Minutes of the Meeting

17 The letter was received from Anti-Corruption Bureau, Ranchi regarding the details of fee and other expenses of students paid to your institution during their study period.

Action taken by Committee -

Actually by mistake the letter is addressed to our Principal (Bharati Vidyapeeth Technical Campus, College of Engineering, Lavale, Pune). However, committee members immediately marked this letter to Principal, Bharati Vidyapeeth, College of IMEP, Evera, Pune, because that student is from Management (MBA).
