MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (hereinafter "MoU") is made and executed on this 12th day of October 2021 at Pune

BY AND BETWEEN

SYMBIOSIS CENTRE FOR ENTREPRENEURSHIP AND INNOVATION (SCEI) a section 8 company registered under Indian Companies Act, 2013 and established by Symbiosis International (Deemed University) and supported by Department of Science and Technology, Government of India having its registered office at Symbiosis International (Deemed University) Hill base campus, Gram: Lavale, Taluka: Mulshi, District: Pune, Maharashtra India. Pin:412115, hereinafter referred to as "SCEI" (Which expression unless repugnant and contrary to the context, shall mean and include its directors, administrators and assigns).

And

Bharati Vidyapeeth's College of Engineering, Lavale, Pune-412115 under its parent body **Bharati Vidyapeeth's Pune 411030**, hereafter referred to as **BVCOEL, Pune**

BVCOEL and SCEI, Pune may be referred to herein individually as a "Party" and collectively as "Parties"

Whereas, SCEI, a Special Purpose Vehicle established by Symbiosis International (Deemed University) University, has been funded by Department of Science and Technology, Govt. of India under NATIONAL INITIATIVE FOR DEVELOPING AND HARNESSING INNOVATIONS (NIDHI), Technology Business Incubator TBI (NIDHI-TBI) scheme with an objective of supporting early stage startups. SCEI aims to nurture and promote the spirit of entrepreneurship in India through various initiatives such as training programmes, mentoring, incubation, pre-incubation, etc.

And whereas, to facilitate the entrepreneurial activities on campus and foster student entrepreneurship, SCEI and BVCOEL have decided to enter into this Memorandum of Understanding (hereinafter referred to as MoU), which defines the framework for the cooperation of the two institutions set out in the following sections.

IT IS HEREBY AGREED by and between the parties hereto as follows:

1. PURPOSE:

This MoU is entered into between the BVCOEL and SCEI wherein both the parties agree to work together to develop the entrepreneurship development capabilities of the BVCOEL leveraging SCEI network, expertise, models, content frameworks and best practices for entrepreneurship development and programmes.

2. SCOPE OF CO-OPERATION:

2.1. The common intent and goals of Parties in this MoU is to develop impactful programmes, entrepreneurship and innovation cell organizational structures and policies within the BVCOEL for entrepreneurship development towards the goal of creating student entrepreneurs, and a vibrant campus entrepreneurship eco-system.

2.2. Both Parties are committing to sincerely fulfilling their roles and responsibilities to the fullest in order to accomplish the defined goals mutually outlined by them.

3. Contributions of SCEI as under this MOU:

3.1 SCEI will guide the BVCOEL entrepreneurship Cell / Innovation Council). In case the BVCOEL already has E-Cell/Innovation Council, SCEI will help in making the cell more active and impactful, with guidance and for planning and conducting various activities related to entrepreneurship, innovation, design thinking, IPR, etc.

3.2 SCEI will help the BVCOEL in identifying suitable students as E-Cell/Innovation Council Leaders.

3.3 SCEI will help BVCOEL to inspire and motivate their students for entrepreneurship through online/offline awareness sessions, invitation for SCEI organized webinars, etc.

3.4 SCEI will help the BVCOEL on capacity building of their faculty members to launch and lead campus entrepreneurship development initiatives through joint faculty training programmes.

3.5 SCEI will help BVCOEL to design a calendar of activities to be conducted by the E-Cell throughout the year. BVCOEL may choose the activities to be undertaken.

3.6 SCEI will help BVCOEL to design and organize joint activities which shall include but shall not be limited to creation of business plans, Competitions, Innovation Challenges, Idea Carnivals, Boot Camps, Hackathons, etc. Such

activities may be promoted as being jointly conducted by SCEI and the BVCOEL, subject to mutual discussion and agreement on the terms by both the parties, on case-to-case basis

- 3.7 SCEI may help BVCOEL to connect with resource persons (speakers, judges, etc.) for various entrepreneurial activities at institute. The travel, stay, logistics arrangements, coordination with the resource person and honorarium, if any, will be managed by the BVCOEL. SCEI's role will be just that of connecting with the resource person. It is expected that the BVCOEL deals and communicates with these resource persons in a professional manner ensuring that in no way their communication or interaction harms the professional relation SCEI has with these resource persons.
- 3.8 SCEI may also provide access to its innovation lab to the students of the BVCOEL at discounted/no charges, at the discretion of SCEI team, on case-to-case basis.
- 3.9 SCEI may provide partial/full scholarship for their training programmes to selected students from the BVCOEL demonstrating high entrepreneurial intent and potential, at the discretion of SCEI team, on case-to-case basis.
- 3.10 SCEI may provide guidance and support to the BVCOEL in building entrepreneur community more specifically in building entrepreneurial panels of mentors, and experts for the various kinds of programs.
- 3.11 For events, competitions, etc. of national level organized jointly by SCEI and the BVCOEL, SCEI may, at the discretion if it's CEO, may offer rewards in the form of free/discounted entry to some paid training, mentoring or pre-incubation programme/s to the top performing teams of the event/competition. The nature of the reward will be decided by SCEI team and communicated to the BVCOEL.
- 3.12 SCEI can organize "A Day at SCEI" trips at SCEI campus for selected students of the BVCOEL. The course content, training dates, duration, delivery channel, and possibility of joint certification, financials and other relevant matters will be discussed and finalized on case-to-case basis.

3.14 It is further agreed that all the above activities shall be on best effort basis and subject to availability of resources at the disposal of SCEI.

4. FUNDING:

4.1 Neither Party shall enter into any contract on behalf of the other Party nor commit the other to any expense without the other Party's prior express written authority.

4.2 All activities carried out under the terms of this MoU shall be separately negotiated and determined by both Parties in a separate writing, subject to available resources and giving consideration to other limiting conditions.

4.3 Each Party shall bear its own costs and expenses for the activities arising from this MoU unless otherwise mutually arranged and agreed upon by the Parties in writing.

4.4 The BVCOEL hereby agrees to bear the expenses of any material/resources that are provided by SCEI in fulfillment of its obligations laid out in Clause 3 of this Agreement. **SCEI in consultation with BV COEL** reserves the right to finalise the expenses borne by it on case to case basis.

5. Contributions of BVCOEL as under this MoU:

5.1 The BVCOEL hereby agrees to extend full support and willingness from the management to help develop the institution's entrepreneurship capacity.

5.2 BVCOEL should be committed to facilitate & support entrepreneurship courses, programs and activities on a regular basis and allocate necessary resources and permissions to enable implementation of these activities.

- 5.3 BVCOEL shall assign dedicated faculty team (at-least two faculty members) having interest, motivation and ability to be an entrepreneur educator and facilitator to be Entrepreneurship Faculty Leaders for effectively conducting the activities and initiatives covered under this MoU.
- 5.4 BVCOEL shall appoint / depute a faculty member having interest in entrepreneurship, to act as a Single Point of Contact (SPOC). The SPOC can be one of the Entrepreneurship Faculty Leaders. All communication with SCEI will be routed through the SPOC, keeping the head (principal/director) of the BVCOEL informed of the development.
- 5.5 BVCOEL shall identify and nominate 3-4 students, from the E-Cell/ Innovation Council executive team, as Student Ambassadors of SCEI in the institute.
- 5.6 BVCOEL shall support SCEI in its endeavors of creating impact in the entrepreneurial ecosystem by promoting SCEI events, training and incubation programmes, etc. through its social media channels.
- 5.7 BVCOEL shall organize one inaugural/orientation event to officially announce this partnership. The event can be online or offline and all the students as well as faculty of the institute should be invited. SCEI representative will also address the participants during this event, apprising them of the opportunities and benefits that can be availed.
- 5.8 BVCOEL should arrange one awareness session by SCEI Team about this collaboration during the induction/orientation programme for freshly admitted students every year.
- 5.9 BVCOEL shall assure the attendance of students and/or faculty in all the joint programmes.
- 5.10 BVCOEL shall share with SCEI the database of the participants of all events where SCEI has been showcased as a partner.

6. CONFIDENTIALITY:

6.1. The Parties acknowledge that the existence and all the terms of this Agreement including any amendment to this agreement / any separate agreement to be executed hereinafter and any oral or written information exchanged between the Parties in connection with the preparation and performance of this Agreement are regarded as confidential information.

6.2. Both the parties hereby undertake that they shall not at any time during the continuance in force of this Agreement or any time later divulge any information in relation to the other party's affairs or activities especially to any third party nor disclose such information to any third party except as may be required in carrying out the terms of this Agreement hereto solely and/or for the purposes of rendering services pursuant to this Agreement and shall only be so provided with the prior written consent of both the Parties.

7. OWNERSHIP AND INTELLECTUAL PROPERTY RIGHTS:

7.1. All Parties agree to respect each other's rights to intellectual property. All proprietary information, copyrights, trademarks, trade names, logos and any other intellectual property of each Party shall remain the exclusive property of that Party only.

7.2. Except as expressly provided herein or otherwise in writing by both Parties, this MOU does not grant or authorize either Party any ownership rights or interest in the other Party's trade name, trademarks or copyrights, or any intellectual property work.

8. RENEWAL, TERMINATION AND AMENDMENT:

8.1. The parties hereby agree that this MoU shall remain in force for a period of **TWO** years from the last date of signature. The period can be extended upon written agreement by the parties upon mutually agreed terms and conditions.

8.2. The parties hereby agree that this MoU may be terminated by giving a prior written notice at least three months in advance before the date of termination. However, any activities which is being conducted under this agreement or any separate agreement shall continue to be conducted by the Parties notwithstanding the termination and in respect of those activities termination shall take effect only upon the completion of those activities.

8.3. Any amendments and/or modifications of this MoU, made by mutual agreement between the Parties, shall be submitted for prior approval of the delegated authorities of the Parties.

9. REVIEW:

9.1. The BVCOEL shall carry out a half-yearly review process to track the progress and data of students, student entrepreneurs, and entrepreneurs that they will work with during this association. Additionally, there shall be a review conducted at the end of the year in the presence of the SCEI representatives as may be specified from time to time.

10. BRANDING:

In order to support the BVCOELs, SCEI may engage in conducting events, activities, and training programmes jointly with the BVCOEL. However, any co-branding, co-certification, IP and marketing association for a programme or event would be subject to quality assessment and prior approval on a case to case basis. This MoU does not automatically include co-branding or co-certification or marketing of any training programmes, events, competitions, etc. conducted by the BVCOEL. Any discussions on those would be on a case to case basis between the BVCOEL and SCEI.

11. NO INDIRECT/CONSEQUENTIAL LOSS

A party shall not be liable towards another Party in connection with this MoU for any direct, indirect, punitive and/or consequential damages, whatsoever, such as, but not limited to, loss of profit, loss of production and/or similar.

12. FORCE MAJEURE

12.1. No Party shall be liable to the other if, and to the extent, that the performance or delay in performance of any of its obligations under this MOU is prevented, restricted, delayed or interfered with, due to circumstances beyond the reasonable control of such party, including but not limited to, Government legislations, fires, floods, explosions, epidemics, accidents, acts of God, wars, riots, strikes, lockouts, or other concerted acts of workmen, acts of Government and / or shortages of materials, loss or damage to satellites, loss of satellite linkage or any other data communications linkage, loss of connectivity or any other irresistible force or compulsion.

12.2 The Party claiming an event of force majeure shall promptly notify the other party in writing and provide full particulars of the cause or event and the date of first occurrence thereof, as soon as possible after the event and also keep the other Party informed of any further developments. The Party so affected shall use its best efforts to remove the cause of non-performance, and the Parties shall resume performance hereunder when such clause is removed.

13. ADHERENCE TO LAWS

Participating faculties, staff and students involved in any activities under this memorandum must adhere to the law of the country and rules and regulations of the institutions.

14. INDEPENDENT STATUS

Nothing in this MoU shall be construed as creating a relationship of partnership, joint venture, agency or employment between the Parties. Neither Party shall be responsible for the acts nor shall omissions of the other Party, and neither Party shall have the power or authority to speak for or assume any obligation on behalf of the other Party. This Memorandum is a statement of intent to foster genuine and mutually beneficial collaboration.

15. NON-BINDING NATURE OF THIS MOU

This MOU is a non-binding expression of the current intention of the Parties, and neither Party will incur nor be bound to any legal obligations or expenses hereunder to the other Party until and unless definitive agreements have been negotiated, approved by the statutory authorities of each Party and executed and delivered by authorized representatives of both Parties.

16. DISPUTE RESOLUTION:

The Parties agree to comply with the obligations enumerated in this MoU and shall endeavor to resolve any problems that may arise in the execution of this MoU through direct engagement, consultation or negotiation between the Parties. In case of failure of resolving the disputes through negotiations, the parties on mutual agreement shall refer the dispute to Arbitration. The seat of Arbitration shall be at Pune, India and the venue shall be mutually decided by the parties. A sole Arbitrator shall be appointed by mutual consultation between the parties.

17. JURISDICTION:

In case of any disputes arising between the parties, the Courts situated and exercising local jurisdiction in Pune shall have the jurisdiction to try, entertain and adjudicate upon any dispute that may arise between the parties. The jurisdiction of the court shall only be in the aid of the Arbitration clause as mentioned above.

Subject: Further 3-year extension of MoU signed with ARM to help faculty teach the latest technology from Arm and its ecosystem.

Sir/Madam,

As you are aware that AICTE has signed an MoU on 28th August 2019 with 'ARM Embedded Pvt. Ltd.' For the period of 1-year and MoU has been further extended for 3 years i.e. upto 2023. The Arm University Program ("AUP") an educational initiative of Arm Embedded Technologies Pvt. Ltd., aims to plug the education and skills gap in electrical, electronic and computer engineering, computer science and beyond. It will help university faculty teach the latest technology from Arm and its ecosystem by the provision of education resources such as teaching materials and software tools for educational purposes. Goals of the program in India include to be a significant contributor to the knowledge economy of India by creating a highly skilled workforce that will drive global digital transformation and to help educators, students and innovators harness Arm and partners' state-of-the-art technologies, to learn, innovate and engage effectively in the modern economy. More about us: <https://www.arm.com/company>

The Arm University Program:

To help faculty teach the latest technology from Arm and its ecosystem, the Arm University Program has developed the resources in a range of core subjects relevant to Electrical, Electronic and Computer Engineering, Computer Science and beyond.

Each Education Kit comprises a full set of teaching materials including lecture slides, lab manuals with solutions and, licenses for professional software development tools. Education Kits are designed for ready use in a typical semester-length course, or individual modules can be customized by faculty for their own use. Subject to a qualification process Education Kits are donated free-of-charge to faculty worldwide to use in their courses. Also, ARM have online courses and textbooks to be offered to faculty. INTERNSHALA COLLEGE REGISTRATION AGREEMENT

This Agreement is executed on 8th November 2019 by and between:

Scholiverse Educare Private Limited, having its registered office at B-610, Unitech Business Zone, Nirvana Country, Sector-50, Haryana - 122018, acting through its authorized representative Mr. Samay Bhatnagar, Head, University Relations (hereinafter referred to as **"Internshala"**);

AND

Bharati Vidyapeeth's College of Engineering, Lavale, Pune (hereinafter referred to as the **"College"** which expression shall, unless repugnant to the meaning or context thereof, be deemed to include its executors, representatives and permitted assigns) of the other Party; acting through its authorized representative Dr. R. N. Patil, Principal.

Internshala and College may be referred to as 'Party' individually and as 'Parties' collectively, as the context may require.

Overview:

This agreement is regarding the college registration of 'Bharati Vidyapeeth's College of Engineering, Lavale, Pune' with 'Internshala'.

Responsibilities of Internshala:

- Create student accounts for all the students registered by the College.
- Provide weekly internship update to all the students registered by the College as per their filled in preferences
- Provide an online resume maker to all the students of the College registered with Internshala.
- Safeguard students' data as per Internshala privacy policy (<https://internshala.com/privacy>)
- Inform the college when students get selected for an internship.
- Provide College with Internshala logo and brand name to be used in College's communications (internal or external) and on its website to recognize Internshala as the internship and training partner and any other purpose limited to the scope of the agreement.

Responsibilities of College:

- Recognize Internshala as the internship and training partner in all internal and external communications including on its website and in admission/media brochures.
- Send a communication to all the students and faculties regarding the association and direct/encourage students to verify their accounts.
- Provide the information of all the interested students of the College as required by Internshala for their registration. The information should contain the first name, last name, mobile number and the email address of all the students of the College.
- Regularly post a list of students selected for internships through Internshala every month on the college's notice board.
- Authorize Internshala to recognize college, using College logo and/or brand name, as a registered user in its communications (internal or external) and on Internshala platform only for the purpose limited to the scope of the agreement.

Commercials:

This is a non-commercial agreement whereas neither party is required to make any payment to other party for carrying out the responsibilities listed in this agreement.

Term and Termination:

This agreement will be operational and valid from 8th November 2019 and the initial tenure of the agreement is 1 (one) year. Upon completion of the tenure, the agreement can be renewed for another 1 year and so on with mutual consent of both parties.

Under normal circumstances, either party wanting to terminate the agreement can do so and it can be done on a mutually agreed upon date in a justified way with a notification given at least one month prior to termination date.

Indemnity

The college understands and agrees that all the information provided on Internshala related to internships and trainings is provided on *as is* basis. It further agrees that while Internshala makes efforts to ensure the accuracy of the information supplied, it does not guarantee it and the college will choose to disseminate this information to its students solely at its discretion. The college agrees to defend, indemnify and hold harmless Internshala, its subsidiaries, affiliates, licensors, employees, agents, third party information providers and independent contractors against any loss, claims, damages, costs, liabilities and expenses (including, but not limited to, reasonable attorneys' fees) arising out of or related to its use of content of Internshala platform feed that it posts, stores or otherwise transmits on or through its platform(s) or to its students or to general public at large.

The college understands and agrees that as a platform, Internshala acts as a bridge between the organizations who wish to hire interns and the students who wish to apply for the internships. We make best efforts to bring the best internships on the platform, educate students about the same and ensure that they can apply to these internships in a seamless manner. However, the eventual hiring decision, rightfully, resides with the organization which is hiring interns and is dependent on several factors such as the skills of the applicant, quality of her applications, competition, requirements and assessment process of the organization, student's availability at the required location and for the desired period of the internship etc. Since these factors are beyond Internshala's control, Internshala does not and can not guarantee an internship to an applicant.

The college further agrees to indemnify and hold harmless Internshala, its subsidiaries, affiliates, licensors, employees, agents, third party information providers and independent contractors, if any, who controls any thereof, against any loss, liability, claim, damage and expense whatsoever (including, but not limited to, any and all expenses whatsoever reasonably incurred in investigating, preparing or defending against any litigation commenced or threatened or any claim whatsoever) arising out of or based upon any false representation or warranty or breach or failure by the College to comply with any covenant or agreement made by the College herein or in any other document furnished by the College to any of the foregoing in connection with this agreement.

Trademarks:

Except to the limited extent expressly provided in this Agreement, neither Party grants, nor the other Party will not acquire any right, title or interest (including, without limitation, any implied license) in or to any property of the first Party. All rights not expressly granted herein are deemed withheld. All use by a Party of the other trade names, trademarks, service marks, logos, etc., and any goodwill associated therewith, will inure to the benefit of the grantor.

Confidentiality:

Internshala and the College will not disclose the details of this agreement and any private information that they come across when this agreement is in effect to any third-party.

If either Party (the "Receiving Party") under this Agreement gains access to confidential information of the other Party (the "Disclosing Party") concerning the Disclosing Party's prices, business, plans, technology, products, and other non-public information of the Disclosing Party (collectively, "CI" or "Confidential Information"), then the terms of this section will apply. CI includes all information in tangible or intangible form that is marked or designated as confidential by the Disclosing Party or that, under the circumstances of its disclosure, should be considered confidential. The Disclosing Party owns all right, title and interest, including all patent, copyright, trademark, trade secret rights and any other intellectual property or proprietary rights in any jurisdiction, including any and all applications, renewals, extensions and restorations thereof, in the Disclosing Party's CI. Each Party agrees that it will not use in any way, for its own benefit or the benefit of any third party, except as expressly permitted by, or as required to implement, this Agreement, nor disclose to any third party (except as required by law or to such Party's attorneys, accountants and other advisors as reasonably necessary), any of the Disclosing Party's CI. Each Party will take reasonable precautions to protect the confidentiality of the other Party's CI that are at least as stringent as it takes to protect its own CI.

Force Majeure:

- Browsers - Internet Explorer, FireFox, Chrome etc.)

UPS Specification: as appropriate for the H/W infrastructure.

Air Conditioner specification: as appropriate for the facility utilized.

Furniture & Fittings: Work-stations with side cupboards, projection arrangement (screen + stand), white board, lighting etc.

Power and Back-up: as appropriate for lighting, air conditioning and UPS

Network Security: It would be in the common interest of Bharati Vidyapeeth College of Engineering Lavale and RPGF to protect their computers and authors' work against unauthorized access.

To achieve at least minimum level of network security, Bharati Vidyapeeth College of Engineering Lavale recommends the following components:

- Appliance based firewall (Cisco PIX etc.)
- Internet Proxy Server (Squid, Microsoft ISA Server)
- Antivirus

Other facilities required: Server Placements: The servers and network equipment to be placed in secured enclosure prevent unauthorized access.

Proxy/ Firewall: A firewall must be placed between the internet and the Bharati Vidyapeeth College of Engineering Lavale LAN to allow only legitimate traffic into the Bharati Vidyapeeth College of Engineering Lavale. An appliance based firewall is recommended but Bharati Vidyapeeth College of Engineering Lavale may also opt for software based firewalls, if the number of computers is less.

In case of a large number of users accessing the internet, a proxy server should be used to increase internet performance by caching and also putting in controls required to access the internet.

Printer: Institutions should install at least one printer per batch of 30 students. A network laser printer is most suitable for large networks.

Projector + Screen: A portable LCD projector may be required by the students to discuss and conduct presentations. It should preferably be placed in a discussion room.

Video Conference facility: College/Institute shall provide access to VC facility whenever required to students for planned VC sessions.

Maintenance & Support: An annual maintenance and upgrade contract should be signed with the software & hardware vendor to cater for maintenance requirements and upgrades.

MEMORANDUM OF UNDERSTANDING (MoU)

Between

**All India Council for Technical
Education, New Delhi**

And

**Tata Consultancy Services,
Mumbai**

10th July, 2019

This Memorandum of Understanding ("MOU") is entered into on the 10 day of July 2019 ("Effective") by and between Tata Consultancy Services Ltd., a company incorporated under the Companies Act, 1956 and having its corporate office at TCS House, Raveline Street, Fort, Mumbai-400001, India (hereinafter referred to as "TCS"), and All India Council for Technical Education, having its Head office at Nelson Mandela Marg, Vasant Kunj, New Delhi-110070 (hereinafter referred to as "AICTE").

WHEREAS, the AICTE is a statutory body and a national-level council for technical education, under Department of Higher Education, Ministry of Human Resource Development of India responsible for proper planning and coordinated development of the technical education in India,

WHEREAS, TCS is a leading IT services, business solutions and outsourcing organization and has a strategic business unit, called TCS iON, that focuses on providing large-scale assessment services and learning content on its proprietary iON platform as well as serve Small & Medium Enterprises (SME) with cloud based ERP solutions.

NOW THIS MOU aims to capture the understanding reached between TCS and AICTE regarding each other's roles and responsibilities.

1) UNDERSTANDING

Both the parties under this MOU have agreed to collaborate with each other as below by providing students of colleges/institutions approved by AICTE with TCS iON's for corporate career readiness:

Scope of the MoU

The vision of this collaboration is to address the career skill gap among student community and also to help them gain a head start in their career through the use of a range of courses and certification programs on TCS iON Digital Learning Hub. The intent is to ensure that the students who cross the academic and aptitude gates do not lose out due to gaps in foundational and soft skills as required by the industry. The parties agree to use best efforts towards fulfilment of their respective commitments in realizing this intent.

a) Commitment from AICTE

AICTE to support TCS in increasing awareness & adoption of the Free "Career Skills" Training Program by effective communications to the Principals/Chancellors/VCs of member universities/ colleges/ institutions.

b) Commitment from TCS

Launch of the free 20-hour Career Skills program for students (referred to in Section 1.1). This training program will cover the following aspects: Interpersonal Skills, E-Mail Etiquettes, Group Discussion, Presentation & Soft skills, Resume and Cover letter writing, Interview Preparation, Telephone Etiquettes and IT Foundational skills. This program will be a self-paced training that Students can access over the cloud any-time, any-where and on any-device.

The member institutions/colleges leveraging the scope outlined in this MOU for its students, will be doing so under the then prevailing terms and conditions of iON Digital Learning Hub.

II) INTELLECTUAL PROPERTY RIGHTS

Each party shall continue to own the intellectual property developed prior to or independently of this Memorandum of Understanding.

All rights, title and interests in and to the material used by TCS in the provision of the Services of this Agreement shall exclusively belong to TCS or its licensors ("TCS Proprietary Material"). Any and all Intellectual Property Rights with respect to the Services and the TCS Proprietary Material and all modifications, improvements, enhancements, or derivative works made thereto, shall always belong to TCS or its licensors and AICTE shall not be entitled to claim any rights therein. All rights, title and interests in data of AICTE shall always remain with AICTE. AICTE agrees that TCS shall have the right to list AICTE name in its marketing material and use AICTE logo with respect to such listing and for reference purposes related to the said free course only being provided to students of AICTE approved institutions. AICTE acknowledges that the provision of the Services hereunder by TCS shall be on a non-exclusive basis and TCS shall be free at all times to provide the services or perform obligations same or similar to the Services and obligations envisaged hereunder to any of its other clients, either existing or future, and nothing herein shall preclude TCS from providing such services or performing such obligations to its other clients.

PRECLUDED FROM:

The parties agree that they are not bound exclusively by this memorandum and will be at liberty to enter into any other agreements or arrangements with any third party without reference to the other party in this MOU on the similar program (s).

III) CONFIDENTIALITY

During the term of this MOU, each Party may disclose to the other its Confidential Information. Confidential Information shall mean all information marked "Confidential" or under any similar legend indicating the confidentiality of the information or information which by its nature is confidential, except such information as is (a) previously known to the receiving party at the time of disclosure, or (b) independently developed by or for the receiving party and not derived from the Confidential Information supplied by the disclosing party or the participation of individuals who have had access to Confidential Information of the other, (c) disclosed to the receiving party by a third party without an obligation of confidentiality or (d) in or subsequently comes into the public domain (other than as a result of a breach of this MOU); (e) required to be disclosed by the receiving party by law, regulation, court order or other legal process.

SAD

The receiving party shall hold such Confidential Information in strict confidence perpetually for the disclosing party and shall not use it except in furtherance of the relationship set forth in this MOU, or except as it may be authorized by the disclosing party in writing. The receiving party shall further be responsible for the compliance of the foregoing by its employees or agents.

Upon the disclosing party's written request at any time, or following the completion or termination of this MOU, the receiving party shall promptly return to the disclosing party, or destroy, all Confidential Information of the disclosing party provided under or in connection with this Agreement, including all copies, portions and summaries thereof.

IV) COSTS:

This MOU does not constitute any component of financial obligation on AICTE and TCS as well as on AICTE approved institutions and their students opting to join the career skill training program provided by TCS.

V) TERM

This MOU shall be valid from the Effective Date and shall remain in force for 3 (three) years from the Effective date, unless terminated earlier by either Party as provided herein below.

Either party may terminate this MOU by giving thirty (30) days' notice to the other party. On termination, each party shall return to the other party all such confidential and proprietary information, documents and reference material of the other party in its possession.

All such obligations and terms of this MOU that are required to survive the termination of this MOU shall survive such termination.

VI) PERIODIC REVIEW

The Parties agree that the person's nominated herein below as the point of contact for each party (or their respective nominees) shall meet at least once in a year or in-between if required.
