निधी जैन व प्रा. प्रानसा प्यार या महिला प्राध्यापकांची आय.आय.सी. चे इन्वेस्टिव्ह एंबेसेडर या पदावर नियुक्ती करण्यात आली आहे. महाविद्यालयाचे प्राचार्य डॉ. अर.प. घटगे यांच्या समर्थ मार्गदर्शन व प्रोत्साहनामुळे तसेच आय.आय.सी. च्या सर्व प्रेरित सदस्यांच्या प्रयत्नांमुळे हे या संघटने करण्यात महाविद्यालयातला यश मिळाले असे प्रतिपादन महाविद्यालयाच्या आय.आय.सी.च्या संचालिका प्रा. डॉ. निधी जैन यांनी केले.

**वर्दीतील स्त्रीशक्ती : पोलीस कर्मचारी संगीता डोले
सामाजिक जाणिवेतून भटकंती करणाऱ्या
समाजातील मुलांना मोफत ज्ञानदानाचे काम**

मुंबई, दि. २२ : कोरोनाच्या तडाघात आल्याचा पोलीस दलातील स्त्रीशक्तीने कर्तव्यापलीकडे जाऊन सामाजिक जबाबितेतून लोखणीय काम केले आहे. त्या स्त्रीशक्तीचा सन्मान व वीर्य करण्याचा हा एक छोटासा प्रयत्न.

भक्ते-शक्ती व कुणी संस्कृतीचे प्रतीक असणारे नवरात्रीचे संगत पर्यं सुरु असताना महाराष्ट्र पोलीस दलातील स्त्रीशक्तीच्या कार्यवाहीबाबत गौरव करणे महत्त्वाचे वाटते. महाराष्ट्र पोलीस दलामध्ये स्त्रीशक्ती अनेक प्रकारे समाजदारीत आयली बांधिलकी

**वर्दीतील स्त्रीशक्ती
संगीता डोले**

संगीत डोले दक्षिण पोलीस दलात कार्यरत असणाऱ्या महिला पोलीस कर्मचारी संगीता डोले या सामाजिक जबाबितेतून भटकंती करणाऱ्या समाजातील मुलांना

मोफत ज्ञानदानाचे काम करता आहेत. भटकंती करणाऱ्या समाजातील मुलांना शिक्षणाच्या मुक्या प्रमाणात आत्मपणासाठी कर्तव्यापलीकडे जाऊन ज्ञानदानाचे पवित्र काम करणाऱ्या डोले यांचा पोलीस दलाचा कुटुंबमुख म्हणून मता अभिमान आहे.

नवरात्र उत्सवाचे पवित्र पर्यं सुरु असताना महाराष्ट्र पोलीस दलातील असा मान्य कार्य करणाऱ्या स्त्रीशक्ती ओळख करून देत असताना मला मनःपूर्वी आनंद होत आहे. असे वीरवेद्यत वृत्ताची अनित देशमुख यांनी म्हणले.

धर्माबाद ते मनमाड एक्सप्रेस शनिवारी सकाळपासून धावणार

Action Plan for I&E Policy Implementation at BVCOEL level

Vision/Goal of I&E Policy & Action Plan:

The I&E policy set vision and set directional support to BVCOEL. It aims at adopting innovative and entrepreneurial strategies and approaches at all level of to BVCOEL to establish, streamline and strengthen the I&E ecosystem to generate quality innovations and entrepreneurs.

The action plan is a roadmap to achieve I&E policy goal by setting objectives and activities to be undertaken in the specified timeline with defined targets and milestones.

Both I&E policy and action plan adopts a monitoring and impact evaluation methodology which ensures all planned programs and activities progress as desired and accomplish the goal.

Objective of I&E policy along with the action plan:

1. To establish institutional mechanisms, processes and guidelines to generate knowledge, intellectual properties and innovations from institute and commercialization of innovations through technology transfer, technology licensing and startups etc.
2. To Develop a critical mass of motivated students & faculties with creative potential, and entrepreneurial orientation & skill set.
3. To build and strengthen the in-house mentor pool and human resource capacity to drive campus I&E activities; identifying, handholding and guiding potential/early stage entrepreneurs, student innovators at the Institute on regular basis.
4. To build infrastructure support and facilities to promote innovation & startup and enabling environment of easy access to resources within an outside the institute.
5. To strengthen the intra and inter-institutional partnership and collaboration with ecosystem at different level and co-creation of new program interventions.

Implementation of I&E Policy and Action Plan

Annexure –I: Action Plan:- Planned Programs, Activities, Budget Allocation, and Annual Targets

I&E Policy Objectives	Thrust Area	Planned Intervention: Program/Activities (Input)	Unit of Measurement (KPIs)	Current Status (Baseline Value)	Budget Allocation /Collaboration (Resource/Source)	Annual Targets (Process/Output)		
						Year 1	Year 2	Year 3
Objective 1: To establish institutional mechanisms, processes and guidelines to generate knowledge, intellectual properties and innovations from institute and commercialization of innovations through technology transfer, technology licensing and startups etc.	Developing an Innovative and Entrepreneurial Mind set through series of Activities	Mr. Kamal Gupta, Financial Management Post Covid-19 and effects on business development	No of students and faculty members participated and understand the basics of IPR, Innovation and Entrepreneurial concepts	BVCOEL per-incubation center established to guide, nurture the stake folders	As per institute policy budget is allocated	m	m+1	m+2
	Developing an Innovative and Entrepreneurial Mind set through series of Activities	Organized joint webinar with BVCOEL, Op Ex Start Up Accelerator & Sakal Media Group on “Interview with Hon Shri Hanmantrao Gaikwad, with Chairman of BVG(Bharat Vikas Group), India's Largest Integrated Services”-	No of students and faculty members participated and understand the basics of IPR, Innovation and Entrepreneurial concepts	BVCOEL per-incubation center established to guide, nurture the stake folders	As per institute policy budget is allocated	m	m+1	m+2
	Developing an Innovative and Entrepreneurial Mind set through series of Activities	Organized joint webinar with BVCOEL, Op Ex Start Up Accelerator & Sakal Media Group on Mr. Indraneel Chitaleeth with owner of Chitale Group	No of students and faculty members participated and understand the basics of IPR, Innovation and Entrepreneurial concepts	BVCOEL per-incubation center established to guide, nurture the stake folders	As per institute policy budget is allocated	m	m+1	m+2
	Developing an Innovative and Entrepreneurial Mind set through series of Activities	Organized joint webinar with BVCOEL, Op Ex Start Up Accelerator & Sakal Media Group on Dr. Apurva Joshii Director in the companies like RiskPro, Minda Rinder, QuickHeal Technologies.	No of students and faculty members participated and understand the basics of IPR, Innovation and Entrepreneurial concepts	BVCOEL per-incubation center established to guide, nurture the stake folders	As per institute policy budget is allocated	m	m+1	m+2
Objective 2: To Develop a critical mass of motivated students & faculties with creative potential, and entrepreneurial orientation & skill set.	Dedicated Infrastructure and facilities to promote Innovation and Entrepreneur at Institute	Organized joint webinar with BVCOEL, Op Ex Start Up Accelerator & Sakal Media Group on Mr.Sumit Prabhun,owner of Hacktron InfoSec Pvt Ltd Cheif Hacking Officer at Hacktron Infosec Private Limited Pune, Maharashtra, India	No series of lectures organized for skills	Training of faculty members	As per institute policy budget is allocated	m	m+1	m+2
	Dedicated Infrastructure and facilities to promote Innovation and Entrepreneur at Institute	Organized joint webinar with BVCOEL, Op Ex Start Up Accelerator & Sakal Media Group on Mrs.Anjori Parandekar Director, OpEx Startup Accelerator.	No series of lectures organized for skills	Training of faculty members	As per institute policy budget is allocated	m	m+1	m+2

m*= money spent by college in first year of establishment of pre-incubation

	Dedicated Infrastructure and facilities to promote Innovation and Entrepreneur at Institute	Organized joint webinar with BVCOEL, Op Ex Start Up Accelerator & Sakal Media Group on Mrs.Vruda Kulkarni Chief Consultant and Founder of AceSai Consultants, Pune	No series of lectures organized for skills	Training of faculty members	As per institute policy budget is allocated	m	m+1	m+2
	Dedicated Infrastructure and facilities to promote Innovation and Entrepreneur at Institute	Organized joint webinar with BVCOEL, Op Ex Start Up Accelerator & Sakal Media Group on Mr.Dadu Salgar Entrepreneur and Founder Amrutulaya tea.	No series of lectures organized for skills	Training of faculty members	As per institute policy budget is allocated	m	m+1	m+2
	Dedicated Infrastructure and facilities to promote Innovation and Entrepreneur at Institute	Organized joint webinar with BVCOEL, Op Ex Start Up Accelerator & Sakal Media Group on Mr.Paritosh Pal	No series of lectures organized for skills	Training of faculty members	As per institute policy budget is allocated	m	m+1	m+2
Objective 3: To build and strengthen the in-house mentor pool and human resource capacity to drive campus I&E activities; identifying, handholding and guiding potential/early stage entrepreneurs, student innovators at the Institute on regular basis.	No of skill and competency development training programs/FDPs/EDPs organised	Organized joint webinar with BVCOEL, Op Ex Start Up Accelerator & Sakal Media Group on Mr.Akshay Agrawal Founder of 'Siddhagiri's Satvyka Health Re-store' Kolhapur, Maharashtra, India	Awareness about the entrepreneurship startup related activities have been developed	Pre Incubation center established and start working to developed ecosystem	As per institute policy budget is allocated	m	m+1	m+2
	No of skill and competency development training programs/FDPs/EDPs organised	Organized joint webinar with BVCOEL, Op Ex Start Up Accelerator & Sakal Media Group on Mr.Nikhil Bawadekar. He started his own business in the apparel sector called The Fashion Studio in Kolhapur today	Awareness about the entrepreneurship startup related activities have been developed	Pre Incubation center established and start working to developed ecosystem	As per institute policy budget is allocated	m	m+1	m+2
	No of skill and competency development training programs/FDPs/EDPs organised	Organized joint webinar with BVCOEL, Op Ex Start Up Accelerator & Sakal Media Group on Mr.Siddharth Gadre. Founder of Smart Brew Tea/Coffee Vending Machine Company, Kolhapur, Maharashtra	Awareness about the entrepreneurship startup related activities have been developed	Pre Incubation center established and start working to developed ecosystem	As per institute policy budget is allocated	m	m+1	m+2
	No of skill and competency development training programs/FDPs/EDPs organised	Organized joint webinar with BVCOEL, Op Ex Start Up Accelerator & Sakal Media Group on Mr.Shripad Kolhtkar the owner of Genericart Medicines Pvt Ltd	Awareness about the entrepreneurship startup related activities have been developed	Pre Incubation center established and start working to developed ecosystem	As per institute policy budget is allocated	m	m+1	m+2
	No of skill and competency development training programs/FDPs/EDPs organised	Organized joint webinar with BVCOEL, Op Ex Start Up Accelerator & Sakal Media Group on Mr.Siddhant Jadhav GM Naturals at GM Natural Foods , Spirulina Pune, Maharashtra, India They are the manufacture the Spirulina (worlds best superfood) and Moringa Oleifera powder as well tablets,in bulk or packed	Awareness about the entrepreneurship startup related activities have been developed	Pre Incubation center established and start working to developed ecosystem	As per institute policy budget is allocated	m	m+1	m+2

Objective 4: To build infrastructure support and facilities to promote innovation & startup and enabling	Generation and Commercialization of Intellectual property rights	Organized joint webinar with BVCOEL, Op Ex Start Up Accelerator & Sakal Media Group on Mr.Surendra N. Patwardhan is founder at Soham Consultants Pune having expertise in ISO Consulting, Auditing, Training.	No of External/General Entrepreneur are invited on board	Better facilities are developed to strengthen the ecosystem	As per institute policy budget is allocated	m	m+1	m+2
	Generation and Commercialization of Intellectual property rights	Prof.Dr.Nidhi Jain and Prof.Mrs.Prajakta Pawar as Both are working as Assistant Professor at Bharati Vidyappeth's College of Engineering,Lavale,Pune	External/General Entrepreneur are invited on board	Better facilities are developed to strengthen the ecosystem	As per institute policy budget is allocated	m	m+1	m+2
Objective 5: To strengthen the intra and inter-institutional partnership and collaboration with ecosystem at interventions.	Participation of Institute in providing bigger platform to students and revenue generated by Incubation services	Prof.Dr.Nidhi Jain,working as Assistant Professor at Bharati Vidyappeth's College of Engineering,Lavale,Pune	No. of Startup/Independent entity developed and no of students willing to become entrepreneur	Collaboration and MoU are signed to strengthen the ecosystem	As per institute policy budget is allocated	m	m+1	m+2
	Participation of Institute in providing bigger platform to students and revenue generated by Incubation services	by Dr.Mona Kejariwal IIC President, RD & SH National College of Bandra	No. of Startup/Independent entity developed and no of students willing to become entrepreneur	Collaboration and MoU are signed to strengthen the ecosystem	As per institute policy budget is allocated	m	m+1	m+2
	Participation of Institute in providing bigger platform to students and revenue generated by Incubation services	Prof.Dr.R.N.Patil, Working as Principal at Bharati Vidyappeth's College of Engineering,Lavale,Pune	No. of Startup/Independent entity developed and no of students willing to become entrepreneur	Collaboration and MoU are signed to strengthen the ecosystem	As per institute policy budget is allocated	m	m+1	m+2
	Participation of Institute in providing bigger platform to students and revenue generated by Incubation services	Mr.Suhas Mekhe Management Consultant and Entrepreneur, Working as Assistant Professor Indira college of engineering and management	No. of Startup/Independent entity developed and no of students willing to become entrepreneur	Collaboration and MoU are signed to strengthen the ecosystem	As per institute policy budget is allocated	m	m+1	m+2
	Participation of Institute in providing bigger platform to students and revenue generated by Incubation services	Dr.Mahima Singh,Working as Assistant Professor, Pratibha Institute of business management Pune	No. of Startup/Independent entity developed and no of students willing to become entrepreneur	Collaboration and MoU are signed to strengthen the ecosystem	As per institute policy budget is allocated	m	m+1	m+2

Annexure –2: Timeline and Progress Tracking Sheet

I&E Policy Objectives	Thrust Area	Planned Intervention: Program/Activities (Input)	Responsibility Unit/Dept./ Person In charge	Timeline (Academic Year)					
				Year 1 Quarter 1	Year 1 Quarter 2	Year 1 Quarter 3	Year 1 Quarter 4	Year 2	Year 3
Objective 1: To establish institutional mechanisms and processes to generate knowledge, intellectual properties and innovations from institute and commercialization of innovations through technology transfer, technology licensing and startups etc.	Developing an Innovative and Entrepreneurial Mind set through series of Activities	Mr. Kamal Gupta, Financial Management Post Covid-19 and effects on business development	Mrs.Prajakta DagaduPawar

8A4	Total seed fund/grant disbursed by HEI from its own funds to innovation entrepreneurial ventures (Financial Fields of line items entered in 4 to 5)	9.5	Facilitated Registration of Startups/ Technologies developed from BVCOEL in YUUKTI 5.0 IPR Cell/ DMO of the Knowledge, Technology and Innovation portal of MOE (The line items entered in 5.1, 5.2 and 5.3 will be reviewed and validated)
8A5	Total seed Fund/Grant received from external sources disbursed to Startups (Financial Fields of line items entered	9.6	Participation of Students from the HEI in National Education and Technology (NEAT) exercises

Annexure 4: List of Activities prescribed under IIC Calendar Activities

Semester I			
Quarter 1			
Sl. No.	Activity	Mandatory/ Elective	Thrust Area
1	IIC Council formation or upgradation (of existing council) at Institute level. Conduct first council meeting.	Mandatory	Inspiration, Motivation and Ideation
2	Workshop on "Entrepreneurship and Innovation as Career Opportunity"	Elective	
3	My Story - Motivational Session by Successful Innovators	Elective	
4	My Story - Motivational Session by Successful Entrepreneur/Startup founder.	Elective	
5	Session on Problem Solving and Ideation Workshop	Elective	
6	Exposure and field visit for problem identification.	Elective	
7	Pitching workshop & linkage of innovators with Innovation Ambassadors.	Elective	
8	Panel Discussion on Atmanirbhar Bharat- Vocal for Local. Make in India for the world.	Elective	
9	Orientation Session on National Education Policy (with a focus on Innovation and entrepreneurship)	Mandatory	
Quarter 2			
1	IIC Council Meeting- Review of Q1 progress and Planning for Q2.	Mandatory	Validation and Concept Development
2	Session on Process of Innovation Development	Elective	
3	Workshop on Design Thinking, Critical thinking and Innovation Design	Elective	
4	Field/Exposure Visit to Fab lab, Makers Space, Design Centres, City clusters etc.	Elective	
5	Workshop on Entrepreneurship Development Phases	Elective	
6	Design Validation through various model of design validation (e.g. Double Diamond Approach)	Elective	
7	Session on identifying Intellectual Property component at the early stage of Innovation	Elective	
8	Idea/ PoC pitching & validation and Institute level PoC competition. Submission of Idea/PoC on IIC Portal	Mandatory	
9	Orientation session for all students & faculties of Institute by Innovation Ambassador	Elective	
10	Call for paper writing and research report on Innovation	Elective	
11	Orientation Session on National Innovation and Startup Policy (NISP)	Mandatory	
12	Semester Break : Internship at startup	Elective	

Semester II			
Quarter 3			
1	IIC Council Meeting- Review of Q2 progress and Planning of Q3.	Mandatory	Prototype, Design, Process Development for Business Model/ Process/ Services
2	Field/Exposure Visit to Incubation Unit/Patent Facilitation Centre/Technology Transfer Centre/ Co-working spaces	Elective	
3	Workshop on Prototype/Process Design and Development - Prototyping	Elective	
4	Session/ Workshop on Business Model Canvas (BMC)	Elective	
5	Business Plan/Prototype Competition to Invite Innovative Business Models from Students	Elective	
6	Session on "How to plan for Start-up and legal & Ethical Steps"	Elective	
7	Interactive Session/Mentoring Session with "Successful Start-up founders" (Entrepreneurs in Campus)	Elective	
8	Workshop on Intellectual Property Rights (IPRs) and IP management for start up	Elective	
9	Mentorship Session for Innovators (or) Student Entrepreneurs through experts and (or) Innovation Ambassadors/Innovation Agent	Elective	
10	Orientation session for all students & faculties of Institute by Innovation Ambassador(s).	Mandatory	
Quarter 4			
1	IIC Council Meeting- Review of Q3 progress and Planning of Q4	Mandatory	Awareness about Startup and related Ecosystem
2	Session on Prototype Validation - Converting Prototype into a Startup	Elective	
3	Session on Accelerators/Incubation - Opportunities for Students & Faculties - Early Stage Entrepreneurs	Elective	
4	Organise Session on "Lean Start-up & Minimum Viable Product/Business"- Boot Camp (or) Mentoring Session	Elective	
5	Session on Angel Investment/VC Funding Opportunity for Early Stage Entrepreneurs	Elective	
6	Session on Building an Innovation / product fit for market	Elective	
7	Session/ Panel discussion with innovation and Startup Ecosystem Enablers from the region/state/national level	Elective	
8	Orientation session for all students & faculties of Institute by Innovation Ambassador	Elective	
9	Semester Break : Internship at startup.	Elective

(57) Abstract :

ABSTRACT Our Invention Power Generation using Advanced Electromagnetic Suspension is a The principal objective of planned the regulator for a vehicle suspension framework is to decrease the distress detected by travelers which emerges from street harshness and to expand the ride taking care of related with the pitching and moving developments. This requires an exceptionally quick and precise regulator to meet as much control goals, as could be expected. Along these lines, this paper manages a man-made reasoning Neuro-Fuzzy (NF) procedure to plan a vigorous regulator to meet the control targets. The upside of this regulator is that it can deal with the nonlinearities quicker than other traditional regulators. The methodology of the proposed regulator is to limit the vibrations on each edge of vehicle by providing control powers to suspension framework while going on harsh street. The other reason for involving the NF regulator for vehicle model is to decrease the body tendencies that are made during serious moves including slowing down and cornering. A full vehicle nonlinear dynamic suspension framework is presented and tried. The outcomes show that the smart NF regulator has further developed the unique reaction estimated by diminishing the expense work.

(57) Abstract:

ABSTRACT [500] The Invention: Mobile Phone Battery Charge with Integrated Interface is a interesting development has been noticed in researches of wireless power transfer techniques to eliminate the use of the cables after Wi-Fi became widely utilized. When traveling, we could simply overlook about USB cables and the traditional chargers. Normally, the users of the mobile devices have the anxiety of power lack during carrying out a critical job and have no possibility of access to a charger. The users keen to always keep their mobile devices with extra power as much as possible. Also, power sharing techniques have been modified, based on user's nearness mobile devices. That became able to get power from them. This paper will show an overview study and basis of the wireless mobile phones charging techniques. The primary purpose of this research is to study the related literature of mobile phones charging in order to gain wireless charging review. These devices eliminate the need to use messy cords giving a more convenient experience. We have successfully carried out an overview study and principles of five charging techniques of wireless mobile phones, as well as the sixth technique of direct connection between iPhone mobiles. The advantages and disadvantages have been explained. The goal of the future researches is to reduce the size of the related devices and increase the distance and power transfer and the efficiency of devices as well as focusing on the techniques with less harmfulness to the human and the environment.

(57) Abstract
ABSTRACT [506] The invention Mathematical Modeling of Smart Class Table is a depicts the improvement of numerical displaying as a component in school math educational programs and evaluations. After a record of what has been accomplished throughout recent years, represented by the chronicles of two mathematician-modelers who were involved, I examine the ramifications for the future - for how still needs to be empowered demonstrating to make its fundamental commitment to the practical science, the numerical proficiency, of future residents and experts. What changes in educational plan are probably going to be required What do we be aware of accomplishing these changes, and what more do we have to be aware What assets will be required How far have they previously been created How might math instructors be empowered to deal with this challenge which, shockingly, is new to the majority of them These are the general inquiries tended to. The examples from previous experience on the difficulties of huge size of execution of significant changes, like showing displaying in school arithmetic, are talked about. However there are significant impediments still to survive, the circumstance is empowering.

(57) Abstract :
ABSTRACT Our Invention MATHEMATICAL MODELING FOR DESIGN AND DEVELOPMENT OF SMART STREET LIGHT SYSTEM WITH AIR PURIFIER is a the smart street light system with air purifier will help to reduce the air pollution and also helps to reduce electricity usage of street light system by integrating it with Arduino board. The sensors play very important role in the working of project. The sensors receives signal by emitting the radiations and passes this signal to Arduino and Arduino controls the turning on/off of LED lights according to the program created. The real time clock sensor stores the time based on which street lights are going to turned on/off. The MQ135 sensors sense all the infectious gases present in air and according to the signal transmit by the Arduino the fan will turned on/off. For project we are using filters (pre-filter, carbon filter, HEPA filter, etc.) to deliver better air quality. This Project will help to build ecofriendly and healthy systems in the cities/town of India.

(57) Abstract :
ABSTRACT [500] Our invention ECO-FRIENDLY ELECTRICITY GENERATION AND NUMERICAL ANALYSIS VIA GYM EQUIPMENTS is a majority of recently developed technologies are fully dependent on electricity to function properly, hence the need for energy is rising daily. The development of humans has been greatly influenced by energy. The scientific community is turning its attention to renewable energy sources because conventional energy sources like coal, natural gas, and fossil fuels are finally running out. This study proposes a theoretical model of the Energy Generating Gyms System (EGGS), which will contribute its share to the renewable energy industry. People in today's society are concerned about their health and use gym equipment to practise activities that will help them reach their desired level of fitness. In a gym, numerous machines are physically operated by users exerting effort on the devices. The concept behind smart EGGS is that human energy used on gym equipment should be transformed into electrical energy. Smart EGGS will produce clean, sustainable, and renewable electrical energy. According to research for smart EGGS, people are also a source of renewable energy, and the chemical energy they possess can be turned into electrical energy. For the nations who are suffering from severe energy difficulties, EGGS will be tremendously helpful. The combined output of all the gym equipment will provide the necessary quantity of electrical energy for the equipment. It is possible to resell extra electrical energy to a utility.

(57) Abstract :
 ABSTRACT [500] Our invention ECO-FRIENDLY ELECTRICITY GENERATION AND NUMERICAL ANALYSIS VIA GYM EQUIPMENTS is a majority of recently developed technologies are fully dependent on electricity to function properly, hence the need for energy is rising daily. The development of humans has been greatly influenced by energy. The scientific community is turning its attention to renewable energy sources because conventional energy sources like coal, natural gas, and fossil fuels are finally running out. This study proposes a theoretical model of the Energy Generating Gym System (EGGS), which will contribute its share to the renewable energy industry. People in today's society are concerned about their health and use gym equipment to practise activities that will help them reach their desired level of fitness. In a gym, numerous machines are physically operated by users exerting effort on the devices. The concept behind smart EGGS is that human energy used on gym equipment should be transformed into electrical energy. Smart EGGS will produce clean, sustainable, and renewable electrical energy. According to research for smart EGGS, people are also a source of renewable energy, and the chemical energy they possess can be turned into electrical energy. For the nations who are suffering from severe energy difficulties, EGGS will be tremendously helpful. The combined output of all the gym equipment will provide the necessary quantity of electrical energy for the equipment. It is possible to resell extra electrical energy to a utility.

(57) Abstract :

ABSTRACT Our Invention MATHEMATICAL MODELING FOR DESIGN AND DEVELOPMENT OF SMART STREET LIGHT SYSTEM WITH AIR PURIFIER is a the smart street light system with air purifier will help to reduce the air pollution and also helps to reduce electricity usage of street light system by integrating it with Arduino board. The sensors play very important role in the working of project. The sensors receives signal by emitting the radiations and passes this signal to Arduino and Arduino controls the turning on/off of LED lights according to the program created. The real time clock sensor stores the time based on which street lights are going to be turned on/off. The MQ135 sensors sense all the infectious gases present in air and according to the signal transmit by the Arduino the fan will be turned on/off. For project we are using filters (pre-filter, carbon filter, HEPA filter, etc.) to deliver better air quality. This Project will help to build ecofriendly and healthy systems in the cities/town of India.

पेटेंट प्रमाणपत्र
PATENT CERTIFICATE
(Rule 74 of The Patents Rules)

क्रमांक : 022123658
SL No :

पेटेंट सं. / Patent No. : 427660
आवेदन सं. / Application No. : 202021036197
फाइल करने की तारीख / Date of Filing : 22/08/2020
पेटेंटी / Patentee : 1.Dr.Nidhi Jain 2.Dr. Arundhati Pande

प्रमाणित किया जाता है कि पेटेंटी को, उपरोक्त आवेदन में यथाप्रकटित TOPICAL USE OF TRIDEX PROCUMBENS IN OCULAR DISEASES नामक आविष्कार के लिए, पेटेंट अधिनियम, 1970 के उपबंधों के अनुसार आज तारीख अगस्त 2020 के बाईसवें दिन से बीस वर्ष की अवधि के लिए पेटेंट अनुदत्त किया गया है।

It is hereby certified that a patent has been granted to the patentee for an invention entitled TOPICAL USE OF TRIDEX PROCUMBENS IN OCULAR DISEASES as disclosed in the above mentioned application for the term of 20 years from the 22nd day of August 2020 in accordance with the provisions of the Patents Act, 1970.

अनुदान की तारीख : 30/03/2023
Date of Grant :

पेटेंट नियंत्रक
Controller of Patent

टिप्पणी - इस पेटेंट के नवीकरण के लिए फीस, यदि इसे बनाए रखा जाना है, अगस्त 2022 के बाईसवें दिन को और उसके पश्चात प्रत्येक वर्ष में उसी दिन देय होगी।

Note. - The fees for renewal of this patent, if it is to be maintained will fall / has fallen due on 22nd day of August 2022 and on the same day in every year thereafter.

Certificate of Registration for a UK Design

Design number: 6275308

Grant date: 26 April 2023

Registration date: 13 April 2023

This is to certify that,

in pursuance of and subject to the provision of Registered Designs Act 1949, the design of which a representation or specimen is attached, had been registered as of the date of registration shown above in the name of

Dr. Padmaja Chennapragada, Dr. Baban More, Prof. Dr. Sanjay Bansilal

Chordiya, Prof. Jyoti Dhanke, Mr. Pawan Kumar Singh, Dr. Biplab Kumar Sarkar

in respect of the application of such design to:

Organic Waste Composter Device

CERTIFICATE OF GRANT INNOVATION PATENT

Patent number: 2020101920

The Commissioner of Patents has granted the above patent on 16 September 2020, and certifies that the below particulars have been registered in the Register of Patents.

Name and address of patentee(s):
Prashant Kumar Shukla of Asst. Professor(SO)&Research Coordinator, Computer Science and Engineering, School of Engineering & Technology Jagran Lakecity University, Bhopal, Madhya Pradesh - 462042 India
Deenathayalan U of Research Scholar, Department of Biochemistry, PSG College of Arts and Science Coimbatore Tamil Nadu - 641019 India
Gourav Kalra of Assistant Professor, Department of Mechanical Engineering, Mahanishi Markandeshwar (Deemed to be University), Mullana Ambala, Haryana - 133207 India
Namrata Tripathi of Assistant Professor, Department of Mathematics, Govt. PG. COLLEGE, Rajgarh(M. P) Bhopal - Madhya Pradesh - 465961 India
Harleen Kaur of Professor, Department of Physics Space Science, NRI GROUP OF INSTITUTIONS House number 425 Sector 3 Shaktinagar Bhopal, Madhya Pradesh - 462024 India
Gurusharan Kaur of Assistant Professor, Department of Mathematics, Career College Bhopal, Madhya Pradesh - 462023 India
Akanksha Sharma of Assistant Professor, Department of Engineering Mathematics, R. G. P. V. Technical University Bhopal Madhya Pradesh- 462041 India
Biswas J of Assistant Professor, Department of Mathematics, Shri Vishwakarma Skill University Palwal Haryana- 122003 India
Ritini Abraham Kurien of Assistant Professor, Department of Mechanical Engineering, SAINTGITS College of Engineering Kottayam Kerala- 686532 India
R. N. Patil of Principal, Bharati Vidyapeeth's College of Engineering, Lavale, Pune Maharashtra - 412415 India
Dhanke Jyoti Atul of Assistant Professor, Dept of Engineering Science(Mathematics) Bharati Vidyapeeth's College of Engineering, Lavale, Pune, Maharashtra - 412415 India

Title of invention:
TRIBOLOGICAL PROCESSED SOLID SUPER LUBRICITY CARBON-BASED DRILLS

Name of inventor(s):
Shukla, Prashant Kumar; U., Deenathayalan; Kalra, Gourav; Tripathi, Namrata; Kaur, Harleen; Kaur, Gurusharan; Sharma, Akanksha; J., Biswas, Kurien, Ritini Abraham; Patil, R. N. and Atul, Dhanke Jyoti

Term of Patent:
Eight years from 21 August 2020

Dated this 16th day of September 2020
Commissioner of Patents

 PATENTS ACT 1990
The Australian Patent Office is a division of the Department of Industry, Innovation and Science.

23.2020102665

Australian Government
IP Australia

**CERTIFICATE OF GRANT
INNOVATION PATENT**

Patent number: 2020102665

The Commissioner of Patents has granted the above patent on 18 November 2020, and certifies that the below particulars have been registered in the Register of Patents.

Name and address of patentee(s):
D. Aruna Kumar (Professor), Department of Computer Science and Engineering, Vidyut Jyothi, Institute of Technology, Azamgarh Gata Chikur Balaji Road Hyderabad, Telangana 500076 India
Seema Tiwari of Army Institute of Technology Dighi Pune.MH 411015 India
R. Sumalatha (Associate Professor), Department of ECE Vardhaman College of Engineering Hyderabad 501218 India
D. Nagajyothi (Associate Professor), Department of ECE Vardhaman College of Engineering Shamshad 501218 India
M. Rajani Devi (Associate Professor), Department of ECE Vardhaman College of Engineering Shamshad 501218 India
G. A. E. Satish Kumar (Professor), Department of ECE Vardhaman College of Engineering Hyderabad 501218 India
L. Smitha (Assistant Professor - OMTS), H.No. 36A, behind bible house RP Road Secunderabad, Hyderabad 500063 India
Monas Ranjan Sahoo of OJO - Upendra Sahoo, At-Manisahu Chikak, PO - Buxi Bazar Cuttack Odisha 753001 India
Jyoti Lamba of H.No. 477 Surya Nagar, Opp Dalal Bhanan, Gohana Road Rohtak Haryana 124001 India
Nidhi Jain of B-603, Mont Vert Dieu, Pashan Sur Road Pashan Pune.MH 411021 India

Title of invention:
AMTH: Biomedical Waste Management: Automatic Method and Technologies for Biomedical Waste Management Including Ayurveda Hospitals Using IoT- Based System

Name of inventor(s):
Kumar, D. Aruna; Tiwari, Seema; Sumalatha, R.; Nagajyothi, D.; Devi, M. Rajani; Kumar, G. A. E. Satish; Smitha, L.; Ranjan Sahoo, Monas; Lamba, Jyoti and Jain, Nidhi

Term of Patent:
Eight years from 10 October 2020

NOTE: This Innovation Patent cannot be enforced unless and until it has been examined by the Commissioner of Patents and a Certificate of Examination has been issued. See sections 120(1A) and 129A of the Patents Act 1980, set out on the reverse of this document.

Dated this 18th day of November 2020
Commissioner of Patents

PATENTS ACT 1980
IN ALTERNATIVE FORMS: INTELLECTUAL PROPERTY ACT 1980 AND INTELLECTUAL PROPERTY RIGHTS ACT 1999

(57) ABSTRACT
Our invention "Automatic Fuel Energy Generated Car" is a concept used to generate adequate electrical power to charge a plurality of storage batteries driving a perpetual, fuel-free electric vehicle or alike. The batteries supply adequate power to at least one electric motor to propel the vehicle and supply electricity to all other vehicle instruments such as lights, wipers, defogger, etc. The invented technology also includes the two alternatives, and green energy sources are used to continuously charge the batteries: solar energy generated from solar panels covering every and all possible area of the vehicle's exterior surface and wind energy generated by one or more electric generators driven by one or more wind turbines mounted within the vehicle and placed under its exterior surface. The invented technology is a front, top and side wind streams surrounding the vehicle, one channeled through air passages and each air passage is designed as a funnel-like air duct where the end of the air duct with the smaller cross-sectional area is directed into the array of the wind turbine system to concentrate the stream-lined winds. The energy of the aggregated and accelerated winds harnessed by one or more wind turbine systems placed in the wind stream's path. Each wind turbine system has an electric generator to convert the rotational energy of turbine's shaft into electric energy. The invented technology takes the output of each wind turbine generator to a controller unit where electric voltage is regulated and converted, if necessary, to charge the plurality of storage batteries. The output of the solar panels are also applied to the controller unit to be regulated and converted if necessary to charge storage batteries' plurality. The controller unit continuously charges the batteries of the electric vehicle, whether the vehicle is stopped or moving. The controller unit is also

Students Induction Program 2022

As per directives of AICTE & SPPU we have to conduct "Student Induction Program 2022" (SIP 2022) for first year engineering students. This is to inform that First Year Students Induction Program is scheduled from 14th Nov. 2022 to 19th Nov. 2022. First year engineering students be present accordingly. Attendance is mandatory for students in formal dress code.

We once again welcome you to BVCOE Lavale, Pune and wish you a full of learning experience.

Report: - Guest Lecture on - "Three Phase Inverter and Converter"

Date: -25/02/19

Bharati Vidyapeeth's College of Engineering, Lavale always aims for a better career for each of the student. Considering the future requirements and career scope, ENTC department arranged a Guest Lecture on the topic "Three Phase Inverter and Converter", which was delivered by Dr. D. E. Upasani (HOD, Subject Chairman, SITS, Narhe, Pune) on 25/02/19.

As per schedule the lecture took place for 2 hours. Total 18 students from TE (E&TC) had attended the same.

To
The Principal,
(BVCOE, Lavale, Pune)

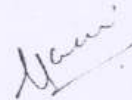

Subject: Permission for Expert Lecture.

Respected Sir,

Dr. D. E. Upasani (S.I.T, Narhe Pune) is delivering an expert lecture on 25/02/2019 (Monday) for T.E. (E&TC) students on Power Electronics. It is helpful for student's better performance and improves their understanding.

Kindly permit to arrange the expert lecture with remuneration Rs. 2000/-

Thanking You.

Yours Faithfully
Mrs. Lalita Kiran Wani

Subject: Letter of Appreciation

Dear Sir,

Thank you very much for delivering an informative and thought provoking lecture as guest speaker on "Three Phase(Φ) Inverter and Three Phase(Φ) Converter" held on 25th February 2019 at Bharati Vidyapeeth's College of Engineering, Lavale, Pune

It was really a splendid presentation which exposed students to field practices.

All the students appreciated and got benefited from your views on the subject.

Yours sincerely,

ABraham

A Report on One Day Training Programme for Non-teaching Staff

A training programme for the Non Teaching Staff of Mechanical Engineering Department of Bharati vidyapeeth college of Engineering Lavale, Pune, organised on campus on 15.02.2019.

Programme based on for computer based training and for personality development and work life balance.

On the second half **Prof. Khapper Vishwanath** and handled a session on Financial Planning for a common man, **Prof. Dhamone** handled a session on Stress, time management and work life balance, a talk on team work and communication skill.

Attended workshop Report

On

“Effective Methodology for Engineering Mechanics”

Day One

Welcome and Saraswati Vandana had done after the inauguration program had a breakfast and tea. The sessions was started at 11:00am in their sessions they discussed about Engineering mechanics syllabus, question paper pattern for theory examination, weightage of marks for online questions and marks distribution as per units.

Unit-1 Composition and Resolution of force system numerical were taken and explain the concepts in morning session.

Unit -2 Explain the concepts of Rectilinear Motion of a particle at afternoon session.

Day Two

Morning session explain the coverage of units-1 & unit-2. The units can be covered by taking a numerical such that which covers maximum points and explaining the concepts in the class and giving assignments to the students. Explain the concepts of unit -3 Curvilinear motion at morning session.

At afternoon session explain the concepts of unit-4 Work energy Principle and impulsive momentum equation.

Day Three

Morning session conducted the practical and shared their views on various practicals. Submission of the journals and giving assignments related to practical based problems to the students.

Explain the concepts of Space Force System in morning session.

At afternoon session explain the teaching methodology such as drawing of diagram on board clearly, motivating them for asking questions and interaction of students.

ABOUT COLLEGE

Bharati Vidyapeeth's College of Engineering Lavale, Pune is affiliated to SPPU and approved by DTE, AICTE and Accredited by NAAC. Our Educational campus at Lavale is an upcoming complex of promising Educational Institutions. It is spread over about 283 acres and has a very lovely background of a small picturesque hill. The campus enjoys immense beauty of nature and clean and healthy atmosphere. The campus is very serene and peaceful. Lavale is a small place, now getting developed as a suburb of the city of Pune. It is very close to the hub of IT industries located in Hinjewadi. It is well connected to the city of Pune. The purpose of establishing this College is to make available to the students latest knowledge in various branches of Engineering and skills associated with it. The product of this college will therefore be easily absorbed in the industries or will be able to start own enterprise.

OVERVIEW

Workshop includes practical assignment on topographic surveying and building construction layout demarcation.

INTRODUCTION

Total station is basically a theodolite or an instrument to measure angles across horizontal and vertical planes. It is additionally equipped with an EDM to evaluate relative terrestrial distances. A Total Station is a real-time system embedded with an onboard computer for live feedback.

Using real-time measurements, the onboard computer is capable of resolving or adjusting data and setting construction points. Some Total Stations are also robotic which enables the surveyor to utilize the device remotely with the help of a controller. Total Stations are also integrated with Global Positioning System (GPS).

OBJECTIVES:

- Understand Electronic Distance Measurement (EDM) principles
- Define How Total Station works, need of orientation
- Perform topographical survey (plain table and contour survey)
- Understand the stakeout concepts
- Perform Stake out / Demarcation of Building Layouts / Plot Layouts / Roads / Alignments
- Define the procedure for download and upload data to TS
- Produce simple survey map using AutoCAD

RESOURCE PERSON

Ashish R Kale

R. K Engineer

LECTURE SESSION-1

- Introduction of Survey
- Brief about modern Instruments
- Introduction to key functions
- Methodologies adopted and instruments used for surveying presently and in earlier days

- E-survey software, data uploading and downloading.

PRACTICAL SESSION - 2

- Primary adjustment
- Control point establishment
- Perform topographical survey
- Plotting and mapping in CAD

Report on “National Level Workshop with hands on Training on CFD”

Computational Fluid Dynamics (CFD) is a methodology for computer simulation of fluid flow and heat transfer problems. The simulation results in prediction of the flow fields in the domain of interest, and of engineering parameters, which are very useful in the design and optimization of Heat Transfer processes and equipment. It is an open ended application of fluid mechanics and heat transfer. CFD reduces the time and cost for designing and analyzing engineering systems, and is slowly becoming integral part of Computer Aided Engineering (CAE). Computational Fluid Dynamics (CFD) is a mathematical science that compliments experimental and theoretical fluid dynamics. CFD finds wide applications in various Engineering fields like Aerospace, Automotive, Mechanical, Civil and Chemical Engineering. This Computational Fluid Dynamics (CFD) workshop would provide a solid background for the participants to apply CFD methods for design, analysis and engineering applications in flow problems. This workshop has been designed to analyze different fields of application like Turbo machinery, Transient flow, Heat Transfer, Mixing of Fluids problems, etc. This CFD workshop is planned for eight modules with hands on training and few industry specific problems, to expose the participants on real time solutions. This exposure would definitely provide an excellent opportunity for the participants to deepen their knowledge in CFD.

The workshop imparted fundamental knowledge of Computational Fluid Dynamics and we were able to simulate the problems in CFD. During the workshop we were introduced with various applications of computational fluid dynamics and how to solve the heat transfer and fluid flow problems using ANSYS. This course had provided core knowledge of how to analyze internal and external flow problems, heat transfer, mixing of fluids problems, etc. The classroom session followed by practical sessions. Thus this workshop was a great opportunity for those who want to start working in CFD.

About The JSPM

Jayawant Shikshan Prasarak Mandal was set up in 1998 under able & dynamic leadership of Prof. Dr. T. J. Sawant with an objective of providing quality education in the fields of Engineering, Management, Computer Applications, Pharmacy & Basic School education. Slogan for the growth of JSPM over the years has been "To provide Quality Education from K.G to P.G. to aspiring youth of the country". There are 55 institutes under the aegis of JSPM offering full fledged school education, Diploma, Graduation, Post-graduation in various branches of Engineering, Pharmacy & Management, at seven educational campuses ideally located in various parts of Pune city and one campus located in Barshi in picturesque environment conducive for better & effective Teaching - Learning process.

About Jayawantrao Sawant College of Engineering, Hadapsar, Pune-28

Jayawantrao Sawant College of Engineering, since its establishment in 2004 is involved in practicing various teaching learning methodologies of excellence to deliver quality engineering education to students coming from all corners of the country. The institute is located at Hadapsar (Pune) surrounded by industries, IT companies & reputed townships. The excellent academic calendar with space for individual skills and personality development, excellent team work of faculty members, initiative for industry interface for enhancing Training and Placements are salient features of the institute.

About Savitribai Phule Pune University

Savitribai Phule Pune University (SPPU) formerly University of Pune, called as the Oxford of East, is one of the leading Universities in India. The National Assessment and Accreditation Council has given five star rating and UGC has identified SPPU as the "University with Potential for Excellence (UPE)". SPPU is one of the largest in world with more than five lakh students studying in 58 Post graduate departments, research centers and more than 800 affiliated colleges. SPPU supports R&D activities undertaken by affiliated colleges by providing seed money through various schemes. This workshop is a perfect example of SPPU supported initiative. The atmosphere in Pune is quite pleasant to stay during winter season. It is well connected by all means to all corners of the country.

Report: - 3 Days Workshop on - "Machine Learning with Python"

Date: - 21/01/19 to 23/01/19

Bharati Vidyapeeth's College of Engineering, Lavale always aims for a better career for each of the student. Considering the future requirements and career scope, Computer department and ENTC department arranged a 3 days' workshop on the topic - "Machine learning with Python", which was inaugurated on 21/01/19 and will conclude on 23/01/19. The program began with Saraswati poojan, shlok chanted by Miss. Sakshi Lale (BE computer).

The inauguration function was conducted in Mechanical seminar hall with presence of Hon. Guest Mrs. Sumedha Sahasrabudhe, Hon. Mrs. Kalpana Kothawade, Mr. Khairnar, Dr. R. N. Patil , Principal BVCOEL, Prof. U. C. Patkar, HOD Department of computer Engineering, Prof. A. B. Wani, HOD Department of Electronics and Telecommunications Engineering and 143 students from BVCOE, Lavale.

Prof. Prajakta Pawar of Computer Department gave the preamble of the workshop. Dr. R. N. Patil sir and Mrs. Sumedha ma'am shared the importance of the workshop with the students.

All the dignitaries inaugurated the workshop by unraveling the prospectus.

A vote of thanks was given to all the faculty members and the student coordinators who took efforts for the workshop to be successful.

Inauguration program was concluded by Prof. Swati Gawhale of EnTC Department.

Anchoring was done by Miss. Mayuri Wagh (ENTC dept.), Miss. Shwetali Bhagwat (Computer dept). Total 93 (From E&TC -42 and From Comp-51) registered and successfully completed 3 days workshop at BVCOEL.

As per schedule the workshop took place for 3 days. Valedictory function was organized from 3:30 - 4:30 on 23rd of Jan 2019, thus the session was concluded.

(a) Inauguration of Workshop and Welcome of Guest on 21st Jan 2019

(b) Inauguration of Workshop and Welcome of Guest on 21st Jan 2019

(c) Session during 3 day Workshop.

(d) Valedictory function on 23rd Jan 2019

(e) Valedictory function on 23rd Jan 2019

Guest Lecture Report

Topic- Competitive Examination & Higher Education

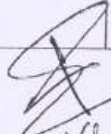

Name of Expert – Mr. P. N. Santosh

Associate Engineer Byjus India

Department of mechanical engineering organized an Guest lecture for mechanical engineering students on Competitive Examination & Higher Education on 15 February 2019. The guest speaker was Mr. P. N. Santosh (Associate Engineer Byjus India). In this guest lecture informed about GRE, TOEFL exam preparation and provide the guidelines for higher education abroad after completion of Bachelor Engineering Degree. At the end of session conducted examination for students. The event ended with honorarium to the guests and vote of thanks.

Expert Lecture Report

Date 26/02/20

Topic- Mechatronics and Industrial Automation

Name of Expert – Mr. Nilesh Narvekar
CEO & Founder N-Gen Automation, Pune

To explore the new avenues and vistas of industrial automation, the department of mechanical engineering organized an expert lecture for third year mechanical engineering students on Mechatronics & Industrial Automation by Mr. Nilesh Narvekar (CEO & Founder of N Gen Automation) on 22 February 2019. The objectives of this lecture were to aware the students about opportunities in Mechatronics Field and applications of Mechatronics. The expert correlated different topic and made the lecture Interesting he discussed the PLC, SCADA, Motion Control and Sensors by giving practical examples. The Expert lecture feedback of student was good and they were satisfied with lecture.

FUTSAL EVENT REPORT

Date: 11/05/2023

Faculty Coordinators: Prof. P. S. Kadam

Student Coordinators: Nabeel Sayed, Aman Mujawar, Rohit Labade

The FUTSAL Event was organized by the Department of Engineering Science at Bharati Vidyapeeth's College of Engineering, Lavale, Pune. The objective of this event was to promote sports participation among students, develop their non-academic skills, and encourage new talent in the field of football. The event featured a total of ten boy's teams.

Benefits of Playing Football :

Football is a sport that offers numerous physical and mental benefits. It helps improve the strength of the foots, enhances eye-hand coordination, and contributes to overall physical fitness. Additionally, playing football can boost cardio fitness and provide an opportunity for students to develop their social skills through team interaction. The mental benefits of the sport include a sense of satisfaction when scoring points and overcoming opponents' challenges, which can help alleviate stress and improve mental well-being.

Aatya-Patya Report

Introduction:-

Atya patya or atya-patya is a traditional India's sport played by two sides of nine players. It is more popular in rural areas of India. It is more commonly played in Maharashtra, a western Indian state. Atya patya is described as a "game of feints". The playing area comprises nine trenches, coming out of either side of a central trench; a point is awarded to the attacking team's players for each trench they cross without being tagged out by the defensive players within the trenches. The game ends after 4 innings (scoring turns) of 7 minutes each, with each team having two innings to score. It has been described as a game of "militant chase". It is organized during the "SAPTARANG" in a college on dated 9th May 2023 along with 4 teams of boys and girls.

RULES AND REGULATIONS

1. Each team will contain minimum 6 and maximum 7 players.
2. Each team will get 10-10 minutes attacking and defending.
3. Attacker team will contain 6 players and defending team will contain 5 players. 1 player will remain extra.
4. Attackers have to protect themselves from defenders and cross the endline to take a life and return to start line while protecting themselves from defenders.
5. If any attacker is stuck between defenders, the attacker who has taken the life by crossing endline he can share his life by touching the area of stuck attacker.
6. With the help of shearing life they can get back to start line by protecting themselves from defenders.
7. Point will be allotted as per the number of attackers return to start line. [1 Attacker = 1 Point]
8. Defender has to touch the attacker from given space to eliminate the player.
9. If the defender touches attacker by crossing the given space the attacker will not get eliminated.
10. Defenders have to, restrict attackers from crossing the end line and also restrict while attacker returning to start line.
11. If the score gets tied, then the decision will be given on number of elimination of players.

NOTE - DEMO WILL BE GIVEN BEFORE THE GAME STARTS

CHES COMPETITION REPORT

Date: 08/05/2023

Faculty Coordinators: Prof. A. B. Mane Prof. S.N. Kadam

Student Coordinators: Om Dhangar, Bhavesh Mourya, Preet Ikhar

The Chess Competition was organized by the Department of Mechanical Engineering at Bharati Vidyapeeth's College of Engineering, Lavale, Pune. The objective of this event was to promote sports participation among students, develop their non-academic skills, and encourage new talent in the field of Chess.

Benefits of Playing Chess:

Chess is a sport that offers numerous mental benefits. It helps improve the concentration of the brain, enhances eye-hand coordination, and contributes to overall mental fitness. Additionally, playing Chess can boost your IQ. The mental benefits of the sport include a sense of satisfaction when scoring points and overcoming opponents' challenges, which can help alleviate stress and improve mental well-being.

Report: "Intercollegiate Yoga Competition"

Date: 17 November 2022

Intercollegiate Yogasan (Men and Women) Competition was organized by Dr. Babasaheb Ambedkar College of Art's and Commerce, Yerwada, Pune-6 on 17 November 2022 at 7:00 a.m.

The Yoga competition took place in the open Amphitheatre hall on 2nd floor of the college. All the participants were expected to perform first six asan's compulsorily according to the list and any four asan's out of the optional asan's mentioned in the list. From Bharati Vidyapeeth's College of Engineering, Lavale, Pune Miss.Yashika Aggarwal student of SE (computer) participated in this Yoga competition. She performed Suryanamaskar, Paschimotanasan, Sarvangasan, Purn Dhanurasan, Karnpidasan and Garudasan very nicely and effectively which were the compulsory asan's . Later out of the optional asan's she selected to perform for Purn Bhujangasan, Natrajasan, Uthhit Padmasan and Purn Matsyendrasan.

The competition led to be a successful one which was well organized by the co-ordinators of Dr. Babasaheb Ambedkar College of Art's and Commerce, Yerwada, Pune-6. Dr. Pathak, director of SPPU intercollegiate sports was the chief person of the event. Prof. Leena B.Chaudhari , sports member of Bharati Vidyapeeth's College of Engineering, Lavale, Pune co-ordinated Miss. Yashika for this event.

Report on Cultural Event 2021-2022

In order to search the hidden talent among the students, cultural platform is one of the best way to express themselves. Various Cultural Activities, Technical and Non Technical events were organized during the academic year 2021-22. All events were successfully organized and celebrated under the guidance of Principal Sir and with the cooperation of all students of the College and Cultural Committee.

List Events Organized:-

- Technical Events
 - Engineering Dokyality
 - Poster Presentation
- Non Technical Events
 - Chess Competition
 - Treasure Hunt
 - Photography
 - Dare a minute
- Cultural
 - Traditional Day
 - Dance
 - Singing
 - Alumni Meet
 - Poetry
 - Beat Boxing
 - Fashion Show
- Sports
 - Cricket
 - Volleyball

The above mention events were carried out successfully with the hard work done by all the committee members (Teaching, Non Teaching Staff & Students) and volunteers. In alumni meet 46 students were present. In Cultural activity, above 160 students participated in various events. The number of volunteers for the program was above 100 to make the program successful

Details are given as follows.

Technical Event 2022
BGMI and Quiz master

Date: 29/04/2022
Department: Computer
Venue: CCF Lab

During the Annual Gathering of College 2021-22, there was a technical event conducted by the students of Computer Department of Bharati Vidyapeeth College of Engineering Lavale, Pune, in which many students for different branches participated.

The event was basically a online gaming competition of a well known game, BGMI. In this competition students were asked to make a group of 4 members and each group had to eliminate other groups to win the match. There were total 3 rounds conducted in different maps and the winners were awarded with the certificate and cash prize.

Around 27 teams participated in the event, which was conducted in the CCF Lab of our college on 29 April 2022. The participants had a tough match and they all enjoyed the game. Winners were announced on the same day after the event

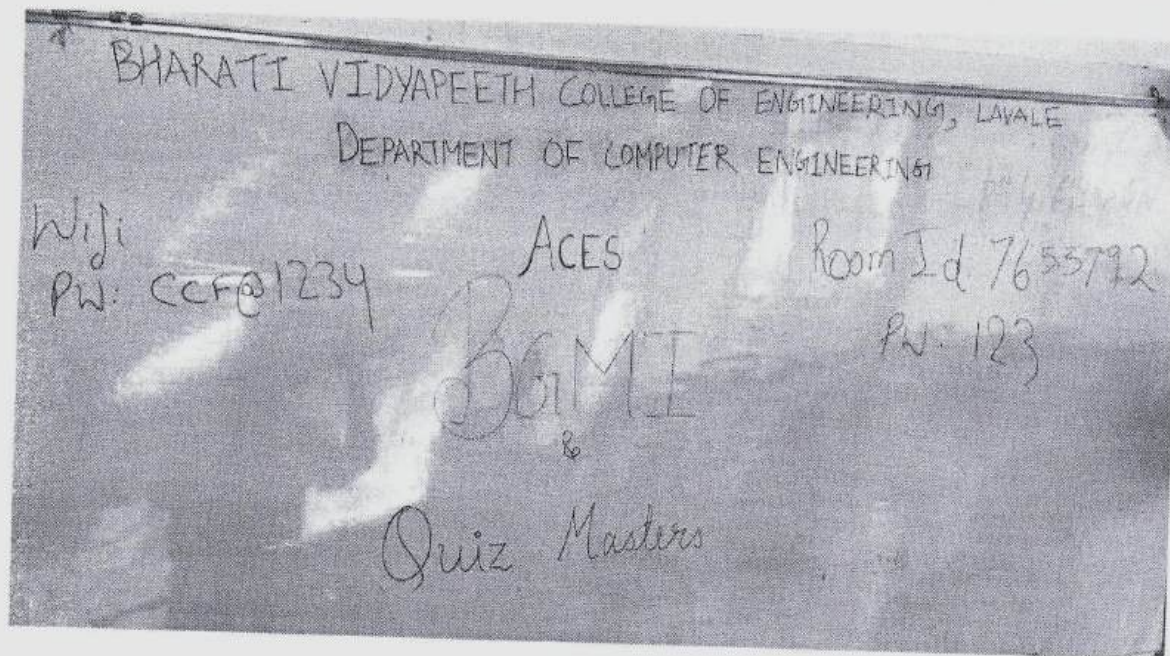

The members of winning team are:

1. Pranit Bondre- EnTC
2. Harshavardhan Patil- Computer
3. Eshanya Marthe- Computer
4. Yartharth Khoragade- Mechanical

This event was made successful by the presence and guidance of our respected HOD and Chairman of ACES Prof. Dr. Uday Patkar, Vice Chairman Prof. Avinash Ingole, Secretary Prof. Sanket Pawar, President Huzaif Mujawar, Vice-President Shubit Mattoo and other coordinators.

स्वातंत्र्यदिनानिमित्त भारती विद्यापीठाच्या इंजिनिअरिंग कॉलेजचा स्तुत्य उपक्रम

moralmaharashtra.com/commendable-initiative-of-bharati-universitys-college-of-engineering-on-the-occasion-of-independence-day/

August 24, 2021

पुणे – भारती विद्यापीठ कॉलेज ऑफ इंजीनियरिंग लवळे पुणे या महाविद्यालयाने भारतीय ७५व्या स्वातंत्र्य दिनाच्या अमृत महोत्सवाच्या निमित्ताने ऑनलाइन पद्धतीने सांस्कृतिक कार्यक्रमाचे आयोजन केले होते. सांस्कृतिक कार्यक्रम तीन दिवस ऑनलाइन पद्धतीने १६ ऑगस्ट ते १८ ऑगस्ट या कालावधीत घेण्यात आला. पहिल्या दिवशी कार्यक्रमांमध्ये नृत्य, भाषण, गायन या सांस्कृतिक बाबींचा समावेश होता. यामध्ये विद्यार्थ्यांसोबतच महाविद्यालयातील शिक्षकांनी सुद्धा उत्स्फूर्तरित्या सहभाग घेतला. कार्यक्रमाच्या दुसऱ्या दिवशी कथाकथन, मिमिक्री, कॉमेडी असे मनोरंजनात्मक तसेच सामाजिक विषयावर संदेश देणाऱ्या बाबींवर विद्यार्थ्यांनी आपले विचार कलेद्वारे मांडले. तिसऱ्या आणि अंतिम दिवशी विद्यार्थ्यांकरता ऑनलाइन गेमचे आयोजन केले होते.

हा कार्यक्रम आयोजित करण्यामागे दोन कारणे होती पहिलं म्हणजे आपला स्वातंत्र्य दिनाच्या अमृत महोत्सवाच्या निमित्ताने विद्यार्थ्यांच्या कलागुणांना एक व्यासपीठ निर्माण करून देणे ही बाब प्राधान्याने होती. तसेच सद्यस्थितीमध्ये ऑनलाइन पद्धतीने शैक्षणिक कामकाज होत असल्यामुळे शिक्षक आणि विद्यार्थी हे आभासी पद्धतीने एकमेकांशी जोडलेले आहेत. या कार्यक्रमांमुळे विद्यार्थी तसेच वरिष्ठ विद्यार्थी मित्रांसोबत शिक्षक वर्ग यांच्यात परस्पर संवाद निर्माण झाला.

हा कार्यक्रम आयोजन समितीचे सदस्य विद्यार्थी राहुल पारीक, शुभ शर्मा, मयुरेश गजलवार, हिमांशू वानखेडे, खुशाली खैरनार, अदिती थुटे, अखिल गोपलानी, प्रणव पडोले, पुष्कराज वेर्णेकर व ज्योती ढाणके यांनी महाविद्यालयाचे प्राचार्य डॉक्टर आर.एन.पाटील यांच्या मार्गदर्शनाखाली पार पाडले. या कार्यक्रमात ३२ विद्यार्थी सहभागी होते व १८० ते १९० इतका प्रेक्षक वर्ग ऑनलाइन उपस्थित होता.

अखिल भारतीय आंतर विद्यापीठ स्पर्धेचा कार्यक्रम खालीलप्रमाणे:

१. स्पर्धेचे स्थळ : के आय आय टी विद्यापीठ, भुवनेश्वर
२. स्पर्धेचा दिनांक : दि. ०४ ते ०७ जानेवारी, २०२२.
३. संघ रिपोर्ट दिनांक : दि. ३० डिसेंबर, २०२१, दु. १२.३० वा.
४. सराव दिनांक : दि. ३० डिसेंबर, २०२१ ते ०१ जानेवारी, २०२२.
५. संघ पुण्याहून रवाना : दि. ०१ जानेवारी, २०२२.
६. महत्वाची सूचना : १. खेळाडूंनी रिपोर्टिंगवेळी आधारकार्ड प्रत आणणे आवश्यक आहे.
२. Annex I आणि II (Specimen) खेळाडूंनी रिपोर्टिंगवेळी भरून आणणे आवश्यक आहे.

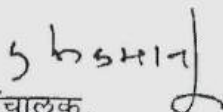

सूचना:

१. आयकार्डसाठी फोटो (रिव्हेन्यु स्टॅम्प साईज) आणणे आवश्यक. (Revenue Stamp Size Photo)
२. वैयक्तिक औषधे (असल्यास) बरोबर आणणे आवश्यक आहे/तंदुरुस्तीबाबतचे वैद्यकीय प्रमाणपत्र आवश्यक.
३. स्पर्धेसाठी उपलब्ध आहे किंवा कसे याविषयी त्वरित या कार्यालयास प्रत्यक्ष भेटून अथवा दूरध्वनी, पत्राने कळविणे आवश्यक आहे, त्यानुसार रेल्वेचे आरक्षण करणे सोयीचे जाईल. खेळाडू उपलब्ध नसल्यास मा. प्राचार्यांमार्फत त्वरित पत्राने खुलासा करणे आवश्यक आहे. अन्यथा पुढील वर्षासाठी सदरच्या खेळाडूंचा विचार केला जाणार नाही.
४. मा. प्राचार्यांनी सदरचे पत्र आपल्या महाविद्यालयातील शा. शि. संचालकांच्या त्वरित निदर्शनास आणून पुढील योग्य ती कार्यवाही करण्यास सांगावे.
५. वर उल्लेखिलेले सराव शिबीर सर्वांसाठी सक्तीचे आहे.
६. गॅप असलेल्या खेळाडूंनी सदर गॅप सर्टिफिकेट इंग्रजीमध्ये करून रिपोर्टचे वेळी सादर करावे.
७. प्रत्येक खेळाडूने येताना वैद्यकीय दाखला (Medical Certificate) (एम. बी. बी. एस. डॉक्टरांचे) बरोबर आणणे बंधनकारक राहील.

कृपया वरील सर्व सूचना खेळाडूंना देऊन सहकार्य करावे, ही विनंती.

धन्यवाद! सहकार्याची अपेक्षा!

आपला,

संचालक,
क्रीडा व शारीरिक शिक्षण मंडळ
